ZOMBIES CAT TF-T1001

Transformers TF-T10 True in-Ear Wireless Earbuds User Manual

Model: TF-T1001 | Brand: ZOMBIES CAT

INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your Transformers TF-T10 True in-Ear Wireless Earbuds. Designed for an immersive audio experience, these earbuds feature Bluetooth 5.4 connectivity, active noise cancellation, and IPX5 water resistance, making them suitable for various activities including gaming and daily use.

PACKAGE CONTENTS

Upon unboxing your Transformers TF-T10 earbuds, please ensure all the following items are present:

- Transformers TF-T10 True in-Ear Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- Multiple Sizes of Earpieces (Small, Medium, Large)
- User Manual (This document)

SETUP

1. Charging the Earbuds and Case

Before initial use, fully charge the earbuds and their charging case.

1. Connect the provided USB-C charging cable to the charging port located at the back of the case.
2. Plug the other end of the cable into a compatible USB power source (e.g., wall adapter, computer USB port).
3. The indicator lights on the case will show the charging status. Ensure the earbuds are placed inside the case for them to charge.

One-step Pairing By Bluetooth 5.4

Connected immediately when you open the charging case after first pairing

2. Selecting the Right Earpieces

For optimal sound quality and comfort, select the earpiece size that best fits your ears. The package includes small, medium, and large sizes. A snug fit helps with noise cancellation and audio performance.

OPERATING INSTRUCTIONS

Power On/Off

The earbuds automatically power on when you open the charging case. They power off when placed back into the case and the lid is closed.

Bluetooth Pairing

The TF-T10 earbuds feature auto-pairing.

1. Open the charging case. The earbuds will enter pairing mode, indicated by a "pairing" voice prompt.
2. On your device (smartphone, tablet, gaming console), navigate to the Bluetooth settings.
3. Select "TF-T10" from the list of available devices to connect.
4. Once successfully paired for the first time, the earbuds will automatically connect to the last paired device when removed from the case.

Touch Controls

The TF-T10 earbuds feature touch-sensitive controls on the upper part of the earbud stem. Ensure you are tapping the correct area for functionality.

EARBUDS WIRELESS BLUETOOTH

Switch to Game Mode	Hold for ~2 seconds	Right
Activate Voice Assistant	Hold for ~2 seconds	Left

Function	Action	Earbud
Answer/End Call	Double-tap	Either
Reject Call	Hold	Either

MAINTENANCE

The Transformers TF-T10 earbuds are designed with **IPX5 water resistance**. This means they are protected against low-pressure water jets from any direction, making them suitable for use during workouts or in light rain. However, they are not designed for submersion in water.

To clean your earbuds, gently wipe them with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

TROUBLESHOOTING

If you encounter any issues with your TF-T10 earbuds, please refer to the following common solutions:

- **No Sound/Connection Issues:** Ensure the earbuds are charged and Bluetooth is enabled on your device. Try unpairing and re-pairing "TF-T10" from your device's Bluetooth settings.
- **Earbuds Not Powering On:** Place the earbuds back into the charging case and close the lid, then open it again. Ensure the case itself has sufficient charge.
- **Touch Controls Not Responding:** Ensure you are touching the correct area on the earbud (the upper part of the stem). Clean the touch surface if necessary.
- **Poor Sound Quality:** Check that the earpieces are properly seated in your ears and that you have selected the correct size for a snug fit. Ensure there are no obstructions between the earbuds and your device.

For persistent issues, consult the official ZOMBIES CAT support channels.
