

3M 405-R

3M Scotch-Brite Multi-Purpose Pad Holder 405-R Instruction Manual

1. PRODUCT OVERVIEW

The 3M Scotch-Brite Multi-Purpose Pad Holder 405-R is designed to facilitate efficient and safe cleaning of various surfaces, particularly flat and commercial griddles. Its ergonomic design helps protect users by keeping hands away from hot surfaces and food soil during cleaning operations.

Key Features:

- **Extended Reach:** The unique angled, 16-inch handle allows access to the back of griddles while maintaining a safe distance from heat.
- **Versatile Compatibility:** Designed to hold a variety of Scotch-Brite pads, including Griddle Polishing Pad 46 and All-Purpose Scouring Pad 9488R.
- **Effective Cleaning:** Aids in quickly removing burnt-on foods, grease, and sticky residues.
- **Durable Construction:** Heavy-duty build ensures fast cleaning and long-lasting performance.

2. SETUP INSTRUCTIONS

Before using the pad holder, ensure a suitable Scotch-Brite cleaning pad is securely attached.

1. Select the appropriate Scotch-Brite pad for your cleaning task (e.g., Griddle Polishing Pad 46 or All-Purpose Scouring Pad 9488R).
2. Align the cleaning pad with the base of the pad holder.
3. Press the pad firmly onto the grippers located on the holder's base until it is securely fastened. The grippers are designed to hold the pad in place during rigorous scrubbing.

Pad Holder contains grippers that secure pads in place for tough scrubbing action!

Figure 2: The pad holder features grippers to secure cleaning pads for effective scrubbing.

Holder can be used with a variety of Scotch-Brite pads, including polishing and scouring pads!

Figure 3: The holder is compatible with various Scotch-Brite pads, including polishing and scouring types.

3. OPERATING THE PAD HOLDER

The 3M Scotch-Brite Multi-Purpose Pad Holder is designed for manual cleaning tasks, particularly on hot

surfaces like griddles.

1. Ensure the cleaning pad is firmly attached to the holder.
2. Apply appropriate cleaning solution or water to the surface to be cleaned, if required by the cleaning pad or task.
3. Grip the handle firmly and apply pressure to the cleaning pad against the surface. Use a back-and-forth or circular motion to scrub away soil and debris.
4. Utilize the 16-inch handle to reach difficult areas, such as the back of a griddle, while keeping your hands safely away from heat and contaminants.
5. Periodically check the cleaning pad for excessive wear or saturation and replace as needed for optimal performance.

**The long
handle
keep hands
away from
hot griddle
surfaces!**

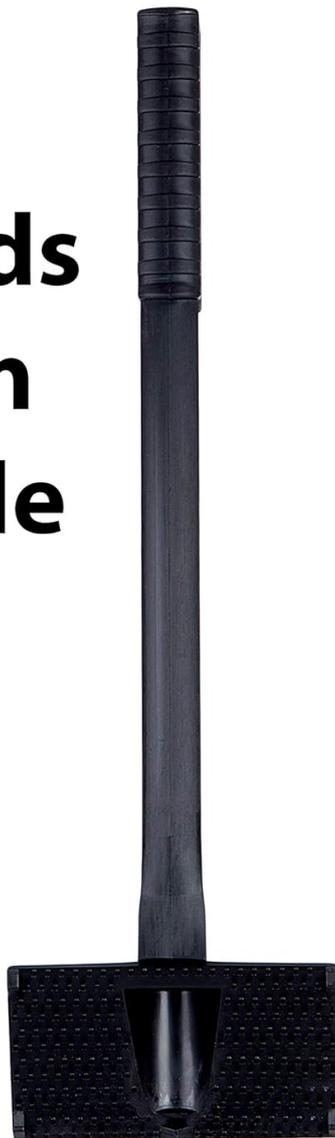

Figure 4: The long handle design ensures hands remain safely away from hot griddle surfaces during cleaning.

4. CARE AND MAINTENANCE

Proper care and maintenance will extend the life of your 3M Scotch-Brite Multi-Purpose Pad Holder.

- After each use, remove the cleaning pad.

- Rinse the pad holder thoroughly with warm water to remove any cleaning solution, food particles, or debris.
- If necessary, use a mild soap and brush to clean any stubborn residue from the grippers or handle.
- Allow the pad holder to air dry completely before storing.
- Store in a clean, dry place away from direct sunlight or extreme temperatures.

5. TROUBLESHOOTING

If you encounter issues with your pad holder, consider the following:

- **Pad not staying attached:** Ensure the cleaning pad is pressed firmly onto the grippers. Overly worn pads may not grip effectively and should be replaced. Check for any debris obstructing the grippers.
- **Ineffective cleaning:** Ensure you are using the correct type of Scotch-Brite pad for the specific cleaning task and that the pad is not excessively worn or saturated.

6. PRODUCT SPECIFICATIONS

Specification	Detail
Brand	3M
Model Name	Multi-Purpose Pad Holder 405-R
