Package Contents: Each package includes two (2) LOUTOC Universal Samsung Smart TV Remote Controls. Please note that batteries are not included.

2. SETUP

The LOUTOC Universal Samsung Smart TV Remote Control is designed for immediate use without the need for programming or pairing. Simply insert batteries to begin operation.

2.1 Battery Installation

1. **Open Battery Compartment:** Gently slide down the remote control cover located on the back of the remote.
2. **Identify Polarity:** Observe the positive (+) and negative (-) terminals inside the battery compartment.

3. **Insert Batteries:** Insert two (2) AA batteries, ensuring they align with the correct polarity markings. Incorrect battery insertion will prevent the remote from functioning.
4. **Close Battery Compartment:** Gently push the remote control cover upwards until it clicks into place, securing the batteries.

5. MAINTENANCE

Proper care will ensure the longevity and optimal performance of your remote control.

- **Cleaning:** Wipe the remote control with a soft, dry cloth. Avoid using liquid cleaners or abrasive materials, as these can damage the surface or internal components.
- **Battery Replacement:** Replace batteries when the remote's response becomes sluggish or it ceases to function. Always replace both batteries simultaneously with new AA batteries. Do not mix old and new batteries or different types of batteries.
- **Storage:** Store the remote in a dry place, away from direct sunlight, extreme temperatures, and high humidity.
- **Avoid Drops:** Protect the remote from physical impact, as drops can damage internal circuitry.

6. TROUBLESHOOTING

If you encounter issues with your LOUTOC Universal Samsung Smart TV Remote Control, refer to the following common solutions:

- **Remote Not Responding:**

- Ensure batteries are inserted correctly with the correct polarity (+/-).
- Replace old batteries with a fresh pair of AA batteries.
- Check for any obstructions between the remote control and the TV's infrared receiver.
- Ensure you are within the effective operating range (approximately 40 feet) and pointing the remote directly at the TV.

- **Buttons Not Working:**

- If specific buttons are unresponsive, try replacing the batteries.
- Clean the remote's surface, especially around the buttons, to remove any debris that might be causing sticking.

- **No Programming Required:** Remember that this remote is designed to work immediately with compatible Samsung Smart TVs without any programming steps. If it's not working, the issue is likely battery-related or an obstruction.
