4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your ZURU Toy Kitchen. It is recommended to have a Phillips head screwdriver (not included) for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all parts are present against the "Package Contents" list.
2. **Assemble Base:** Connect the side panels to the base panel using the provided screws/connectors. Ensure they are firmly secured.
3. **Install Back Panel:** Slide or attach the back panel into the designated grooves or connectors on the side and base panels.
4. **Attach Countertop:** Secure the countertop to the top of the assembled base structure.
5. **Install Sink and Faucet:** Place the play sink into the cutout on the countertop and attach the play faucet as instructed.
6. **Attach Oven Door:** Secure the play oven door to the front of the kitchen unit using the hinges.
7. **Add Knobs and Burners:** Attach the play stove burners and control knobs to the designated areas on the countertop or front panel.
8. **Place Accessories:** Arrange play food, pots, pans, and utensils as desired.
9. **Final Check:** Ensure all connections are tight and the kitchen is stable before allowing play.

5. OPERATING INSTRUCTIONS

The ZURU Toy Kitchen is designed for imaginative role-play. There are no electronic components or complex operations. Children can engage in various activities:

- **Pretend Cooking:** Use the play pots, pans, and utensils with the stove burners and oven for imaginative cooking scenarios.
- **Washing Up:** Utilize the play sink and faucet for pretend dishwashing.
- **Food Preparation:** Arrange and serve the play food items.
- **Storage:** Use shelves and compartments to store play accessories.

Encourage children to create their own stories and scenarios, fostering creativity and social skills.

6. MAINTENANCE AND CARE

Proper care will extend the life of your ZURU Toy Kitchen:

- **Cleaning:** Wipe surfaces with a soft, damp cloth and mild soap if necessary. Avoid abrasive cleaners or harsh

chemicals.

- **Drying:** Ensure all parts are thoroughly dry before storage or continued play to prevent moisture damage.
- **Storage:** Store the toy kitchen in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

7. TROUBLESHOOTING

- **Missing Parts:** If any parts are missing upon opening the package, refer to the "Package Contents" section and contact ZURU customer support for assistance.
- **Unstable Structure:** If the kitchen feels wobbly after assembly, re-check all screw connections and ensure they are tightened securely. Make sure it is placed on a flat, even surface.
- **Damaged Components:** If any component is broken or damaged, discontinue use and contact ZURU customer support for replacement parts. Do not attempt to repair damaged parts with adhesives or other materials that may compromise safety.
