BOURGINI Air Fryer Pro 8L User Manual

Model: 18.4172.00.90

1. INTRODUCTION

Thank you for choosing the BOURGINI Air Fryer Pro 8L. This appliance is designed to provide a healthier way to cook your favorite meals with minimal oil. Featuring a compact design, an 8-liter capacity, and an innovative PFAS-free ceramic non-stick coating, it ensures both efficiency and safety in your kitchen. Please read this manual thoroughly before use to ensure proper operation and maintenance.

2. IMPORTANT SAFETY INSTRUCTIONS

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and injury.

- Read all instructions before use.
- Do not touch hot surfaces. Use handles or knobs.
- To protect against electric shock, do not immerse cord, plugs, or the main unit in water or other liquid.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been damaged in any manner.
- The use of accessory attachments not recommended by the appliance manufacturer may cause injuries.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter, or touch hot surfaces.
- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Extreme caution must be used when moving an appliance containing hot oil or other hot liquids.
- Always attach plug to appliance first, then plug cord into the wall outlet. To disconnect, turn any control to "off", then remove plug from wall outlet.
- Do not use appliance for other than intended use.

3. PRODUCT COMPONENTS AND FEATURES

Familiarize yourself with the parts of your BOURGINI Air Fryer Pro.

Image: A direct front view of the BOURGINI Air Fryer Pro, showing its digital control panel and the transparent viewing window of the cooking basket.

Key Features:

- **Compact Design:** Optimized dimensions (26 x 44 x 27 cm) for easy placement in any kitchen, offering 35% more capacity than standard air fryers.
- **8-Liter Capacity:** Large rectangular basket, ideal for cooking meals for 4 to 6 people.
- **PFAS-Free Ceramic Coating:** Advanced non-stick ceramic coating, free from harmful chemicals (PFAS, C6, PFHxA, PTFE, PFOA, BPA) for healthier cooking and easier cleaning.
- **SilentFry Technology:** Ensures powerful air circulation with minimal noise for a quiet cooking experience.

- **Digital Touch Control Panel:** Intuitive interface for easy operation.
- **Viewing Window:** Monitor cooking progress through the viewing window without opening the drawer, preserving heat and saving energy.

The image shows a BOURGINI Air Fryer Pro. The left side of the image features a red and green promotional graphic. The top half of the graphic is red with the BOURGINI logo at the top. Below the logo, the text "LA FREIDORA DE AIRE SIN TOXICOS" is displayed in large white letters. The bottom half of the graphic is green, containing the text "Materiales libres de PFAS y BPA para un hogar Libre de Tóxicos". To the right of this text is a green circular icon with a white leaf inside, and the words "PFAS-free" next to it. The right side of the image shows the air fryer itself, which is black with a silver handle and a digital control panel on top. The control panel has a digital display showing "07" and several buttons. The air fryer is sitting on a light-colored wooden surface.

4. SETUP AND FIRST USE

Unpacking:

1. Remove all packaging materials from the air fryer.
2. Check that all parts are present and undamaged.
3. Wipe the exterior of the appliance with a damp cloth.

Before First Use:

1. Wash the removable basket and grill rack with hot water, dish soap, and a non-abrasive sponge.
2. Rinse thoroughly and dry all parts.
3. Place the air fryer on a stable, heat-resistant surface, away from walls or other appliances to allow for proper air circulation.
4. Plug the power cord into a grounded wall outlet.

5. OPERATING INSTRUCTIONS

Control Panel Overview:

The BOURGINI Air Fryer Pro features an intuitive digital touch control panel.

Image: The BOURGINI Air Fryer Pro's digital control panel displaying various automatic cooking programs for different food types like fries, vegetables, meats, and fish.

Basic Operation:

1. Place the food in the air fryer basket. Do not overfill.
2. Slide the basket back into the air fryer until it clicks into place.
3. Press the power button to turn on the appliance.
4. **Using Preset Programs:** Select one of the 4 automatic programs (e.g., fries, vegetables, meat, fish) by touching the corresponding icon. The air fryer will automatically set the optimal time and temperature.
5. **Manual Settings:** Alternatively, use the temperature and time adjustment buttons to set your desired cooking parameters. The air fryer offers simplified temperature selection with common settings like 80°C, 160°C, 180°C, and 200°C.
6. Press the start button to begin cooking.
7. Monitor cooking progress through the viewing window without opening the basket.
8. When cooking is complete, the air fryer will beep. Carefully remove the basket using the handle.

6. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and extends the life of your air fryer. Always unplug the appliance and allow it to cool completely before cleaning.

Cleaning the Basket and Grill Rack:

The ceramic non-stick coating makes cleaning effortless.

1. Remove the basket and grill rack from the air fryer.
2. Wash them with hot water, dish soap, and a non-abrasive sponge. For stubborn residue, soak in warm soapy water for 10-15 minutes.
3. The basket and grill rack are dishwasher safe, but hand washing is recommended to preserve the non-stick coating.
4. Rinse thoroughly and dry completely before reassembling.

Cleaning the Exterior:

- Wipe the exterior of the air fryer with a damp cloth. Do not use abrasive cleaners or scouring pads.
- Clean the interior of the appliance with a damp cloth, ensuring no water enters the electrical components.

7. TROUBLESHOOTING

If you encounter any issues with your BOURGINI Air Fryer Pro, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Air fryer does not turn on.	Not plugged in; power outlet issue; basket not fully inserted.	Ensure the power cord is securely plugged into a working outlet. Make sure the basket is fully pushed into the unit until it clicks.
Food is not cooked evenly.	Basket is overcrowded; food not shaken/flipped.	Cook food in smaller batches. Shake or flip food halfway through cooking for even results.
White smoke coming from the appliance.	Grease residue from previous use; high-fat food.	Clean the basket and interior thoroughly. For high-fat foods, drain excess fat during cooking.
Food is not crispy.	Too much moisture; not enough oil (if desired).	Pat food dry before air frying. Lightly spray or toss with oil for extra crispiness.
