Modway EEI-6629-GRY-WHI

Modway Tahoe Aluminum Modular Left-Facing Outdoor Patio Loveseat

Model: EEI-6629-GRY-WHI

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe operation, and proper maintenance of your Modway Tahoe Aluminum Modular Left-Facing Outdoor Patio Loveseat. Please read this guide thoroughly before assembly and retain it for future reference. This loveseat is designed for outdoor use, featuring a durable powder-coated aluminum frame and weather-resistant cushions.

2. SAFETY INFORMATION

- Keep the loveseat away from open flames or high heat sources to prevent damage or fire hazards.
- Supervise children and pets around the furniture to avoid entrapment risks or injury.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten hardware as needed.
- Do not exceed the maximum weight capacity of 661 pounds.
- Place the loveseat on a flat, stable surface to prevent tipping.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Left-Facing Loveseat Frame Components (Powder-Coated Aluminum)
- Seat Cushions (Weather-Resistant Fabric)
- Back Cushions (Weather-Resistant Fabric)
- Assembly Hardware (Bolts, Washers, Allen Wrench)
- Non-Marking Foot Glides

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. All necessary tools are included. It is recommended to assemble the loveseat on a soft, clean surface to prevent scratching.

1. Unpack all components and lay them out on a protected surface.
2. Attach the frame sections together using the provided hardware. Ensure all bolts are finger-tightened initially.
3. Once all frame sections are connected, use the included Allen wrench to fully tighten all bolts. Do not overtighten.
4. Attach the non-marking foot glides to the bottom of the loveseat frame.
5. Place the seat and back cushions onto the assembled frame.

Figure 4.1: Loveseat dimensions for reference during assembly. The loveseat measures 57.5 inches wide, 33 inches high, and 31.5 inches deep.

Figure 4.2: Fully assembled Modway Tahoe Left-Facing Outdoor Patio Loveseat.

5. USAGE GUIDELINES

The Modway Tahoe Loveseat is designed for outdoor use. It provides comfortable seating for two individuals.

- Position the loveseat in your desired outdoor area, ensuring it is on a stable and level surface.
- Avoid dragging the furniture to prevent damage to the frame or flooring; lift and move it instead.
- The weather-resistant cushions are suitable for outdoor conditions but should be stored indoors during prolonged periods of harsh weather or when not in use to extend their lifespan.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your loveseat.

- **Frame Care:** Clean the powder-coated aluminum frame with a soft cloth and mild soap and water. Rinse thoroughly and dry completely to prevent water spots. Avoid abrasive cleaners or harsh chemicals.

- **Cushion Care:** The cushions feature removable covers. Spot clean with a mild detergent and water. For deeper cleaning, remove covers and hand wash or machine wash on a gentle cycle with cold water. Air dry only; do not tumble dry. Ensure cushions are completely dry before re-installing or storing to prevent mildew.
- **Weather Protection:** While weather-resistant, covering the loveseat during heavy rain, snow, or extreme temperatures is recommended to protect the materials and extend product life.
- **Hardware:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten as necessary.

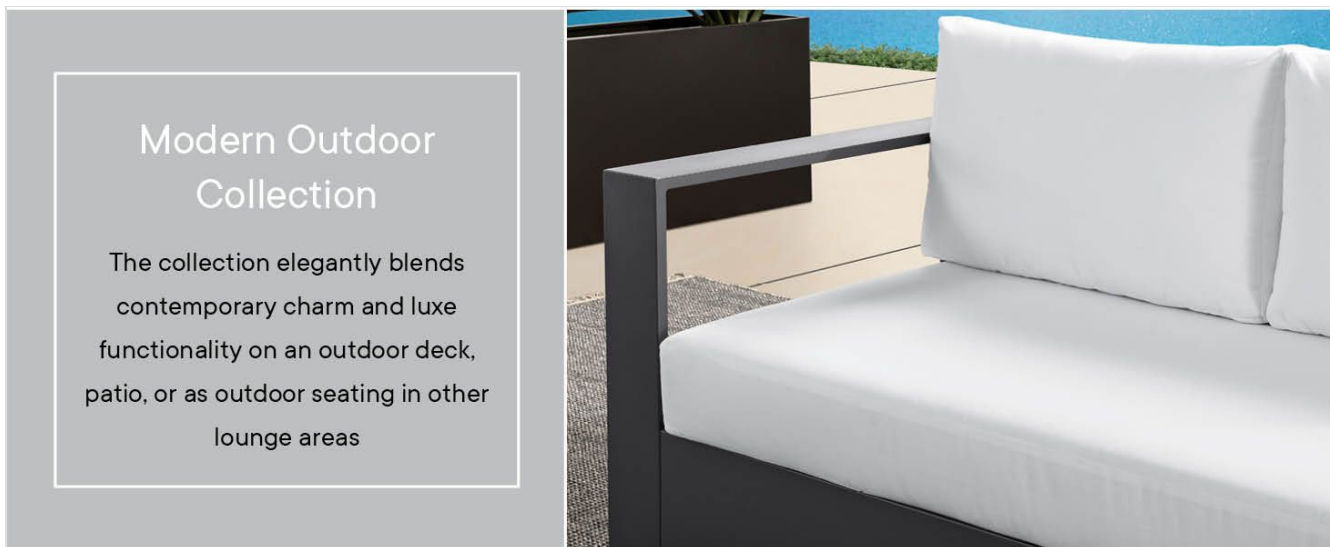

Figure 6.1: Overview of key features including the powder-coated aluminum frame, weather-resistant fabric covers, and non-marking foot glides, all contributing to easy maintenance.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Wobbling Loveseat:** If the loveseat feels unstable, check that it is placed on a level surface. Verify all assembly bolts are securely tightened. Adjust foot glides if applicable.
- **Cushion Discoloration/Mildew:** Ensure cushions are kept dry. If discoloration or mildew occurs, clean immediately following the cushion care instructions in Section 6. Store cushions indoors during extended periods of non-use or inclement weather.
- **Loose Hardware:** Periodically inspect and tighten all bolts and screws to maintain structural integrity.

8. SPECIFICATIONS

Brand	Modway
Model Number	E EI-6629-GRY-WHI
UPC	889654281399
Product Dimensions (D x W x H)	31.5" x 57.5" x 25"
Item Weight	66 Pounds
