## WHAT'S IN THE BOX

Verify that all components are present upon unboxing:

- 1 Main Unit (Salora SLV-3555 QGTV Television)
- 1 Remote Control
- 1 Wallmount Kit
- 1 User Manual (this document)
- 2 AAA Batteries (for remote control)

## SAFETY INFORMATION

Observe the following safety precautions to prevent damage and ensure safe operation:

- Do not expose the television to rain or moisture.
- Ensure proper ventilation around the television.

- Avoid placing the television near heat sources or in direct sunlight.
- Use only the power cord supplied with the television.
- Do not open the television casing; refer all servicing to qualified personnel.
- Keep batteries out of reach of children.

## PHYSICAL SETUP

### Mounting Options

Your Salora SLV-3555 QGTV can be set up using either the included table-top stands or a wall mount. Follow the instructions provided with the respective mounting hardware.

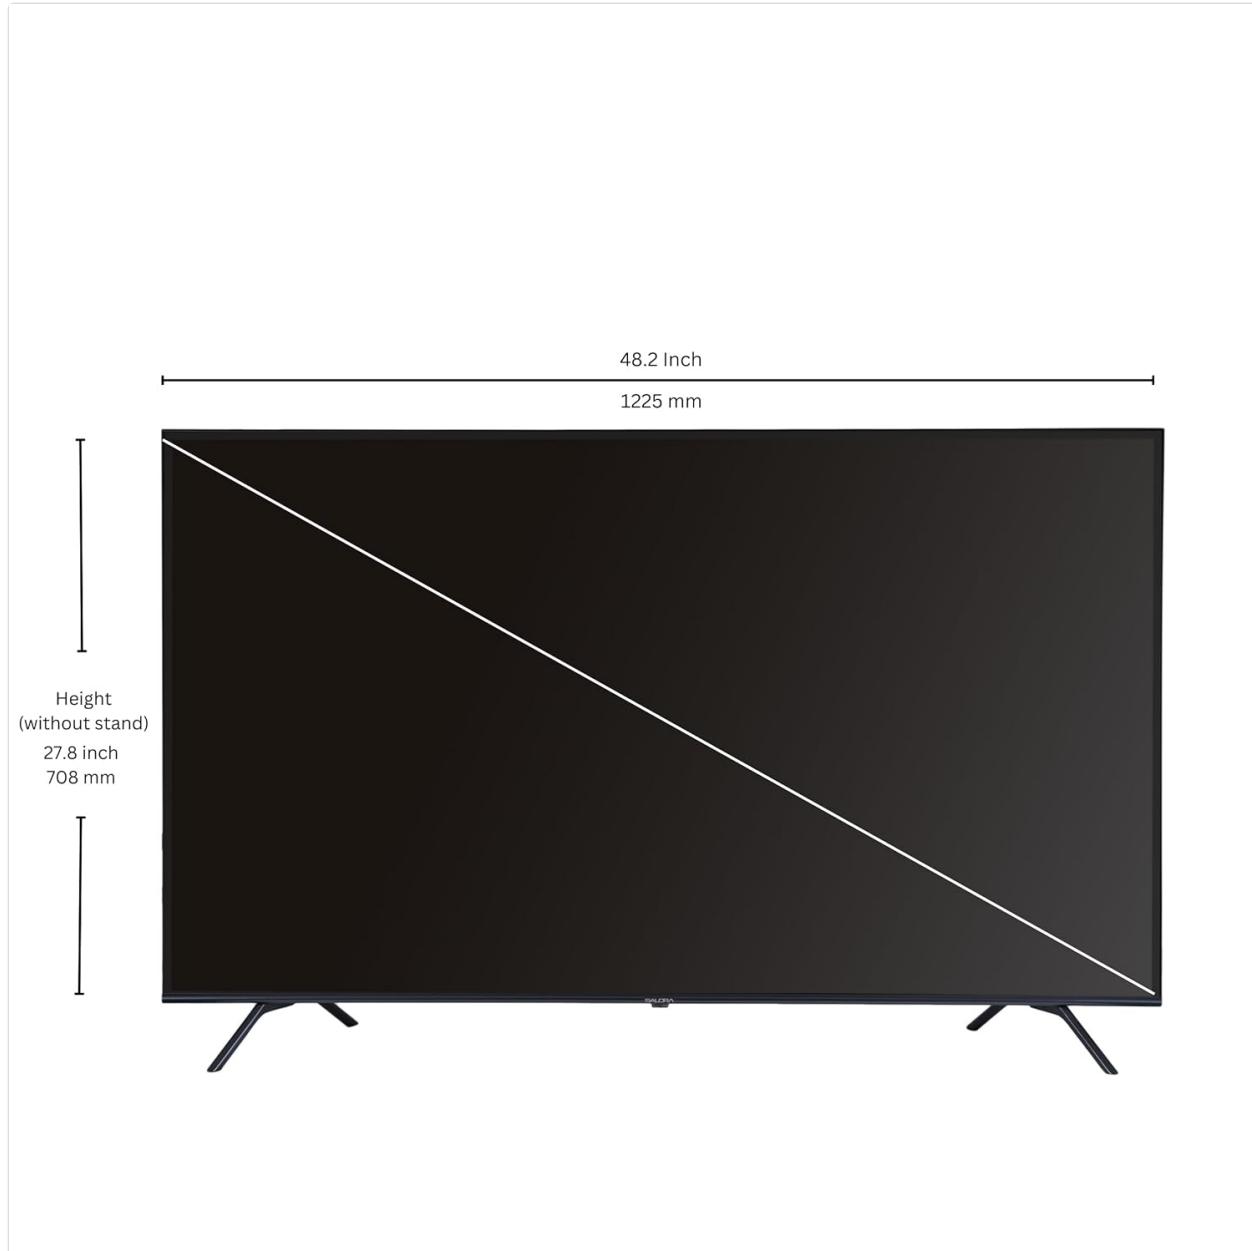

Figure 2: Television dimensions for installation planning.

### Connecting Peripherals

Connect your external devices to the appropriate ports on the rear of the television. The TV features multiple HDMI and USB ports, along with other connectivity options.

Figure 3: Rear view illustrating port locations.

## Power Connection

After connecting all necessary cables, plug the power cord into the television and then into a suitable AC power outlet (220 Volts AC).

## INITIAL SETUP AND CONFIGURATION

---

### Powering On

Press the power button on the remote control or on the television itself to turn on the device.

### Remote Control Pairing

Insert the two AAA batteries into the remote control. If the remote does not respond, follow the on-screen instructions or refer to the remote control guide for pairing via Bluetooth.

## OPERATING YOUR TV

### Basic TV Functions

- **Power:** Press the power button on the remote to turn the TV on or off.
- **Volume:** Use the Volume Up/Down buttons on the remote.
- **Input:** Press the Input button to select connected devices (HDMI 1, HDMI 2, USB, etc.).
- **Navigation:** Use the directional pad and OK button on the remote to navigate menus.

### Using Google Assistant and Voice Control

Press the Google Assistant button on your remote and speak into the microphone to control your TV, search for content, or ask questions. The voice control remote allows for hands-free operation.

### Accessing Applications

The Google TV interface provides access to a wide range of streaming applications. Use the dedicated hotkeys on the remote for quick access to Netflix, Prime Video, and YouTube. Other applications can be

