Giantex GT2*10224DK-JZ

Giantex 5-Tier Folding Industrial Metal Bookshelf with Wheels

Model: GT2*10224DK-JZ

INTRODUCTION

Thank you for choosing the Giantex 5-Tier Folding Industrial Metal Bookshelf with Wheels. This manual provides essential information for the safe and efficient use of your new shelving unit. Please read these instructions carefully before setup and retain them for future reference.

Dimension

Image: Dimensions of the 5-tier bookshelf in both expanded (30"W x 14"D x 60"H) and folded (14"D x 3"W x 60"H) states.

SAFETY INFORMATION

- **Anti-Toppling Device:** Always mount the shelf to the wall using the provided anti-toppling device to prevent accidental tipping and ensure stability.
- **Weight Capacity:** Do not exceed the total weight capacity of 220 lbs (approximately 44 lbs per shelf) to prevent structural damage or tipping. Distribute weight evenly across shelves.
- **Stable Surface:** Ensure the shelving unit is placed on a flat, stable, and level surface.
- **Children and Pets:** Keep children and pets away from the unit during assembly and ensure it is securely installed before use.

Anti-Toppling Design

Adds extra steadiness and security

Image: Detail of the anti-toppling device, illustrating how it secures the bookshelf to the wall for enhanced safety.

PACKAGE CONTENTS

Please check to ensure all components are present before beginning setup:

- 2 x Foldable 5-Tier Shelving Units
- 1 x User Manual
- Anti-toppling device (pre-attached or included separately)
- 4 x Rolling Casters (2 lockable, 2 rotatable)

SETUP INSTRUCTIONS

This bookshelf is designed for quick and easy setup with no complex assembly required.

1. Unfolding the Unit

1. Carefully remove the shelving unit from its packaging.
2. Place the folded frame on a flat surface.
3. Gently pull the sides of the frame outwards until the unit is fully expanded. Ensure all locking mechanisms (if any) click into place.

Quick Folding Function

Removable Shelves

Folding Device

Image: Visual guide demonstrating the simple unfolding process of the bookshelf from its compact, folded state to its fully expanded form.

2. Installing Wheels

The unit comes with 4 rolling casters. Screw each wheel into the designated holes at the bottom of the frame. Two of the wheels are lockable; it is recommended to install these on the same side for easier access.

3. Securing with Anti-Topping Device

For maximum safety, especially in homes with children or in earthquake-prone areas, secure the bookshelf to a wall using the anti-topping device. Follow the instructions provided with the device for proper installation.

OPERATING INSTRUCTIONS

Adjusting Shelf Height

The shelves are adjustable to 13 different positions, with a distance of 4.3 inches between each adjustment point. To adjust a shelf:

1. Empty the shelf of all items.
2. Carefully lift the shelf to detach it from its current position.
3. Re-position the shelf onto the desired support bars, ensuring it is level and securely seated on both sides.

Adjustable Shelf for Flexible Storage

13 Positions

Using the Wheels

- **Moving the Unit:** Unlock the two lockable wheels by flipping their levers. The four rotatable wheels allow for easy movement of the shelving unit.
- **Securing the Unit:** Once the unit is in the desired location, engage the brakes on the two lockable wheels to prevent unintended movement.
- **Stationary Use:** For a completely stationary setup, all wheels can be detached, allowing the unit to rest directly on its frame.

Free Combination for Versatility

The 5-tier storage shelf can be configured in various ways to suit your needs. It can be used as a single 5-tier unit, or separated into a 2-tier and a 3-tier shelf. You can also combine multiple units to create a larger storage solution.

Free Combination

MAINTENANCE

To maintain the appearance and longevity of your Giantex bookshelf:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all connections and the anti-toppling device to ensure they remain secure.
- **Environmental Conditions:** Avoid prolonged exposure to direct sunlight or excessive moisture to prevent material degradation.

TROUBLESHOOTING

- **Unit is Unstable:**
 - Ensure the unit is on a level surface.
 - Verify all shelves are properly seated on their support bars.
 - Confirm the anti-toppling device is securely installed to the wall.
 - Check that the lockable wheels are engaged if you intend for the unit to be stationary.

- **Difficulty Moving Unit:**

- Ensure the brakes on the lockable wheels are disengaged.
- Check for any obstructions around the wheels.

- **Shelves Not Adjusting:**

- Ensure the shelf is completely empty before attempting to adjust its height.
- Verify that the shelf is being lifted and re-seated correctly onto the support bars.

SPECIFICATIONS

Model Name:	GT2*10224DK-JZ
Brand:	Giantex
Number of Tiers:	5
Product Dimensions (Unfolded):	30"W x 14"D x 60"H
