2. SAFETY INFORMATION

WARNING: Improper installation, adjustment, alteration, service, or maintenance can cause property damage, injury, or death. Read the installation, operating, and maintenance instructions thoroughly before installing or servicing this equipment.

- Ensure proper ventilation in the kitchen area.
- Do not store flammable materials near the hob.
- Always use appropriate cookware for gas cooking.
- Keep children away from the appliance during operation.
- In case of a gas leak, immediately turn off the gas supply, open windows, and do not operate any electrical switches or appliances. Contact a qualified technician.
- This appliance is equipped with a Flame Failure Device (FFD) which automatically cuts off the gas supply if the flame extinguishes.

3. PRODUCT OVERVIEW

The Faber Hob Magiclift HT753 BR CI AI features a toughened 8mm matt finish black glass surface, three high-efficiency brass burners, and premium control knobs. Its unique liftable burner design enhances convenience for cleaning.

Key Features:

- **Liftable Burners:** For easy cleaning and maintenance.
- **Auto Ignition:** In-built battery-operated ignition for quick start-up.
- **Flame Failure Device (FFD):** Enhances safety by cutting off gas supply if the flame goes out.
- **Cast Iron Pan Support:** Durable and stable support for cookware.
- **Premium Knobs:** Ergonomic design for precise flame control.
- **Toughened Black Glass:** 8mm thick, matt finish for durability and aesthetics.

Components:

1. Toughened Glass Surface
2. Brass Burners (2 x 3.0 kW, 1 x 2.5 kW)
3. Cast Iron Pan Supports
4. Control Knobs
5. Ignition System (underneath knobs)
6. Flame Failure Devices (integrated into burners)

4. SETUP & INSTALLATION

The Faber Hob Magiclif HT753 BR CI AI is designed for drop-in installation. Professional installation by a qualified technician is highly recommended to ensure safety and proper functioning.

Installation Steps:

1. **Prepare the Countertop:** Ensure the countertop cutout dimensions match the hob's requirements. The hob dimensions are 38D x 75W x 13.5H Centimeters.
2. **Gas Connection:** Connect the hob to a suitable gas supply line using approved fittings and flexible hoses. Ensure all connections are leak-free.
3. **Electrical Connection (for Ignition):** Install the battery for the auto-ignition system as per the instructions provided in the packaging.
4. **Position the Hob:** Carefully lower the hob into the countertop cutout, ensuring it sits flush and is securely supported.
5. **Test Operation:** After installation, test all burners for proper ignition and flame stability. Check for any gas leaks.

Included Components: 1 Built-In Gas Stove, 1 Warranty Card, 1 User Manual.

5. OPERATING INSTRUCTIONS

Igniting a Burner:

1. Place your cookware centrally on the cast iron pan support over the desired burner.
2. Push down and turn the corresponding control knob counter-clockwise to the maximum flame position.
3. The auto-ignition system will click, and the burner will ignite. Hold the knob down for a few seconds to allow the Flame Failure Device (FFD) to activate.
4. Once the flame is stable, release the knob. If the flame extinguishes, repeat the process.
5. Adjust the flame intensity by rotating the knob between the maximum and minimum flame settings.

Using Dual Functionality Burners:

The brass burners offer dual flame functionality. When igniting, the full burner ignites with 3.0 kW power. For a lower, more flexible flame (2.5 kW), adjust the knob to the appropriate setting as indicated by the knob markings.

glass & Volve.**

Figure 6: Demonstrates the 'Lift & Lock' feature, allowing burners to be securely raised for convenient access during cooking or cleaning.

6. MAINTENANCE & CLEANING

Regular cleaning and maintenance will ensure the longevity and optimal performance of your hob.

General Cleaning:

- Always ensure the hob is cool and the gas supply is turned off before cleaning.
- **Glass Surface:** Use a soft cloth and a mild, non-abrasive cleaner specifically designed for glass surfaces. Avoid harsh chemicals or abrasive pads that can scratch the glass.
- **Cast Iron Pan Supports:** These can be removed and washed with warm soapy water. Dry thoroughly before placing them back on the hob.
- **Burners:** The liftable burners allow for easy access. Remove the burner caps and crowns. Clean them with warm soapy water and a soft brush. Ensure all burner parts are completely dry before reassembling. Clogged burner holes can affect flame quality.

Figure 7: The liftable burners simplify the cleaning process, allowing easy access to the hob's black glass surface.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions. If the problem persists, contact customer support.

Problem	Possible Cause	Solution
Burner does not ignite.	No gas supply, ignition electrode dirty, battery low/dead.	Check gas supply. Clean ignition electrode. Replace battery.
Flame is uneven or yellow.	Burner holes clogged, burner parts not correctly assembled.	Clean burner holes. Reassemble burner parts correctly.
Flame extinguishes after releasing knob.	Flame Failure Device (FFD) not activated, FFD faulty.	Hold knob down longer after ignition. Contact service if problem persists.
Gas smell detected.	Gas leak.	Immediately turn off gas supply, ventilate area, and contact emergency services/qualified technician.

8. SPECIFICATIONS

Feature	Specification
Brand	Faber
Model Number	106.0706.805
Product Name	Hob Magiclift HT753 BR CI AI
Type	Built-In Gas Hob
Size	75 cm Width
Heating Elements	3 Burners
Burner Power	2 x 3.0 kW, 1 x 2.5 kW
Burner Type	Brass, Liftable
Ignition Type	In-Built Auto Battery Operated
Safety Feature	Flame Failure Device (FFD)
Pan Support	Cast Iron
Control Type	Premium Knobs
Surface Material	8mm Toughened Matt Finish Black Glass
Installation Type	Drop-In
Item Dimensions (D x W x H)	38D x 75W x 13.5H Centimeters
Item Weight	14900 Grams

9. WARRANTY & SUPPORT

Warranty Information:

- **Comprehensive Warranty:** 2 Years
- **Extended Warranty:** 5 Years on Glass, Burners & Valves

Please retain your purchase receipt and warranty card for any warranty claims.
