## KOIOS HB-8803

# KOIOS Immersion Blender Instruction Manual

Model: HB-8803

## IMPORTANT SAFEGUARDS

Please read all instructions carefully before using your KOIOS Immersion Blender. Failure to follow these safeguards may result in injury or damage to the appliance.

- Always unplug the appliance from the power outlet before cleaning, assembling, or disassembling parts.
- Do not immerse the motor unit in water or other liquids. Only the detachable blending shaft, whisk, and frother attachments are washable.
- Keep hands, hair, clothing, and utensils away from moving parts during operation to prevent injury.
- Avoid contact with moving blades. Blades are sharp. Handle with care.
- This appliance is not intended for use by children. Close supervision is necessary when any appliance is used near children.
- Do not use the appliance for anything other than its intended use.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- Exercise caution when blending hot liquids.
- Ensure the appliance is placed on a stable, flat surface during operation.

## PRODUCT OVERVIEW

### Components

- Motor Unit (Main body with controls)
- Blending Shaft (with 4-tip stainless steel blade and anti-scratch guard)
- Whisk Attachment
- Milk Frother Attachment

### Key Features

- **1000W All-Copper Motor:** Provides powerful performance for crushing various foods.

- **304 Stainless Steel 4-Tip Blade:** Durable and efficient for blending.
- **Anti-Scratch Blade Guard:** Protects cookware from scratches during use.
- **12-Speed Adjustable Control:** Offers precise speed selection for different ingredients and textures.
- **Turbo Mode:** Maximizes blending speed for tough ingredients.
- **Easy to Clean & Non-BPA:** Detachable parts are washable, and all food-contact parts are BPA-free.
- **Ergonomic Handle & One-Key Release:** Designed for comfortable grip and easy attachment changes.

## ASSEMBLY

The KOIOS Immersion Blender features a one-key release system for easy assembly and disassembly of attachments.

1. To attach the blending shaft: Align the blending shaft with the motor unit and twist clockwise until it clicks securely into place.
2. To attach the whisk or milk frother: Insert the whisk or frother into its respective adapter (if applicable), then align the adapter with the motor unit and twist clockwise until it clicks securely into place.
3. To detach any attachment: Press the release buttons on the side of the motor unit and twist counter-clockwise to remove the attachment.

## OPERATING INSTRUCTIONS

## Speed Control

The blender features a 12-speed adjustable dial and a Turbo mode button for versatile blending.

- **Adjustable Speed Dial:** Rotate the dial on top of the motor unit to select speeds from 1 to 12. Lower speeds are suitable for liquid foods, while higher speeds are for solid foods.
- **Turbo Mode:** Press and hold the 'TURBO' button for maximum blending power to process tough ingredients quickly.

## Using Attachments

- **Blending Shaft:** Ideal for making milkshakes, soups, jams, and baby food. Insert the blending shaft into your ingredients and press the power button to begin.
- **Whisk Attachment:** Perfect for beating eggs, mixing creams, and preparing cake batter.
- **Milk Frother Attachment:** Use to froth milk for coffee, lattes, cappuccinos, and other beverages.

# 12 SPEED SETTINGS & TURBO BOOST

### Low speed

Suitable for Making Liquid Food

### High speed

Suitable for Making Solid Food

## CLEANING AND MAINTENANCE

Proper cleaning ensures the longevity and hygiene of your immersion blender.

- Always unplug the motor unit before cleaning.
- The motor unit should never be immersed in water or other liquids. Wipe it clean with a damp cloth.
- The blending shaft, whisk attachment, and milk frother are detachable and washable. They can be rinsed under running water or placed in a dishwasher.
- Ensure all parts are thoroughly dried before storing.

## TROUBLESHOOTING

If you encounter issues with your KOIOS Immersion Blender, please refer to the following common problems and solutions:

- **Appliance does not turn on:**

- Ensure the power cord is securely plugged into a working outlet.
- Check if the attachment is correctly assembled and clicked into place.

- **Poor blending performance:**

- Ensure you are using the appropriate speed setting for the ingredients.
- Do not overfill the container; blend in smaller batches if necessary.
- Ensure the blades are not obstructed by large, hard pieces of food.

- **Motor overheats:**

- Allow the appliance to cool down for at least 10-15 minutes before resuming use.
- Avoid continuous operation for extended periods; use in short bursts.

## SPECIFICATIONS

- **Brand:** KOIOS
- **Model Number:** HB-8803
- **Motor Power:** 1000W
- **Blade Material:** 304 Stainless Steel
- **Number of Speeds:** 12 + Turbo Mode
- **Voltage:** 127 Volts
- **Material Type Free:** BPA Free
- **Product Dimensions:** 2.7"D x 10.6"W x 9"H
- **Item Weight:** 2.16 pounds
