> WLIVE Night Stand with Charger Station, White Nightstand with LED Light and 4 Storage Drawers, Tall Dresser for Bedroom, 37.48" H Bedside Table with Fabric Bins, Wood Shelf White 1 - User Manual

## WLIVE ACTG003WXF

# WLIVE Night Stand with Charger Station

MODEL: ACTG003WXF

Brand: WLIVE

## 1. INTRODUCTION

Thank you for choosing the WLIVE Night Stand with Charger Station. This versatile furniture piece is designed to enhance your bedroom or living space with its functional features, including RGB LED lighting, integrated charging capabilities, and ample storage. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new nightstand.

## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Device:** An anti-tip device is provided for added safety. It is highly recommended to install this device, especially in households with children or pets, to prevent the nightstand from tipping over.
- **Weight Capacity:** Do not exceed the maximum weight capacity for the top and open shelves (22 lbs) and drawers (5.5 lbs). Overloading can compromise stability and cause damage.
- **Electrical Safety:** The charging station is ETL certified. Do not attempt to modify the power outlets or USB ports. Ensure the power cord is not pinched or damaged. Avoid exposing the charging station to water or excessive moisture.
- **Placement:** Place the nightstand on a flat, stable surface. Adjust the feet to ensure stability.
- **Product Care:** Wipe with a dry cloth for cleaning. Avoid using harsh chemicals or abrasive cleaners.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts and hardware are present. Refer to the included Assembly Guide for a detailed list and diagrams.

- Metal Frame Components
- MDF Board Shelves (Top and Middle)
- Non-woven Fabric Drawers (4 total)
- Integrated Charging Station (2 AC outlets, 2 USB ports)
- RGB LED Light Strip
- Adjustable Feet
- Assembly Hardware (screws, bolts, wrench, screwdriver)
- Anti-tip Device
- Assembly Guide and Instruction Manual

## 4. SETUP AND ASSEMBLY

---

Assembly of the WLIVE Night Stand is designed to be straightforward. Follow the step-by-step diagrams in the included Assembly Guide. All necessary tools are provided.

### 4.1. Frame Assembly

Begin by assembling the sturdy metal frame. Ensure all connections are secure. The X-shaped rods on the back enhance stability.

**PROVIDE SUFFICIENT STORAGE SPACE**

Figure 4.1: Sturdy Frame Design with X-shaped Rods and Adjustable Feet

## 4.2. Installing Shelves and Drawers

Attach the MDF board shelves to the designated positions on the frame. Insert the fabric drawers into their respective slots. The drawers feature easy-to-pull handles for convenient access.

## 4.4. Anti-Tip Device Installation

For maximum safety, attach the anti-tip device to the wall and the nightstand according to the instructions provided in the Assembly Guide. This prevents accidental tipping.

## 5. OPERATING INSTRUCTIONS

### 5.1. Using the Charging Station

The nightstand is equipped with a convenient charging station featuring 2 AC outlets (125V/12A) and 2 USB ports (5V/2.1A). Simply plug your devices into the appropriate ports. The charging station is ETL certified for safety.

### 5.2. Controlling the RGB LED Lights

The RGB LED lights offer customizable illumination to suit your mood and environment. Use the included key control remote to adjust settings:

- **Color Selection:** Choose from 10 different colors.
- **Brightness Adjustment:** Adjust the brightness level to your preference.
- **Dynamic Modes:** Select from 19 dynamic modes for various lighting effects.
- **Speed Control:** Adjust the flashing frequency or speed of dynamic modes (10 speed modes).

### 5.3. Utilizing Storage Drawers

The nightstand features four spacious fabric drawers. The top three drawers are smaller, while the bottom drawer provides more storage space. Use them to organize and store various belongings such as books, electronics, personal items, or clothing. Two open wooden shelves also offer additional space for decorative items or frequently used objects.

## 6. MAINTENANCE

To maintain the appearance and longevity of your WLIVE Night Stand, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Moisture:** Do not expose the nightstand to excessive moisture or direct water contact, especially the electrical components.
- **Chemicals:** Do not use harsh chemicals, abrasive cleaners, or polishes as they may damage the finish.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure.

## 7. TROUBLESHOOTING

If you encounter any issues with your WLIVE Night Stand, please refer to the following common problems and solutions:

| Problem                              | Possible Cause                                                     | Solution                                                                                                              |
|--------------------------------------|--------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| LED lights not working               | Power connection loose; Remote battery dead; LED strip damaged.    | Check power cord connection. Replace remote battery. Contact customer support if LED strip is damaged.                |
| Charging station not providing power | Nightstand not plugged in; Device cable faulty; Overload.          | Ensure nightstand is plugged into a working outlet. Try a different device cable. Unplug some devices to reduce load. |
| Nightstand is wobbly                 | Uneven floor; Loose connections; Adjustable feet not properly set. | Adjust the 360-degree adjustable feet to level the nightstand. Tighten all assembly screws.                           |
| Drawers are difficult to open/close  | Overloaded drawer; Misaligned drawer.                              | Reduce the weight in the drawer. Ensure the drawer is properly seated in its slot.                                    |
