SAFETY INFORMATION

- **Maximum Load Capacity:** The static load capacity of this chair is approximately 160 kg (350 lbs). Do not exceed this weight limit to prevent damage or injury.
- **Assembly:** Ensure all parts are correctly assembled and tightened according to the instructions. Do not use the chair if any parts are missing or damaged.
- **Stability:** Use the chair on a flat, stable surface. Avoid standing on the chair or using it as a step stool.
- **Cleaning:** Clean the chair only by hand washing. Do not use harsh chemicals or abrasive cleaners.
- **Children:** Keep children away from the chair during assembly. Supervise children when they are near the chair to prevent accidents.

SETUP INSTRUCTIONS

This chair requires assembly. A Japanese instruction manual and assembly kit are included. Follow these general steps for assembly:

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components listed in the parts list are present.
- 2. Attach Base to Gas Lift:** Insert the gas lift cylinder into the center hole of the cross-leg base.
- 3. Assemble Seat and Backrest:** Connect the seat cushion to the backrest using the provided screws and tools. Ensure all screws are securely tightened.
- 4. Connect Seat Assembly to Gas Lift:** Place the assembled seat and backrest onto the gas lift cylinder. Apply gentle downward pressure to secure it.
- 5. Final Check:** Ensure all connections are tight and the chair is stable before use.

OPERATING INSTRUCTIONS

Height Adjustment

- To raise the seat, lift the height adjustment lever while taking your weight off the seat. The seat will rise automatically.
- To lower the seat, lift the height adjustment lever while seated. The seat will lower under your weight. Release the lever at the desired height.

360-Degree Swivel

- The chair is designed to rotate 360 degrees, allowing for easy movement and access to your workspace without needing to reposition the entire chair.

MAINTENANCE

- **Cleaning:** Wipe the chair with a soft, damp cloth. For stubborn stains, use a mild soap solution and then wipe with a clean, damp cloth. Do not machine wash or use harsh detergents.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the fabric.
- **Storage:** Store the chair in a dry, cool place when not in use for extended periods.

TROUBLESHOOTING

- **Chair is Wobbly:** Check all assembly screws and bolts. Ensure they are fully tightened. Verify the chair is on a flat, even surface.
- **Height Adjustment Not Working:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement. Contact customer support.
- **Squeaking Noises:** Apply a small amount of silicone-based lubricant to moving parts, such as the gas lift or base connections.
- **Difficulty Assembling:** Refer to the detailed assembly instructions provided in the package. If parts are

missing or damaged, contact customer support for assistance.
