## DECAKILA KMJB035

# DECAKILA KMJB035 Cordless Portable Blender User Manual

## 1. INTRODUCTION

---

Thank you for choosing the DECAKILA KMJB035 Cordless Portable Blender. This manual provides essential information for the safe and efficient operation, maintenance, and care of your new appliance. Please read these instructions thoroughly before first use and retain them for future reference.

## 2. IMPORTANT SAFETY INSTRUCTIONS

---

To reduce the risk of fire, electric shock, or injury, always follow these basic safety precautions:

- Read all instructions before operating the blender.
- Keep the appliance out of reach of children.
- Do not immerse the motor base, cord, or plug in water or other liquids.
- Exercise extreme caution when handling the sharp stainless steel blades. Always handle by the jar, not the blades.
- Ensure the lid is securely fastened before operating the blender.
- Do not operate the blender when the jar is empty.
- Do not overfill the blender jar beyond the maximum fill line (300ml).
- Avoid blending hot liquids, as pressure buildup can cause injury.
- Do not use the blender while it is charging.
- Only use the charging cable provided or a compatible charger.
- If the blender malfunctions, stops unexpectedly, or is damaged, discontinue use immediately and contact customer support.
- Dispose of the battery according to local regulations. Do not expose to fire or extreme temperatures.

## 3. PRODUCT OVERVIEW

---

Familiarize yourself with the components of your DECAKILA KMJB035 Cordless Portable Blender:

This image displays the DECAKILA KMJB035 Cordless Portable Blender. It features a grey motor base with the brand logo, a clear plastic jar filled with orange liquid, and an orange carrying strap attached to the lid.

- **Motor Base:** Contains the motor, battery, control button, and stainless steel blades.
- **Blender Jar:** Clear plastic container for ingredients (300ml capacity).
- **Lid:** Secures to the jar, preventing spills during blending.
- **USB Charging Port:** Located on the motor base for recharging the internal battery.

#### 4. SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Initial Cleaning:** Before first use, wash the blender jar and lid with warm, soapy water. Rinse thoroughly and

dry. Wipe the motor base with a damp cloth; **do not immerse the motor base in water.**

3. **Charge Battery:** Connect the charging cable to the USB port on the motor base and to a suitable USB power source. The indicator light will show charging status. Charge fully before first use (approximately 3-5 hours).

## 5. OPERATING INSTRUCTIONS

---

1. **Prepare Ingredients:** Cut fruits and vegetables into small pieces (approximately 1-2 cm) to ensure smooth blending and prevent blade obstruction.
2. **Add Ingredients:** Pour liquid ingredients (e.g., water, milk, juice) into the blender jar first, followed by solid ingredients. Do not exceed the 300ml maximum fill line.
3. **Assemble:** Securely screw the lid onto the blender jar, then screw the jar onto the motor base. Ensure all parts are tightly connected to activate the safety mechanism.
4. **Start Blending:** Double-click the power button located on the motor base to start the blending cycle. The blender features 2 speeds with pulse functionality.
5. **Auto Stop:** The blender will automatically stop after 40 seconds.
6. **Manual Stop:** To stop the blending cycle manually before 40 seconds, single-click the power button.
7. **Enjoy:** Unscrew the jar from the motor base, then remove the lid to pour and enjoy your blended beverage.

## 6. CLEANING AND MAINTENANCE

---

Regular cleaning ensures optimal performance and extends the life of your blender.

- **Disassemble:** After each use, unplug the blender (if charging) and separate the motor base, jar, and lid.
- **Wash Jar and Lid:** Wash the plastic jar and lid with warm, soapy water. Use a brush to clean any residue. Rinse thoroughly.
- **Clean Blades:** Carefully rinse the stainless steel blades under running water. Avoid direct contact with the sharp edges. For stubborn residue, you may add a small amount of water and a drop of dish soap to the jar, reattach the lid, and run a short blending cycle, then rinse.
- **Clean Motor Base:** Wipe the exterior of the motor base with a damp cloth. **Never immerse the motor base in water or any other liquid.**
- **Dry and Store:** Ensure all parts are completely dry before reassembling or storing the blender. Store in a cool, dry place.

## 7. TROUBLESHOOTING

---

If you encounter issues with your blender, refer to the following common problems and solutions:

- **Blender Not Starting:**
  - Ensure the battery is sufficiently charged.
  - Verify that the jar and lid are securely attached to the motor base. The blender has a safety mechanism that prevents operation if not properly assembled.
  - Double-click the power button to initiate blending.
- **Blender Stops Prematurely:**
  - Check if the battery level is low.
  - Ensure you have not overfilled the jar.
  - Hard or large ingredients may cause the motor to stall. Cut ingredients into smaller pieces.

- **Leaking During Operation:**

- Confirm that the lid is tightly screwed onto the jar and the jar is tightly screwed onto the motor base.
- Do not overfill the jar beyond the 300ml capacity.

## 8. SPECIFICATIONS

---

**Model:** KMJB035

**Brand:** DECAKILA

**Wattage:** 30W

**Voltage:** 3.7V

**Battery:** 1500mAh Lithium Ion (included)

**Capacity:** 300ml

**Blades:** Stainless Steel

**Control:** 2 Speeds with Pulse, Double Click Button

**Auto Stop:** 40 seconds

**Material:** Plastic (Jar), Stainless Steel (Blades)

**Dimensions:** 9D x 9W x 21.5H cm

**Weight:** Approximately 540g

## 9. WARRANTY AND SUPPORT

---

The DECAKILA KMJB035 Cordless Portable Blender comes with a **1-Year Warranty** from the date of purchase. This warranty covers manufacturing defects under normal use.

For warranty claims, technical support, or any questions regarding your product, please contact your retailer or the manufacturer's customer service department with your purchase details.
