HOMCOM DE850-288V00CG0431

HOMCOM Fabric Folding Wardrobe Instruction Manual

Model: DE850-288V00CG0431

1. PRODUCT OVERVIEW

The HOMCOM Fabric Folding Wardrobe provides a practical and versatile storage solution for clothing and other items. It features a sturdy steel frame, a non-woven fabric cover, a hanging bar, multiple shelves, and two fabric drawers. The zippered door protects contents from dust and can be rolled up and secured for easy access.

Image 1.1: Fully assembled HOMCOM Fabric Folding Wardrobe.

Key Features:

- **Hanging Bar:** For coats, dresses, and other garments.
- **Shelves:** Six shelves for folded clothes, towels, or bedding.

- **Fabric Drawers:** Two integrated folding fabric drawers for smaller items.
- **Zippered Cover:** Non-woven fabric cover with a zipper closure to protect contents from dust.
- **Roll-up Door:** The front door can be rolled up and secured with Velcro fasteners for convenient access.
- **Stable Construction:** Steel frame with plastic connectors for durability.

2. PACKAGE CONTENTS

Please verify that all components listed below are present in your package before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Fabric Wardrobe
- 1 x Instruction Manual

3. SAFETY INFORMATION

Read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 30 kg total, or 5 kg per shelf/hanging bar. Overloading can cause instability and damage.
- **Assembly:** Assemble the wardrobe on a flat, stable surface. Ensure all connections are secure before use.
- **Placement:** Place the wardrobe on a level floor. Avoid placing it in direct sunlight or near heat sources to prevent material degradation.
- **Children:** Keep small parts away from children during assembly. Do not allow children to climb on or play inside the wardrobe.
- **Stability:** Periodically check all connections to ensure they remain tight and secure.

4. ASSEMBLY INSTRUCTIONS

Assembly of this fabric wardrobe is designed to be straightforward. Follow these steps carefully.

1. **Unpack Components:** Carefully unpack all parts and lay them out on a clean, flat surface. Identify all poles, connectors, fabric shelves, and the outer cover.
2. **Assemble Base Frame:** Connect the shortest poles to the plastic connectors to form the base rectangle. Ensure all poles are fully inserted into the connectors.
3. **Build Vertical Structure:** Attach the longer vertical poles to the base connectors. Gradually build up the frame layer by layer, inserting fabric shelves as you go.
4. **Install Hanging Bar:** Insert the hanging bar into its designated connectors at the top section of the wardrobe. Ensure it is securely clipped into place.
5. **Attach Fabric Cover:** Carefully drape the non-woven fabric cover over the assembled frame. Ensure the cover is aligned correctly, with the zippers facing the front.
6. **Secure Cover:** Zip up the front door. Ensure the cover fits snugly around the entire frame.
7. **Insert Drawers:** Place the two folding fabric drawers into their designated compartments.

5. USAGE

This section describes how to effectively use your HOMCOM Fabric Folding Wardrobe for optimal storage.

- **Hanging Clothes:** Use the integrated hanging bar for garments that require hanging, such as shirts, jackets, or dresses.
- **Shelf Storage:** Utilize the six shelves for folded items like sweaters, jeans, linens, or storage boxes. Distribute weight evenly across shelves.
- **Fabric Drawers:** The two folding fabric drawers are ideal for smaller accessories, socks, underwear, or other personal items.
- **Accessing Contents:** To access the wardrobe, unzip the front door. For continuous access, the door can be rolled up and secured using the Velcro fasteners and loops.
- **Protecting Contents:** Keep the front door zipped closed when not in use to protect your clothes and items from dust and maintain a tidy appearance.

6. CARE AND MAINTENANCE

Proper care will extend the life of your fabric wardrobe.

- **Cleaning:** Wipe the fabric cover and frame with a dry cloth to remove dust. For minor stains, use a slightly damp cloth and mild soap, then wipe dry immediately. Do not use harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all pole connections and zippers for any signs of wear or damage. Tighten any loose connections.
- **Ventilation:** Ensure adequate air circulation around the wardrobe to prevent moisture buildup, especially if storing damp items.

7. TROUBLESHOOTING

If you encounter any issues with your wardrobe, refer to the following common solutions.

- **Wardrobe is Unstable:**
 - Ensure all poles are fully inserted into the plastic connectors.

- Verify the wardrobe is placed on a flat, level surface.
- Check that the weight is evenly distributed and not exceeding the capacity.
- **Zipper is Stuck or Damaged:**
 - Gently try to move the zipper pull back and forth. Avoid forcing it.
 - Ensure no fabric is caught in the zipper teeth.
 - If severely damaged, contact customer support for possible replacement parts.
- **Missing Parts:**
 - Double-check the packaging. If parts are genuinely missing, contact customer support with your purchase details.
