ODK B15090

ODK 137x140cm LED Gaming Desk User Manual

Model: B15090

1. PRODUCT OVERVIEW

The ODK 137x140cm LED Gaming Desk is an L-shaped desk designed for gaming and work environments. It features an integrated LED lighting system, a built-in power strip with USB ports, an adjustable monitor stand, and a reversible bookshelf for versatile storage. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use of your desk.

Key Features:

- **Professional Gaming Zone:** L-shaped design (137x140 cm) supports dual monitor setups and includes a dedicated PC gaming support.
- **Smart Lighting:** 16.7 million RGB LED colors with remote control, 10 dynamic modes, and 6 brightness levels. Features memory function for settings retention.
- **Ergonomic Workstation:** Fixed height of 74.2 cm, space-saving L-design, and adjustable monitor stand to reduce strain.
- **Professional Cable Management:** Integrated power strip with 2 AC outlets and 2 USB 3.0 ports. Cable channels and grommets for organization.
- **Multifunctional Storage:** 5-sided bookshelf supports monitors up to 23 inches. Reversible configuration (left/right) and maximum load capacity of 80 kg.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly Caution:** Exercise caution during assembly to prevent injuries. It is recommended to have two people for assembly.
- **Stability:** Ensure the desk is stable and properly anchored, especially when used to support heavy equipment.
- **Weight Limit:** Do not exceed the maximum load capacity of 80 kg for the desk surface and shelves.
- **Electrical Safety:** Only use the integrated power outlets and USB ports as intended. Do not overload the power strip. Ensure all electrical connections are secure.
- **Placement:** Place the desk on a level surface. Avoid placing it in direct sunlight or near heat sources.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly.

3. SETUP GUIDE

This section provides general guidelines for assembling your ODK Gaming Desk. Detailed, step-by-step instructions with numbered parts and diagrams are included in the product packaging. Please refer to those instructions for precise assembly.

3.1 Unpacking and Preparation

1. Carefully unpack all components and verify against the parts list provided in your assembly manual.
2. Lay out all parts on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches.
3. Ensure all screws and small parts are accounted for. Extra screws are often provided.

3.2 Assembly Steps

Follow the numbered steps in your included assembly manual. Key considerations:

- **Reversible Configuration:** The L-shaped desk and bookshelf can be assembled on either the left or right side to suit your space. Decide on your preferred orientation before starting.
- **Frame Assembly:** Begin by assembling the metal frame components. Ensure all connections are snug but do not overtighten until all parts are aligned.
- **Desktop Panels:** Attach the desktop panels to the frame.
- **Bookshelf Assembly:** Assemble the bookshelf unit separately and then attach it to the main desk frame as per instructions.
- **Monitor Stand:** Install the monitor stand. Note that some models offer adjustable height options.
- **Integrated Power Strip:** Carefully install the power strip into its designated slot on the desktop. Connect the power cable.
- **LED Strip:** Attach the LED strip to the underside of the monitor stand or desktop as indicated in the manual.
- **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System

The desk features an integrated RGB LED strip for ambient lighting. It is controlled via a remote control.

1. **Power On/Off:** Use the power button on the remote to turn the LED strip on or off.
2. **Color Selection:** Select from 16.7 million colors using the color palette on the remote.
3. **Dynamic Modes:** Choose from 10 dynamic lighting modes, including various flashing and fading effects.
4. **Brightness Adjustment:** Adjust the brightness level using the dedicated buttons (6 levels available).
5. **Memory Function:** The LED system retains your last settings even after power interruptions.

4.2 Integrated Power Outlets and USB Ports

The desk includes a built-in power strip for convenient access to power.

1. **AC Outlets:** The power strip provides 2 standard AC outlets (220-250V/15A). Plug in your monitors, PC, or other devices.
2. **USB Ports:** Two USB 3.0 ports (5V/2.1A) are available for charging smartphones, tablets, or powering USB accessories.
3. **Power Cable:** Ensure the 200cm power cable is securely plugged into a wall outlet.

4.3 Adjustable Monitor Stand

The monitor stand is designed to elevate your display to an ergonomic height.

- The monitor stand can be adjusted to different heights (e.g., 10cm, 13cm, 16cm) during assembly to suit your viewing preference. Refer to your assembly manual for specific adjustment steps.
- Place your monitor(s) directly on the stand. Ensure the weight does not exceed the stand's capacity.

5. MAINTENANCE

Proper care and maintenance will extend the lifespan of your ODK Gaming Desk.

- **Cleaning:** For routine cleaning, wipe the desk surfaces with a damp or dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the engineered wood finish.

- **Spills:** Immediately wipe up any spills to prevent moisture damage to the desktop.
- **Tighten Fasteners:** Periodically check and retighten all screws and fasteners to ensure the desk remains stable. This is especially important after initial assembly and a few weeks of use.
- **Cable Management:** Regularly check cable channels and grommets to ensure cables are not pinched or damaged.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your ODK Gaming Desk.

6.1 LED Lights Not Working

- **Check Power:** Ensure the desk's main power cable is securely plugged into a functional wall outlet.
- **Remote Battery:** Verify the remote control's battery is not depleted. Replace if necessary.
- **LED Connection:** Check that the LED strip is properly connected to its power source on the desk.
- **Remote Sensor:** Ensure there are no obstructions between the remote and the LED receiver.

6.2 Power Outlets/USB Ports Not Functioning

- **Main Power:** Confirm the desk's main power cable is plugged into a live wall outlet.
- **Circuit Breaker:** Check if the integrated power strip has a reset button (if applicable) or if a household circuit breaker has tripped.
- **Overload:** Ensure you are not overloading the power strip with too many high-power devices.
- **Device Check:** Test the device you are trying to power/charge with another outlet to rule out device malfunction.

6.3 Desk Instability

- **Level Surface:** Ensure the desk is placed on a flat, level surface.
- **Tighten Screws:** Re-tighten all assembly screws and bolts. Loose fasteners are a common cause of instability.
- **Leg Levelers:** Adjust any integrated leg levelers (if present) to compensate for uneven floors.

7. SPECIFICATIONS

Feature	Detail
Brand	ODK
Model	B15090
Color	Black
