2.2 Attaching Your iPad

1. Carefully align your iPad Pro 13-inch with the protective back case.
2. Gently press the iPad into the case until it securely snaps into place. The magnetic design ensures a firm hold.
3. Ensure the camera cutouts and port openings align correctly with your iPad.

Image: A hand attaching an iPad to the magnetic back case of the ESR Ascend Keyboard Case, demonstrating the secure fit.

2.3 Bluetooth Pairing

1. Turn on the keyboard using the power switch, usually located on the side or top edge of the keyboard.

2. On your iPad, go to **Settings** > **Bluetooth**.

3. Ensure Bluetooth is toggled **On**.

4. The iPad will search for nearby Bluetooth devices. Select "**ESR Keyboard**" from the list of "Other Devices".

5. If prompted, confirm the pairing code on both your iPad and the keyboard.

6. Once connected, the keyboard is ready for use.

3. OPERATING INSTRUCTIONS

3.1 Adjustable Stand & Viewing Modes

The case features a fully adjustable stand, allowing you to find the optimal viewing angle for any task. It supports both portrait and landscape orientations.

- **Landscape Mode**: Position the iPad horizontally for typing, browsing, or watching videos. The stand offers a 15°-180° range of adjustment.
- **Portrait Mode**: Detach the iPad from the keyboard base and reattach it vertically to the magnetic stand for document editing or reading.

landscape mode and browsing in portrait mode.

3.2 Using the Keyboard

- **Backlit Keys**: The keyboard features customizable backlit keys with 7 colors and 3 brightness levels. Press **Fn + Enter** to change colors and **Fn + Right Shift** to adjust brightness.
- **Shortcut Keys**: Utilize the full row of function keys for quick access to iPadOS features.

