Step-by-Step Guide:

1. **Assemble the Drawers:** Attach the side panels to the front and back panels of each drawer using the provided cam locks and screws. Secure the drawer bottom. Install the wooden handles on the drawer fronts.
2. **Construct the Main Desk Frame:** Assemble the side panels and horizontal support panels for the main desk unit. Ensure the drawer slides are correctly oriented and attached to the inner sides of the frame.
3. **Assemble the Upper Storage Unit:** Attach the shelves to the side panels of the upper storage unit. This unit will house the sliding mirror.
4. **Install Drawer Slides and Mirror Mechanism:** Secure the remaining drawer slides to the main desk frame where the drawers will be inserted. Attach the sliding mechanism for the mirror to the upper storage unit.
5. **Attach the Upper Unit to the Desk:** Carefully align and secure the assembled upper storage unit onto the main desk frame using the designated screws.
6. **Install the Sliding Mirror:** Insert the mirror panel into its designated sliding tracks on the upper storage unit.
7. **Assemble the Stool:** Connect the stool panels using the provided hardware to form a sturdy seat.

5. Operating Instructions

LED Mirror Lights:

The vanity mirror features integrated LED lights with adjustable settings:

- **Power On/Off:** Press the power button on the light control panel to turn the lights on or off.
- **Color Modes:** Cycle through three lighting modes (warm light, natural light, cold light) by pressing the mode button.
- **Brightness Adjustment:** Use the '+' and '-' buttons to increase or decrease the brightness level (10%-100%).

Storage Features:

The vanity is designed with various storage options:

- **Sliding Mirror:** The large HD mirror slides to reveal hidden storage shelves behind it, ideal for cosmetics and skincare products.
- **Drawers:** Utilize the five spacious drawers for organizing makeup, jewelry, and other personal items. Some drawers may include locks for securing valuables.

- **Open Shelves:** The open shelving unit provides easy access storage for frequently used items or decorative displays.

6. Maintenance

- **Cleaning:** Wipe the vanity surface with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **LED Lights:** The LED bulbs are designed for long-term use. If a bulb needs replacement, contact customer support for guidance.

7. Troubleshooting

- **Lights Not Working:**
 - Ensure the power adapter is securely plugged into both the vanity and a working wall outlet.
 - Check if the power button on the control panel is pressed.
 - Verify there are no visible damages to the power cord or control panel.
- **Drawers Not Sliding Smoothly:**
 - Check if the drawer slides are correctly installed and aligned. Refer to assembly steps.
 - Ensure no objects are obstructing the drawer's path.
 - Lubricate the drawer slides with a silicone-based lubricant if necessary.
- **Vanity Feels Unstable:**
 - Ensure the vanity is placed on a flat, level surface.
 - Tighten all assembly screws and bolts.
