SETUP

Initial Charging

Before first use, fully charge your LELO SIRI 3 for 2 hours. Connect the provided USB charging cable to the charging port on the device and plug the other end into a USB power source (e.g., computer, USB wall adapter). The indicator light will show charging status.

The LELO SIRI 3 connected to its USB charging cable.

First Use Preparation

Clean the device thoroughly before its first use. Apply a water-based lubricant for optimal comfort and experience.

OPERATING INSTRUCTIONS

The LELO SIRI 3 features intuitive controls for easy operation.

- **To Turn On:** Press and hold the + button.
- **To Switch Between 8 Settings:** Press the ↑↓ buttons.
- **To Switch to Music Mode:** Press and hold the ↑↓ buttons for 3 seconds.
- **To Adjust Intensity:** In all modes, use the + and - buttons to increase or decrease vibration intensity.
- **To Turn Off:** Press and hold the + and the - buttons simultaneously.

SoundSense Technology

In Music Mode, the SIRI 3 utilizes SoundSense Technology to respond to external sounds. This includes music, voices, or other ambient sounds, transforming them into unique vibration patterns. For best results, ensure the device is near the sound source.

MAINTENANCE

Cleaning

The LELO SIRI 3 is fully waterproof (IPX7 certified), making cleaning simple. Wash the device with warm water and a mild, antibacterial soap. Rinse thoroughly and pat dry with a lint-free cloth. Avoid using cleaners containing alcohol, petroleum, or acetone, as these can damage the silicone material.

Storage

Store your LELO SIRI 3 in the provided satin pouch in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid storing it with other toys made of different materials to prevent potential damage or reactions.

TROUBLESHOOTING

If you encounter any issues with your LELO SIRI 3, please refer to the following common solutions:

- **Device Not Turning On:** Ensure the device is fully charged. Connect it to the USB charging cable and allow it to charge for at least 2 hours.
- **Buttons Unresponsive:** Press the buttons firmly and ensure your fingers are positioned correctly. If unresponsive, try fully charging the device.
- **Music Mode Not Working Effectively:** Ensure the device is close to the sound source and the volume is adequate. Some complex audio patterns may not translate as expected.
- **Reduced Battery Life:** Battery performance can decrease over time. Ensure you are charging the device for the recommended 2 hours. If the issue persists, contact LELO support.

If these steps do not resolve the issue, please contact LELO Customer Support for further assistance.