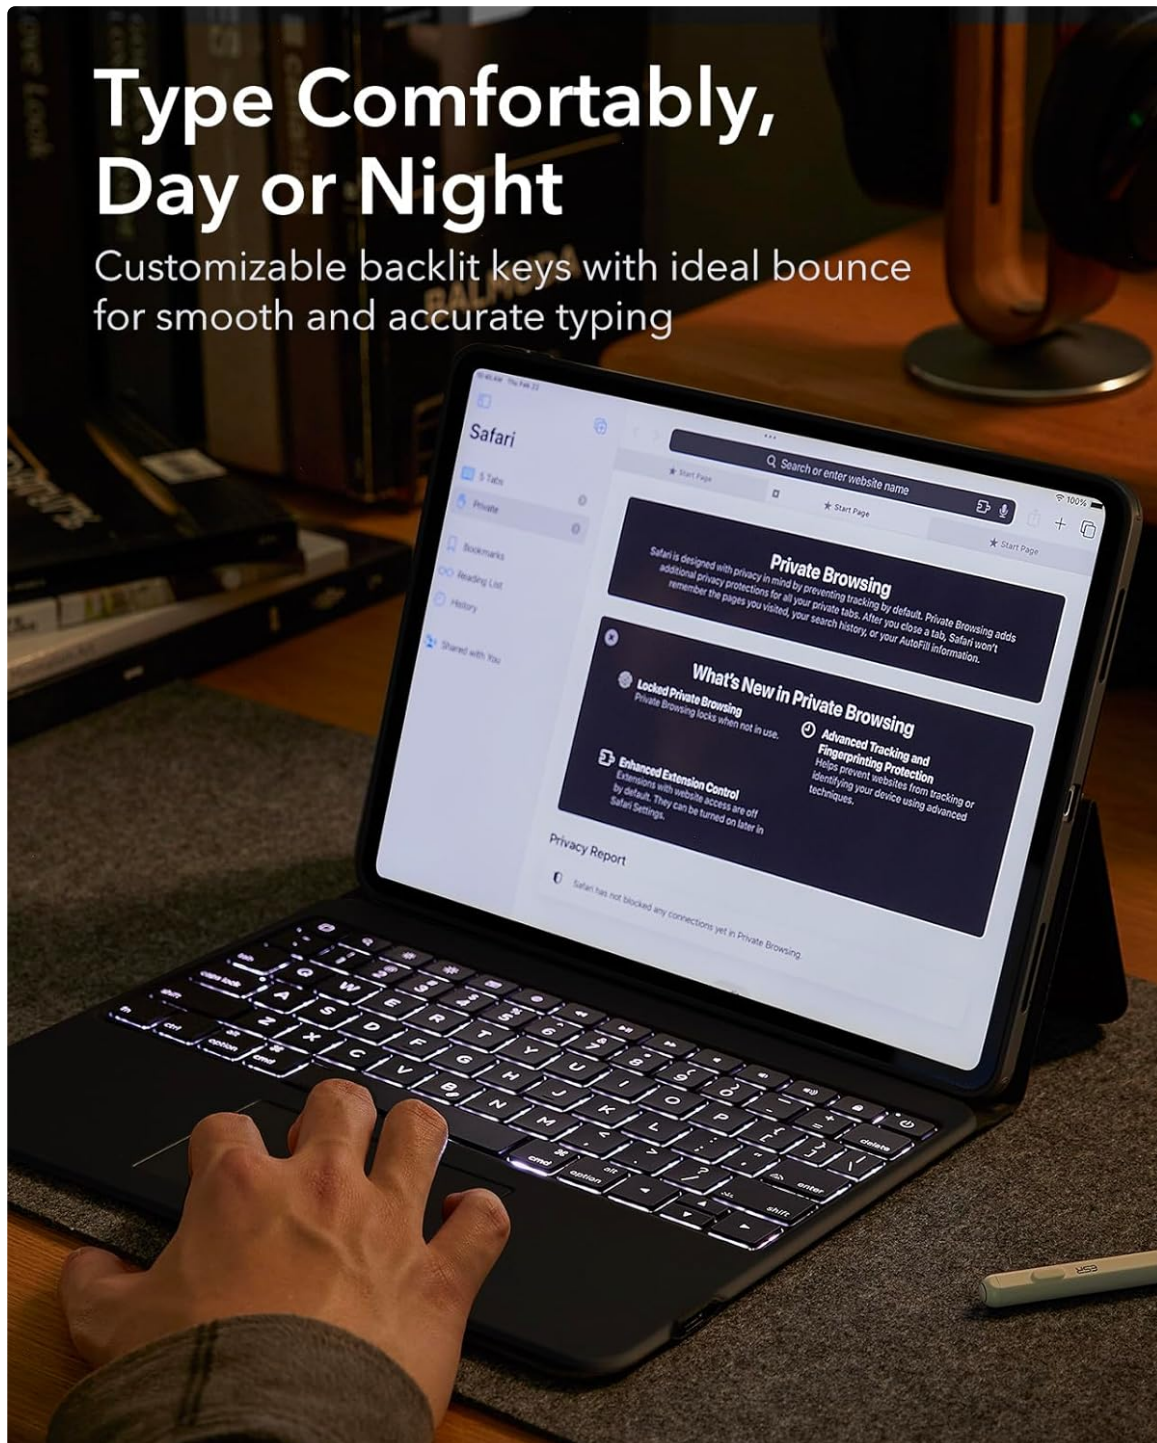

Image: The keyboard's backlit keys are shown in use, providing visibility for typing in various lighting conditions.

3.3 Multi-Touch Trackpad

The precision multi-touch trackpad supports various iPadOS gestures for enhanced productivity. Ensure your iPadOS is version 13.4 or later for full functionality.

- **Click**: Single tap or press.
- **Scroll**: Two-finger swipe up or down.

- **Zoom**: Pinch with two fingers.
- **Go Home**: Swipe up with three fingers.

4. MAINTENANCE

- **Cleaning**: Use a soft, damp cloth to wipe down the keyboard and case. Avoid harsh chemicals or abrasive materials.
- **Charging**: Charge the keyboard using the provided USB-C cable. A full charge provides approximately 1 year of standby time, 3 months of daytime use (backlit keys off), or 1 week of nighttime use (backlit keys on for 2 hours a day).

Image: Illustrates the extended battery life of the ESR Ascend Keyboard Case, with estimates for standby, daytime, and nighttime usage.

5. TROUBLESHOOTING

- **Keyboard not connecting**: Ensure the keyboard is powered on and Bluetooth is enabled on your iPad. Re-attempt the pairing process.

- **Trackpad not responding**: Verify your iPadOS version is 13.4 or later. Try toggling Bluetooth off and on, then reconnecting the keyboard.

- **Incorrect size/fit issues**: Double-check your iPad model number against the compatibility list in Section 1. If the case does not fit, it may be the wrong model for your device.
