SETUP

Setting up your Margaritaville Maui Portable Frozen Drink Machine is straightforward:

1. **Unlock and Separate Components:** Ensure the device is unlocked by sliding the handle mechanism. Carefully separate the top blending unit from the main pitcher.
2. **Add Ice:** Place ice into the designated ice reservoir located in the upper section of the blending unit.
3. **Add Ingredients:** Pour your desired liquid ingredients (mixers, fruit juices, etc.) into the main pitcher. Ensure ingredients do not exceed the 'MAX' fill line.
4. **Reassemble and Lock:** Carefully place the blending unit back onto the pitcher, aligning the components. Slide the handle mechanism back into the locked position to secure the unit.

OPERATING INSTRUCTIONS

Operating the Margaritaville Maui Portable Frozen Drink Machine is simple and designed for convenience:

1. **Initiate Blending:** With the unit assembled and locked, press the power button located on the top of the unit. The machine will automatically begin the blending cycle, first shaving the ice and then mixing it with the liquid ingredients.
2. **Observe Ice Shaving:** The ice is shaved from the upper compartment and falls into the lower pitcher for blending. This process ensures a smooth, resort-quality consistency.
3. **Automatic Shut-off:** The machine is programmed to run for an optimal duration to achieve the perfect blend and will automatically shut off once complete.
4. **Serving:** Once blending is complete, unlock the unit and carefully pour your freshly made frozen drink into a glass.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Margaritaville Maui Portable Frozen Drink Machine:

- **Cleaning:** The machine is designed for easy cleaning. After each use, disassemble the unit. Wash the pitcher and the ice reservoir/blending unit with warm, soapy water. Rinse thoroughly and allow to air dry.
- **Charging:** Recharge the unit via USB. A full charge takes less than an hour and provides power for over 20 drink cycles.
- **Storage:** Store the unit in a clean, dry place when not in use.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Margaritaville Maui Portable Frozen Drink Machine:

- **Unit Not Turning On:**
 - Ensure the unit is fully charged.
 - Verify that the blending unit is correctly assembled and locked onto the pitcher. The safety mechanism prevents operation if not properly secured.
- **Ice Not Shaving Properly:**
 - Ensure ice cubes are not too large for the ice reservoir.
 - Check for any obstructions in the ice shaving mechanism.
- **Drink Consistency is Too Thin/Thick:**
 - Adjust the ratio of ice to liquid ingredients for desired consistency.
 - For thicker drinks, ensure sufficient ice is used.
