Finnhomy Rolling Kitchen Island User Manual

Model: F23K11B7942

Brand: Finnhomy

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Finnhomy Rolling Kitchen Island. This versatile kitchen cart features a durable rubberwood top, ample storage, and mobile or stationary options to suit your needs.

IMPORTANT SAFETY INFORMATION

- **Weight Limit:** Do not exceed the recommended weight limit of 25 kilograms (55 pounds) on the countertop or shelves.
- **Stability:** Be cautious when adjusting shelves or moving the cart to prevent tipping. Ensure wheels are locked when the island is stationary.
- **Assembly:** Follow all assembly instructions carefully. It is recommended to have two people for assembly.

PRODUCT OVERVIEW AND COMPONENTS

Your Finnhomy Kitchen Island is designed for functionality and convenience. Key features include:

- **Thicken Rubberwood Top:** A robust 30mm thick countertop.
- **Drop Leaf Extension:** Provides additional workspace when needed.
- **Storage Drawers:** Two spacious drawers for utensils and smaller items.
- **Storage Cabinets:** Two large cabinets with adjustable shelves.
- **Spice Rack:** Convenient side-mounted rack for spices and bottles.
- **Towel Rack:** Side-mounted bar for kitchen towels.
- **Casters and Feet:** Option to use rolling wheels for mobility or stationary feet for stability.

Visual Components

ASSEMBLY

The assembly process for the Finnhomey Kitchen Island is designed to be straightforward, with clear, step-by-step instructions and labeled parts. While one person can manage, having two people will significantly ease the process, especially when handling larger components. All necessary hardware is included, with extra pieces provided for convenience.

Assembly Tips

- **Unpack and Verify:** Carefully unpack all components and verify against the parts list provided in your packaging.
- **Organize:** Lay out all hardware and panels in an organized manner to streamline the assembly.
- **Follow Steps:** Adhere strictly to the numbered steps in the provided assembly guide.
- **Tighten Securely:** Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.

SETUP

Your kitchen island offers flexibility in its setup:

Mobile Setup (with Casters)

To utilize the mobile functionality, attach the provided casters to the base of the island. Two of the casters are lockable, allowing you to secure the island in place when needed. This setup is ideal for easily moving the island around your kitchen or to other rooms.

Both Casters and feet includes for your choice of moveable cart or stationary island

Figure 3: Illustration of the interchangeable casters and feet for mobile or stationary use.

Stationary Setup (with Feet)

For a fixed installation, attach the stationary feet to the base. This provides a stable and permanent placement for your kitchen island.

Adjusting Shelves

The interior shelves within the cabinets are adjustable to three different positions. This allows you to customize the storage space to accommodate items of various sizes.

Shelf Height Adjustable

OPERATING INSTRUCTIONS

Using the Drop Leaf Countertop

The 30mm thick rubberwood countertop features a drop leaf extension. To extend the countertop, simply pull up the leaf until it clicks into place, supported by the iron support racks. This expands your work surface, making it suitable for dining or additional prep space. To lower, push the levers underneath the leaf and gently fold it down.

Utilizing Storage

- **Drawers:** The two large drawers are ideal for storing cutlery, napkins, and other small kitchen essentials. They slide smoothly for easy access.
- **Cabinets:** The two large storage cabinets with double doors provide ample space for small appliances, pots, pans, or cookbooks. Adjust the shelves as needed.
- **Spice Rack:** Use the side-mounted spice rack to keep frequently used spices and bottles within easy reach.
- **Towel Rack:** The side-mounted towel bar is perfect for hanging kitchen towels.

Spice Rack

Keep Spicy jars and bottles handy

MAINTENANCE

To ensure the longevity and appearance of your Finnhomey Kitchen Island, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the entire body and countertop with a dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any spills, especially on the rubberwood top, to prevent staining or warping.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Wood Care:** For the rubberwood top, consider applying a food-grade mineral oil periodically to maintain its luster and protect the wood.

TROUBLESHOOTING

If you encounter any issues with your Finnhomey Kitchen Island, please refer to the following common solutions:

Drawers or Doors Not Closing Smoothly

- Check for any obstructions within the drawer slides or cabinet hinges.

- Ensure all assembly screws are properly tightened. Loose screws can cause misalignment.
- Verify that the items stored inside are not interfering with the closing mechanism.

Island Instability (Wobbling)

- If using stationary feet, ensure they are all making firm contact with the floor. Adjust if necessary.
- If using casters, ensure the lockable wheels are engaged when the island is stationary.
- Recheck all main frame assembly connections for tightness.

Drop Leaf Not Locking in Place

- Ensure the support levers are fully extended and engaged.
- Check for any debris or obstruction preventing the leaf from fully extending or the support mechanism from locking.

For issues not covered here, please contact Finnhome customer support.
