DORTALA Twin Loft Bed with Slide (B0CT5M7T5H)

DORTALA Twin Loft Bed with Slide Instruction Manual

Model: Twin Loft Bed with Slide (B0CT5M7T5H)

IMPORTANT SAFETY INFORMATION

This section contains critical safety guidelines for the proper use and maintenance of your DORTALA Twin Loft Bed with Slide. Adherence to these instructions is essential for user safety.

- Always supervise children when using the slide.
- Be cautious of the height of the loft bed to prevent falls.
- Ensure all bolts and screws are securely tightened before initial use and regularly check them for tightness.
- Do not allow more than one child on the slide at a time.
- Ensure the bed is placed on a level and stable surface.
- The maximum weight capacity for this bed is 330 lbs. Do not exceed this limit.
- Only use a twin-size mattress that fits snugly within the bed frame to prevent gaps.
- Do not attach or hang items on any part of the bed that are not designed for use with the bed, such as ropes, belts, or other items that could pose a strangulation hazard.

PRODUCT OVERVIEW

The DORTALA Twin Loft Bed with Slide is designed to provide an elevated sleeping area and an engaging play feature for children. Constructed from high-strength, rustproof steel, this bed ensures stability and durability. It includes integrated safety guardrails and a 3-step ladder for secure access, along with a fun slide for exiting the bed. The raised design creates additional floor space underneath, suitable for storage, a play area, or other activities.

The DORTALA Twin Loft Bed with Slide provides an elevated sleeping area and an integrated slide for play. Constructed from durable metal, it includes safety guardrails and a 3-step ladder.

The elevated design of the loft bed creates significant space underneath, suitable for storage, a play area, or additional furniture.

COMPONENTS LIST

Before beginning assembly, please ensure all components listed below are present and undamaged. Refer to the detailed parts list in the separate assembly instruction manual provided with your product for specific part numbers and quantities.

- Loft Bed Frame (Steel sections)
- Slide with Handrails
- 3-Step Integrated Ladder
- Protective Guardrails
- Slatted Bed Base
- Assembly Hardware (various bolts, nuts, washers, Allen wrench)
- Instruction Manual (this document and detailed assembly guide)

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the DORTALA Twin Loft Bed with Slide requires two adults. Please follow the step-by-step instructions and diagrams provided in the separate assembly manual included in your package. Ensure all parts are correctly oriented and securely fastened.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the provided components list and hardware diagram in the assembly manual.
2. **Assemble Main Frame:** Begin by assembling the main steel bed frame structure according to the diagrams. Do not fully tighten bolts until instructed.
3. **Attach Guardrails:** Securely attach the protective guardrails to the bed frame.
4. **Install Ladder:** Mount the 3-step integrated ladder to the designated side of the bed frame.
5. **Attach Slide:** Connect the slide to the bed frame, ensuring the handrails are properly aligned and secured.
6. **Final Tightening:** Once all components are in place, systematically tighten all bolts and screws using the provided tools. Do not overtighten.
7. **Safety Check:** Perform a thorough safety check to ensure all connections are secure and the bed is stable before use.

The integrated 3-step ladder provides access to the bed, while the slide offers an engaging exit. Ensure both are securely attached during assembly.

OPERATING INSTRUCTIONS

Proper operation ensures the safety and longevity of your DORTALA Twin Loft Bed with Slide.

- **Bed Usage:**

- Only use a twin-size mattress that fits snugly within the bed frame.
- Do not jump on the bed.
- Ensure guardrails are always in place when the bed is in use.

- **Slide Usage:**

- Always slide down feet first, in a sitting position.
- Ensure the area at the bottom of the slide is clear of obstructions and other children before use.
- Supervise children during all slide use.
- Do not climb up the slide. Use the ladder for access to the bed.

Bring children sweet dreams

12" Protective Bedrails

Safety Slide Handrails

Round & Sleek Corners

The bed features 12-inch protective bedrails and safety slide handrails, designed to enhance user safety during both sleep and play.

MAINTENANCE

Regular maintenance will help preserve the condition and safety of your loft bed.

- **Cleaning:** Wipe down the metal frame with a soft, damp cloth and a mild, non-abrasive cleaning solution. Avoid harsh chemicals or abrasive scrubbers that could damage the finish.
- **Inspection:** Periodically (e.g., monthly) check all bolts, screws, and connections for tightness. Retighten any loose fasteners to ensure structural integrity.
- **Damage:** If any part of the bed frame, slide, or ladder becomes damaged, discontinue use immediately. Do not attempt to repair damaged components yourself. Contact DORTALA customer support for replacement parts or professional advice.

TROUBLESHOOTING

This section addresses common issues you might encounter with your loft bed.

- **Bed feels wobbly or unstable:**
 - Check all assembly bolts and screws. Ensure they are fully tightened according to the assembly instructions.
 - Verify that the bed is placed on a level and stable floor surface.
- **Slide or ladder feels loose:**
 - Ensure the attachment points for the slide and ladder are correctly aligned and all fasteners are

securely tightened.

- **Missing parts during assembly:**

- Carefully review the components list in your assembly manual. If parts are genuinely missing, contact DORTALA customer support with your product model and a description of the missing items.

- **Squeaking noises:**

- Inspect all connection points and re-tighten any loose bolts. A small amount of lubricant (e.g., silicone spray) can be applied to metal-on-metal contact points if squeaking persists, avoiding contact with the mattress.
