## SAFETY INFORMATION

---

For your safety and to prevent damage to the product, please adhere to the following guidelines:

- Always follow the assembly instructions carefully.
- Secure the nightstand to the wall using the anti-tip device to prevent tipping, especially in households with children or pets.
- Do not overload the drawers or shelves beyond their specified weight limits.
- Keep the nightstand away from heat sources.
- Avoid placing heavy objects on the top surface that exceed its capacity.

## SETUP AND ASSEMBLY

---

The WLIVE Nightstand is designed for straightforward assembly. Please follow the step-by-step diagrams provided in the included assembly guide. A screwdriver is recommended for assembly.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part by matching it with the labels in the assembly guide.
3. Assemble the metal frame using the provided hardware. Ensure all connections are secure.
4. Attach the particle board shelves to the frame.
5. Install the fabric drawers into their designated slots.
6. Secure the X-shaped rods to the back of the frame for enhanced stability.
7. Adjust the 360° adjustable feet to level the nightstand on uneven surfaces.
8. Install the anti-tip device to the wall and the nightstand as per the instructions to prevent accidental tipping.
9. Connect the RGB LED light strip and charging station power cord to a suitable power outlet.

## MAINTENANCE

To maintain the appearance and longevity of your WLIVE Nightstand, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, which may damage the finish.
- **Fabric Drawers:** The fabric drawers are breathable and easy to maintain. Spot clean with a damp cloth and mild detergent if necessary, then air dry. Do not machine wash.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

If you encounter any issues with your nightstand, please refer to the following common troubleshooting steps:

- **LED Lights Not Working:**

- Ensure the power cord for the LED lights is securely plugged into a working electrical outlet.
- Check if the light strip connection to the nightstand's power source is firm.
- Verify that the power outlet itself is functional by plugging in another device.

- **Charging Station Not Providing Power:**

- Confirm the main power cord of the nightstand is fully plugged into a live wall outlet.
- Test the outlet with another appliance to ensure it has power.
- Ensure the devices you are trying to charge are properly connected to the USB ports or AC outlets.
- Avoid overloading the charging station; check the power requirements of your devices.

- **Nightstand Wobbles:**

- Adjust the 360° adjustable feet at the bottom of the nightstand to level it on uneven floors.
- Ensure all assembly screws and bolts are tightened securely.
- Verify that the X-shaped rods are correctly installed and tightened.

- **Drawers Do Not Slide Smoothly:**

- Ensure the fabric drawers are fully expanded and correctly inserted into their respective slots.
- Check for any obstructions within the drawer slots.
- Verify that the nightstand frame is assembled squarely and not warped.

If these steps do not resolve the issue, please contact WLIVE customer support for further assistance.
