Celly KIDSWATCH4G Smartwatch for Kids (Model S8431048) User Manual

Your guide to setting up and using your Celly KIDSWATCH4G Smartwatch.

1. INTRODUCTION

Thank you for choosing the Celly KIDSWATCH4G Smartwatch. This device is designed to provide communication, safety, and activity tracking features for children, offering peace of mind for parents. This manual will guide you through the setup, operation, and maintenance of your new smartwatch.

Package Contents

- Celly KIDSWATCH4G Smartwatch
- USB Charging Cable
- User Manual (this document)
- SIM Ejector Tool (if applicable)

2. SAFETY INFORMATION

Please read this section carefully before using the smartwatch to ensure safe and proper operation.

- Do not attempt to disassemble or modify the device.
- Keep the device away from extreme temperatures, direct sunlight, and moisture.
- Use only the provided charging cable.
- Ensure the smartwatch is dry before charging.
- Supervise children during use, especially when handling small parts like the SIM card.
- If the device malfunctions, discontinue use and contact customer support.

3. SETUP

3.1. Charging the Smartwatch

Before first use, fully charge the smartwatch. Connect the USB charging cable to the charging port on the watch and plug the other end into a compatible USB power adapter (not included) or a computer USB port. The charging indicator on the screen will show the charging status.

This image displays the Celly KIDSWATCH4G smartwatch in blue. The watch features a square-shaped screen showing the time and date, and a durable silicone strap with a metal buckle.

3.2. SIM Card Installation

The Celly KIDSWATCH4G requires a Nano-SIM card for 4G connectivity, calls, and GPS tracking. Ensure the SIM card is activated with a suitable data plan before installation.

1. Power off the smartwatch completely.
2. Locate the SIM card slot on the side or back of the watch (refer to the device diagram if available).
3. Carefully insert the Nano-SIM card into the slot, ensuring correct orientation. Use the SIM ejector tool if

necessary.

4. Close the SIM card slot cover securely to protect against dust and moisture.

3.3. Initial Power On/Off

- **Power On:** Press and hold the power button (usually on the side) until the screen lights up.
- **Power Off:** Press and hold the power button, then select "Power Off" on the screen, or follow the on-screen prompts.

3.4. Pairing with a Smartphone

To access all features and manage the smartwatch, you will need to pair it with a parent's smartphone via a dedicated app. Search for the official Celly KIDSWATCH4G app on your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).

1. Download and install the Celly KIDSWATCH4G app on your smartphone.
2. Create an account and log in.
3. Follow the in-app instructions to add a new device. This typically involves scanning a QR code displayed on the smartwatch screen or entering a device ID.
4. Once paired, you can configure contacts, safety zones, and other settings through the app.

4. OPERATING INSTRUCTIONS

4.1. Basic Navigation

The smartwatch features a 1.4-inch touchscreen display. Swipe left, right, up, or down to navigate through menus and applications. Tap to select an option.

4.2. Key Features

- **Calling:** Make and receive calls from pre-approved contacts configured in the parent app.
- **Messaging:** Send and receive short voice or text messages with approved contacts.
- **GPS Tracking:** Real-time location tracking visible through the parent app. Set up safe zones and receive alerts when the child enters or leaves them.
- **SOS Function:** In an emergency, the child can press and hold the SOS button (if available, or a designated button) to send an alert with their location to pre-set emergency contacts.
- **Pedometer:** Tracks daily steps and activity levels.
- **Heart Rate Monitor:** Measures heart rate (for informational purposes, not medical diagnosis).
- **Sleep Monitor:** Tracks sleep patterns and duration.
- **Time and Date:** Displays current time and date, automatically synchronized.

5. MAINTENANCE

- **Cleaning:** Wipe the smartwatch with a soft, dry, or slightly damp cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the device in a cool, dry place when not in use.
- **Water Resistance:** While the watch may have some splash resistance, avoid submerging it in water unless explicitly stated otherwise in product specifications.

6. TROUBLESHOOTING

Problem	Possible Solution
Smartwatch does not power on.	Ensure the battery is charged. Connect to the charger for at least 30 minutes.
Cannot make/receive calls.	Check if the SIM card is correctly installed and activated. Verify network signal strength. Ensure contacts are configured in the parent app.
GPS location is inaccurate.	Ensure the watch has a clear view of the sky. GPS accuracy can be affected by buildings or dense areas. Check 4G connectivity.
Cannot pair with smartphone app.	Ensure Bluetooth is enabled on your smartphone. Restart both the watch and the phone. Reinstall the app if necessary.
Short battery life.	Reduce screen brightness. Close unused applications. Ensure 4G signal is strong, as weak signal can drain battery faster.

7. SPECIFICATIONS

Brand:	Celly
Model:	KIDSWATCH4G (S8431048)
Screen Size:	1.4 Inches
Color:	Blue
