vidaXL 3204927

vidaXL Electric Massage Recliner Chair - Model 3204927

User Instruction Manual

WELCOME

Thank you for choosing the vidaXL Electric Massage Recliner Chair. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new recliner. Please read it thoroughly before use and retain it for future reference.

SAFETY INFORMATION

Please observe all safety instructions provided in this user manual. Ensure the product is correctly assembled and used according to these guidelines. Pay close attention to the maximum load capacity of 110 kg (242 lbs). Only use the electrical functions after carefully reading and understanding all instructions related to electrical operation.

SETUP: ASSEMBLY INSTRUCTIONS

Assembly is required for this recliner chair. Please follow the steps below carefully. It is recommended to have two people for assembly to ensure safety and ease.

1. Unpack all components and verify against the parts list (not provided in this document, refer to packaging).
2. Attach the backrest to the seat base, ensuring all connection points are securely fastened.
3. Connect the footrest mechanism to the main frame.
4. Securely attach the legs to the base of the chair.
5. Connect all electrical cables for the reclining and massage functions as indicated in the separate wiring diagram (not provided in this document, refer to packaging).
6. Ensure all screws and bolts are tightened before use.

OPERATING INSTRUCTIONS

Electric Reclining Function

The recliner is equipped with an electric motor for automatic adjustment of the backrest and footrest. To recline, press the button located on the side of the chair. The chair can recline up to a maximum of 135 degrees. To return to the upright position, press the button again. This function allows you to find your preferred position for optimal comfort.

Massage Function

The chair features a 6-point vibration massage function. Use the included remote control to select different massage programs, intensity levels, and positions. The massage function is powered via a USB connector, which requires a certified 5V USB power source (not supplied).

- **Intensity Levels:** Choose from 3 levels of intensity.
- **Massage Positions:** Select from 3 different massage positions.
- **Massage Modes:** Utilize 5 distinct massage modes for varied experiences.

MAINTENANCE

Care and Cleaning

The recliner is upholstered in microfiber fabric, known for its durability and ease of maintenance. For general cleaning, spot clean any spills or stains immediately. For a more thorough cleaning, the fabric can be machine washed at 30 °C. Always ensure the fabric is completely dry before reassembly or use.

TROUBLESHOOTING

If you encounter any issues with your recliner, please refer to the following common troubleshooting steps:

- Reclining Function Not Working:** Check if the power adapter is securely plugged into both the chair and a working wall outlet. Ensure all electrical connections within the chair are firm.
- Massage Function Not Activating:** Verify that the USB power source for the massage function is connected and providing 5V DC. Check the remote control batteries if applicable (remote control power source not specified, assume wired or internal).
- Unusual Noises:** Inspect the chair for any loose components or obstructions in the reclining mechanism. Tighten any loose screws.
- Stability Issues:** Ensure the chair is placed on a flat, stable surface and that all legs are securely attached and level.

If problems persist after attempting these steps, please contact customer support.

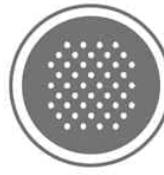

SPECIFICATIONS

Feature	Detail
Brand	vidaXL
Model Number	3204927
