SALORA SLV-3505 GTV

Salora 127 cm (50 inches) QLED 4K Ultra HD Smart Google TV Instruction Manual

Model: SLV-3505 GTV

1. INTRODUCTION AND OVERVIEW

This manual provides essential information for the safe and efficient operation of your Salora 127 cm (50 inches) QLED 4K Ultra HD Smart Google TV, model SLV-3505 GTV. Please read this manual thoroughly before using the television and retain it for future reference.

The Salora SLV-3505 GTV offers a premium viewing experience with its 50-inch QLED display, delivering 4K Ultra HD resolution (3840 x 2160) and a 178-degree wide viewing angle. It features a 60Hz refresh rate for smooth visuals and vibrant colors. Audio is enhanced by powerful 20W high-fidelity speakers with Dolby Audio technology. As a Smart TV powered by Google, it provides an intuitive interface, personalized content recommendations, watchlists, and dedicated Kids Profiles. Built-in Chromecast and Google Assistant voice control offer convenient access to a vast library of over 700,000 movies and TV shows.

2. WHAT'S IN THE BOX

Upon unpacking, please ensure all the following components are present:

- 1 x Salora 127 cm (50 inches) QLED 4K Ultra HD Smart Google TV (Main Unit)
- 1 x Remote Control
- 1 x Wallmount Bracket
- 1 x User Manual
- 2 x AAA Batteries
- 4 x Screws (for stand or wallmount installation)

3. SETUP INSTRUCTIONS

3.1 Stand Installation or Wall Mounting

Your television can be placed on a flat surface using the included base stands or mounted on a wall using the provided wallmount bracket. Ensure the television is placed on a stable surface or securely mounted to a wall according to the instructions provided with the wallmount kit.

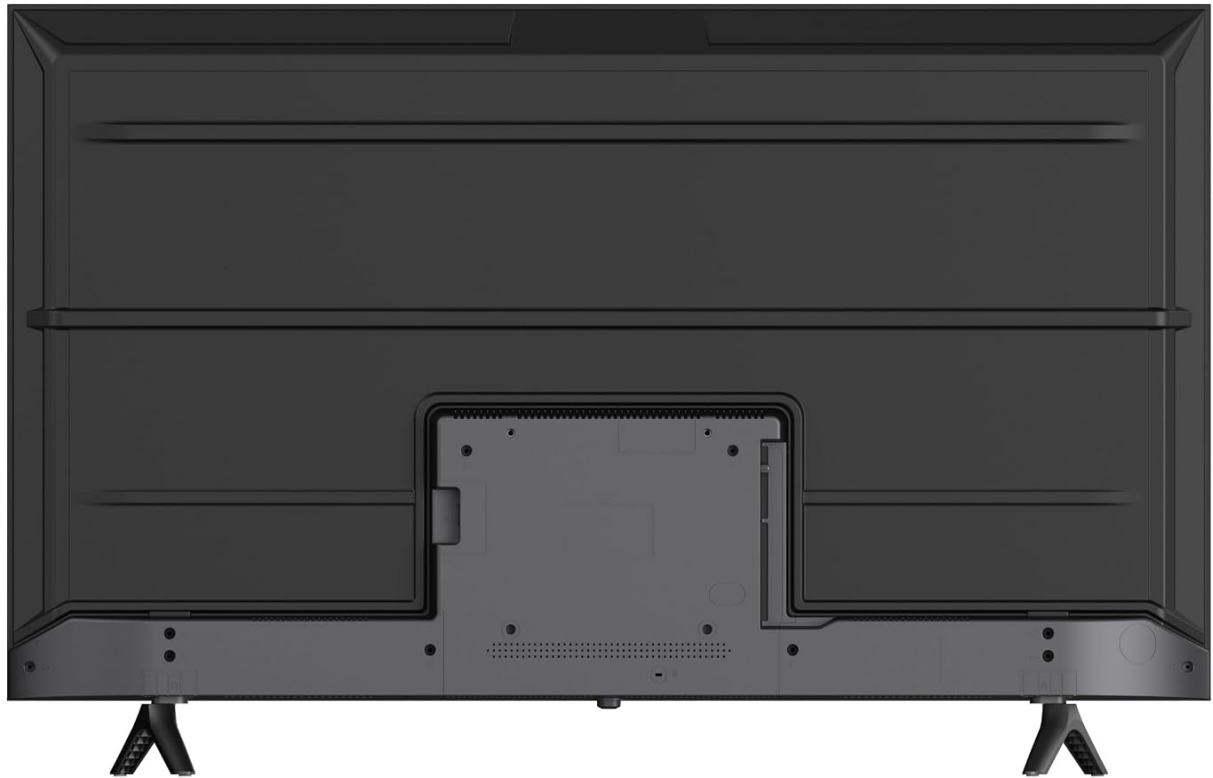

Figure 3.1: Rear view of the television, illustrating VESA mounting points and port locations for setup.

3.2 Connecting Power and External Devices

1. Insert the AAA batteries into the remote control, observing polarity.
2. Connect the power cord to the TV and then to a power outlet.
3. Connect your antenna, cable box, or other external devices (e.g., Blu-ray player, gaming console) to the appropriate ports on the TV. Refer to Section 5 for detailed connectivity options.

3.3 Initial Power-On and Google TV Setup

1. Press the power button on the remote control or the TV to turn it on.
2. Follow the on-screen instructions to complete the initial setup, including language selection, network connection

(Wi-Fi), and Google account sign-in.

3. The Google TV interface will guide you through personalizing your viewing experience.

4. OPERATING INSTRUCTIONS

4.1 Remote Control Functions

The voice-enabled smart remote control allows for effortless navigation and control. It features dedicated hotkeys for quick access to popular streaming applications.

- **Power Button:** Turns the TV on or off.
- **Voice Search Button:** Activates Google Assistant for voice commands.
- **Navigation Pad:** Used to move through menus and select options.
- **Volume Buttons:** Adjusts the audio volume.
- **Channel Buttons:** Changes TV channels.
- **Hotkeys:** Direct access to Netflix, Prime Video, and YouTube.

6.2 Dolby Audio

Experience immersive sound with the powerful 20W high-fidelity speakers, complemented by Dolby Audio technology. This ensures clear dialogue, rich bass, and an overall exceptional audio experience.

Figure 6.2: An image illustrating the benefits of Dolby Vision, showcasing improved contrast, brightness, and nuanced colors for an outstanding visual experience.

7. TROUBLESHOOTING

If you encounter any issues with your television, please refer to the following general troubleshooting tips:

- **No Power:** Ensure the power cord is securely connected to both the TV and the power outlet. Check if the power outlet is functioning.
- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections (HDMI, AV, antenna).
- **Remote Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Network Connectivity Issues:** Restart your Wi-Fi router. Check the TV's network settings to ensure it's connected to the correct network. Try a wired (LAN) connection if Wi-Fi issues persist.
- **App Not Responding:** Try closing and reopening the application. If the issue persists, restart the TV.

For more detailed troubleshooting or persistent issues, please consult the online support resources or contact customer service.
