Multifunctional Ottoman

The included ottoman is designed for versatility and can be used in several ways:

- **Footrest:** Position it in front of the sofa to comfortably elevate your legs.
- **Additional Seating:** Provides an extra seat for guests.
- **Side Table:** When the cushion is removed, the ottoman can serve as a practical side table.
- **Storage Box:** The ottoman features internal storage, ideal for keeping cushions or other outdoor essentials tidy and protected. It can also be tucked under the two-seater sofa for space-saving storage when not in use.

MAINTENANCE

Cushion Care

The cushions are filled with elastic foam for comfort and feature removable covers with zippers for easy cleaning. It is recommended to machine wash the cushion covers on a gentle cycle with cold water and mild detergent. Air dry only; do not tumble dry. Ensure cushions are completely dry before re-attaching to prevent mold or mildew.

Rattan Frame Care

The polyrattan weave and metal frame are designed for outdoor use. To clean, wipe the rattan frame with a damp cloth and a mild soap solution. Rinse with clean water and dry thoroughly. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.

Weather Protection

While the polyrattan is sun-resistant and weather-resistant, it is advisable to protect the furniture from prolonged exposure to heavy rain, snow, or extreme weather conditions. Using a furniture cover when not in use, especially during off-seasons, will significantly extend its lifespan and maintain its appearance.
