Tcwhniev Mini Jet Blower Model A User Manual

Comprehensive instructions for safe and efficient use.

1. INTRODUCTION

Thank you for choosing the Tcwhniev Mini Jet Blower Model A. This powerful, handheld, cordless air blower is designed for various applications, from dust removal to quick drying tasks. Featuring a high-speed brushless motor and a 3000mAh rechargeable battery, it offers strong airflow and portability. Please read this manual thoroughly before operation to ensure safe and optimal performance.

2. SAFETY INSTRUCTIONS

- Always keep the blower away from water and moisture.
- Do not operate the blower near flammable liquids or gases.
- Keep hands, hair, and loose clothing away from the air inlet and outlet during operation.
- Do not point the blower directly at people or animals.
- Use only the provided charging cable and a compatible power adapter.
- Do not attempt to disassemble or modify the blower.
- Store the blower in a dry, cool place, out of reach of children.
- If the blower is damaged or malfunctions, discontinue use immediately and contact support.
