Suuim Professional Foosball Table Instruction Manual

Model: 120*61*81cm

1. INTRODUCTION

Thank you for purchasing the Suuim Professional Foosball Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new foosball table. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

- Adult supervision is recommended for children under 12 years old during assembly and play.
- Ensure all screws and bolts are securely tightened before use to prevent instability.
- Do not climb on or stand on the table.
- Keep small parts away from young children to avoid choking hazards.
- Place the table on a flat, stable surface to prevent tipping.
- Regularly inspect the table for loose parts or damage. Discontinue use if damage is found.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Foosball Table Set (main table body, legs, playing rods, players, goals)
- 2 x Soccer Balls
- Score Keepers
- Assembly Hardware (screws, bolts, washers, tools if included)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this foosball table. It is recommended to have two adults for assembly. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify all components against the package contents list.
2. **Attach Legs:** Securely attach the four legs to the main table body using the provided hardware. Ensure they are firmly

fastened and the table is stable.

3. **Install Playing Rods:** Insert the playing rods through the designated holes on the table sides. Attach the foosball players to the rods in the correct formation (e.g., 3-5-2-1 or 2-5-3). Ensure the handles are on the outside.
4. **Attach Goals and Score Keepers:** Fasten the goals to each end of the table. Install the score keepers on the side rails as indicated.
5. **Final Check:** Verify that all connections are tight and the table is stable. Ensure all players move freely on their rods.

5. OPERATING INSTRUCTIONS (HOW TO PLAY)

The Suuim Professional Foosball Table is designed for engaging gameplay for 2-4 players. Here are the basic rules and techniques:

- **Starting the Game:** Place a soccer ball into the designated ball entry point or drop it onto the center of the playing field.
- **Controlling Players:** Use the handles to rotate and slide the rods, moving your players to kick the ball.
- **Scoring:** A goal is scored when the ball enters the opponent's goal. Use the score keepers to track points.
- **Basic Techniques:**
 - *Shooting:* Rotate players quickly to strike the ball towards the opponent's goal.
 - *Passing:* Move the ball between your own players to set up scoring opportunities.
 - *Goalie Blocks:* Position your goalie player to defend against incoming shots.
 - *360-Degree Spins:* While allowed in casual play, competitive rules often restrict spinning rods excessively.
- **Ball Return:** After a goal, the ball will typically return to a collection area for easy retrieval.

6. MAINTENANCE AND CARE

Proper maintenance will extend the life of your foosball table:

- **Cleaning:** Wipe the table surface and exterior with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Rod Lubrication:** Periodically apply a small amount of silicone-based lubricant to the playing rods where they pass through the table bushings to ensure smooth movement. Avoid oil-based lubricants as they can attract dust.
- **Tighten Fasteners:** Regularly check and tighten all screws and bolts to maintain stability.
- **Storage:** Store the table in a dry environment, away from direct sunlight and extreme temperature changes, to prevent warping or damage to the wood components.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Rods are stiff or sticky	Lack of lubrication; dirt accumulation	Apply silicone lubricant to rods; clean rods and bushings.
Table is wobbly	Loose leg bolts; uneven surface	Tighten all leg bolts; place table on a level surface.
Players do not move smoothly	Loose players on rods; bent rod	Ensure players are securely fastened to rods; inspect rods for damage.
