

ODK ZJZ-DCZWJ

ODK L-Shaped Desk User Manual

Model: ZJZ-DCZWJ

1. INTRODUCTION

Thank you for choosing the ODK L-Shaped Desk. This desk is designed to provide a versatile and functional workspace, featuring integrated LED lighting, a monitor stand, and convenient power outlets. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new desk. Please read this manual thoroughly before assembly and use, and keep it for future reference.

2. SAFETY INSTRUCTIONS

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Do not overtighten screws during assembly.
- Place the desk on a level and stable surface to prevent tipping.
- Do not exceed the weight capacity of the desk or its shelves.
- Keep liquids away from electrical components (LEDs, power outlets) to prevent electric shock or damage.
- Unplug the desk from the power source before cleaning or moving.
- Keep small parts out of reach of children during assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the included assembly guide are present. The package typically includes:

- Desk panels (main desktop, L-shaped extension, monitor stand, shelves)
- Metal frame components
- Assembly hardware (screws, bolts, nuts, L-wrench)
- LED strip with remote control
- Integrated power outlet unit (2 AC outlets, 2 USB ports)
- Cable management clips
- Instruction manual (this document and a detailed assembly guide)

Note: The exact number and type of components may vary slightly based on the specific model and configuration.

4. ASSEMBLY AND SETUP

The ODK L-Shaped Desk is designed for straightforward assembly. It features a reversible design, allowing you to configure the L-shape to either the left or right side to best suit your space.

4.1. Pre-Assembly Checklist

- Clear a spacious area for assembly.
- Lay out all parts and hardware, comparing them against the parts list in the separate assembly guide.
- Have a Phillips head screwdriver and any other necessary tools ready (an L-wrench is usually included).

4.2. Assembly Steps

Refer to the detailed step-by-step assembly guide included in your package for precise instructions and diagrams. Key steps generally include:

1. Assemble the main desk frame.
2. Attach the desktop panels.
3. Assemble the shelving unit.
4. Connect the shelving unit to the main desk.
5. Install the monitor stand.
6. Install the integrated power outlet unit.
7. Attach the LED strip and connect its power.
8. Use the provided cable management clips to organize wires.
9. Adjust the leveling feet at the bottom of the desk to ensure stability on uneven floors.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The desk is equipped with an RGB LED strip to enhance your workspace ambiance. The LED strip is controlled via a remote control.

- **Power On/Off:** Use the power button on the remote to turn the LEDs on or off.
- **Color Selection:** Choose from 10 different color variants using the dedicated color buttons on the remote.
- **Lighting Modes:** Select from 10 dynamic lighting modes, including static colors, fades, and flashes, to suit your

preference.

- **Brightness Adjustment:** Adjust the brightness levels using the brightness control buttons.

5.2. Integrated Power Outlets

The desk includes a built-in power strip for convenient access to power for your devices.

- **AC Outlets:** Two (2) standard AC outlets (220-250V/15A) are provided for powering monitors, computers, or other electronics.
- **USB Ports:** Two (2) USB charging ports (5V/2.1A) are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cable:** The unit comes with a 200cm (approximately 6.5 feet) power cable for connection to a wall outlet.

6. MAINTENANCE

Proper care will extend the life and appearance of your ODK L-Shaped Desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the desk and shelves to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the surface.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.

- **Electrical Components:** Ensure the power outlets and LED strip remain dry and free of dust. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your ODK L-Shaped Desk.

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Uneven floor; loose screws; incorrect assembly.	Adjust the leveling feet at the bottom of the desk. Check and tighten all assembly screws. Review the assembly guide to ensure all steps were followed correctly.
LED lights are not working.	Power cable not connected; remote control battery dead; LED strip damaged.	Ensure the LED power cable is securely plugged into the desk's power unit and a wall outlet. Replace the remote control battery. If still not working, contact customer support.
Power outlets are not providing power.	Desk power cable not connected; circuit breaker tripped.	Ensure the desk's main power cable is securely plugged into a functional wall outlet. Check your home's circuit breaker. Test the outlet with another device.
Missing parts during assembly.	Packaging error.	Contact ODK customer support immediately with your purchase details and the specific missing parts. Do not attempt to assemble with missing components.

8. SPECIFICATIONS

Brand:	ODK
