SETUP

Unpacking

Carefully remove all items from the packaging. Inspect each piece for any signs of damage. Retain packaging materials for future storage or transport if needed.

Initial Cleaning

Before first use, wash all dinnerware pieces thoroughly with warm, soapy water or place them in the dishwasher. Rinse well and dry completely.

Set Components

- 6 x 10-1/4-inch Dinner Plates
- 6 x 6-3/4-inch Appetizer Plates
- 6 x 18-oz Soup/Cereal Bowls

OPERATING INSTRUCTIONS

Dishwasher Use

All Corelle Vitrelle dinnerware is dishwasher safe. Place items securely in the dishwasher racks, ensuring they do not block spray arms. Use standard dishwasher detergents.

Microwave Use

Corelle Vitrelle dinnerware is microwave safe. Exercise caution when removing items from the microwave as they may become hot.

Oven Use

This dinnerware is oven safe for warming purposes up to 350°F (176°C). Avoid extreme temperature changes, such as placing a hot dish directly onto a cold surface or vice-versa.

MAINTENANCE & CARE

Cleaning

For best results, wash your Corelle dinnerware immediately after use. While dishwasher safe, hand washing with a soft sponge and mild detergent is also effective. Avoid using abrasive cleaners, scouring pads, or harsh chemicals that could scratch the surface or dull the finish.

Stain Resistance

The non-porous surface of Vitrelle glass resists food odor retention and sticking, making it easy to clean and maintain its pristine appearance. For stubborn stains, a non-abrasive cleaner or baking soda paste can be used, followed by thorough rinsing.

Durability

Correlle Vitrelle is engineered for durability, offering triple-layer strength that resists chips and cracks under normal use. While highly resistant, it is not unbreakable. Avoid dropping items onto hard surfaces or subjecting them to sudden, severe impacts.

TROUBLESHOOTING

Breakage

While Correlle Vitrelle is chip and crack resistant, extreme force or impact can cause breakage. If an item breaks, it typically shatters into small, blunt pieces rather than sharp shards, making cleanup safer. Dispose of broken items carefully.

Scratches or Marks

Minor scratches may occur over time with heavy use. To minimize this, avoid stacking items without protective layers if possible, and ensure cutlery is used gently. For metal marks, a non-abrasive cleaner designed for ceramic or glass can often remove them.
