

COGO 4585

COGO Fairytale Dream Castle Building Block Set

Model: 4585

Brand: COGO

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling and maintaining your COGO Fairytale Dream Castle Building Block Set. This set contains 740 pieces designed to create an enchanting castle structure. Please read all instructions carefully before beginning assembly.

Safety Warning

Caution: Choking Hazard - Small Parts. This product is not suitable for children under 3 years of age due to small components that may present a choking hazard. Recommended age for assembly and play is 6-10 years.

2. PACKAGE CONTENTS

Verify that all components are present before starting assembly. The package should contain the following items:

- 740 Building Pieces
- 3 Mini-dolls
- Instruction Manual (this document)
- Sticker Sheet
- Brick Separator (for easier disassembly)

3. SETUP AND ASSEMBLY

Follow these steps to assemble your Fairytale Dream Castle:

1. **Preparation:** Clear a large, well-lit workspace. Open all bags containing building pieces and sort them by color or type to facilitate easier identification during assembly.
2. **Follow Instructions Sequentially:** Refer to the provided instruction booklet. Each step illustrates the pieces required and their placement. Pay close attention to the orientation of pieces.
3. **Connecting Pieces:** Building blocks are designed to fit snugly. Apply firm, even pressure to snap pieces together. If a piece is difficult to connect, ensure it is correctly aligned.
4. **Stud Counting:** Some instructions may require counting studs for accurate placement. Carefully count the studs on the base and connecting pieces to ensure correct alignment.
5. **Base Construction:** Begin by assembling the base structure as shown in the initial steps of the manual. This

provides a stable foundation for the castle.

6. **Vertical Construction:** Build upwards, adding walls, towers, and decorative elements. Some sections may require rotation of the main structure to access different sides for building.
7. **Delicate Connections:** Certain elements, such as the stairs, may have fewer connection points. Handle these sections with care during and after assembly to prevent accidental detachment.
8. **Sticker Application:** Apply stickers as indicated in the instruction manual to add decorative details to your castle.

4. OPERATING AND PLAY

Once assembled, the Fairytale Dream Castle provides a rich environment for imaginative play. The set includes:

- **Castle Structure:** Features multiple towers, balconies, a grand entrance, and interior rooms.
- **Mini-dolls:** Use the included mini-dolls to inhabit the castle and create various scenarios.

- **Decorative Elements:** Flowers, flags, and other details enhance the fairytale theme.
- **Interactive Features:** Explore the different levels and areas of the castle.

The set is compatible with other leading building block brands, allowing for expanded creative opportunities and integration with existing collections.

5. MAINTENANCE

Cleaning

To clean the building blocks, gently wipe them with a damp cloth. For more thorough cleaning, blocks can be washed with mild soap and water. Ensure all pieces are completely dry before storing to prevent damage.

Storage

Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures. Keeping the pieces in their original box or a dedicated storage container will help prevent loss and damage.

6. TROUBLESHOOTING

- **Missing Pieces:** Carefully re-check all packaging and the assembly area. If pieces are genuinely missing, contact COGO customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned. Apply firm, steady pressure. If a piece consistently resists connection, verify it is the correct piece for that step.
- **Structure Instability:** Review previous steps to ensure all connections are secure and pieces are placed according to the instructions. Loose connections can lead to instability.
- **Stairs Detaching:** The stairs may have a less robust connection. Handle the castle with care, especially around these areas. Reattach if they come loose.

7. SPECIFICATIONS

Feature	Detail
Model Number	4585
Product Dimensions (Assembled)	Approximately 49.5 x 7 x 35 cm (19.5 x 2.8 x 13.8 inches)
Weight	1.2 kg
Number of Pieces	740
Material	Plastic
Colour	Pink
Recommended Age	6 - 10 years
Educational Objective	Critical Thinking
Compatibility	Compatible with other leading building block brands