downloaded from the Google Play Store.

## Connecting External Devices

The television is equipped with multiple ports for connecting various devices:

- **HDMI Ports (x3):** For set-top boxes, Blu-ray players, gaming consoles, and personal computers.
- **USB 2.0 Ports (x2):** For external storage devices to play supported media formats like MP3.
- **Bluetooth:** For connecting wireless headphones or other Bluetooth-enabled audio devices.
- **Wi-Fi:** For internet connectivity and streaming.

## MAINTENANCE

### Cleaning the Television

- **Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, use a screen-specific cleaning solution applied to the cloth, not directly to the screen.
- **Body:** Wipe the television's frame and stand with a soft, dry cloth. Avoid using abrasive cleaners or

solvents.

- **Before Cleaning:** Always unplug the television from the power outlet before cleaning.

## Software Updates

Your Salora Smart Google TV may receive periodic software updates to improve performance and add new features. Ensure your TV is connected to the internet to receive these updates. You can usually check for updates in the TV's settings menu.

## TROUBLESHOOTING

If you encounter issues with your television, refer to the following common problems and solutions:

- **No Power:**

- Check if the power cord is securely plugged into both the TV and the wall outlet.
- Verify the power outlet is functional by plugging in another device.
- Try pressing the power button on the TV itself, not just the remote.

- **No Picture, But Sound is Present:**

- Ensure the correct input source is selected (e.g., HDMI 1, HDMI 2).
- Check the cable connections between the TV and the external device.
- Restart the external device.

- **No Sound:**

- Increase the volume.
- Check if the TV is muted.
- Verify audio cable connections for external devices.
- If using external speakers, ensure they are powered on and correctly connected.

- **Remote Control Not Responding:**

- Replace the batteries in the remote control.
- Ensure there are no obstructions between the remote and the TV's IR sensor.
- Re-pair the Bluetooth remote if necessary (refer to initial setup).

- **Network Connection Issues:**

- Restart your Wi-Fi router.
- Check Wi-Fi password and ensure it is entered correctly.
- Move the TV closer to the router or consider a wired Ethernet connection if available.

For issues not covered here, please contact customer support.
