Baby Delight Beside Me Dreamer Organic Bassinet & Bedside Sleeper Instruction Manual

Model: BD06450 | Brand: Baby Delight

PRODUCT OVERVIEW

The Baby Delight Beside Me Dreamer Organic Bassinet & Bedside Sleeper is designed to provide a safe and comfortable sleeping environment for your baby, allowing them to sleep soundly right next to you. This versatile product functions as both a standalone bassinet and a bedside sleeper, adapting to your needs as a parent. Its breathable mesh walls ensure optimal air circulation, while the lightweight design allows for easy portability between rooms. For bedside use, a convenient zip-down side panel and secure attachment straps ensure your baby remains close and safe throughout the night. The 6-position height adjustment feature allows for seamless integration with most adult beds, enhancing comfort and accessibility.

SETUP INSTRUCTIONS

Follow these steps for quick and easy assembly of your Baby Delight Beside Me Dreamer Bassinet. No tools are required.

1. Lay the sleeper frame face down on a flat surface and open both of the frame legs outward.
2. Plug the feet into each leg, ensuring the brake lever is facing inward.
3. Plug the horizontal support bar with buttons facing down into each frame leg until you hear a "click" sound.
4. Flip the bassinet over.
5. Insert the front support frame into the middle support frame, pressing the buttons in until you hear a "click" sound.
6. Place the cover over the front support frame and secure it underneath the middle support frame with the three loop fasteners.
7. Place the mattress inside the frame with the curved edge facing the curved edge of the frame. Press the mattress down until the plastic clips on the bottom of the mattress snap onto the middle support frame.
8. Snap the height adjustment dial caps into each side of the frame until they click in. You may need to rotate the cap until it keys itself in.

OPERATING INSTRUCTIONS

The Beside Me Dreamer Bassinet offers flexible operating modes to suit your family's needs.

Bassinet Mode:

In standard bassinet mode, your baby has their own private sleeping area surrounded by breathable mesh walls. This mode is ideal for keeping your baby safe and comfortable while allowing air to circulate freely. The bassinet is lightweight, making it easy to move from room to room as needed.

Bedside Sleeper Mode:

To use as a bedside sleeper, simply unzip the side panel closest to your bed. This allows you to snug the bassinet right up to your adult bed, providing easy access to your baby for nursing, comforting, or checking on them during the night without having to get out of bed. The attached straps securely fasten the bassinet to your adult bed for stability.

Full accessibility to comfort your baby during the night.

Height Adjustment:

The bassinet features a 6-position height adjustment. Use the adjustment dials on the side of the frame to raise or lower the bassinet to match the height of your adult bed. Ensure both sides are set to the same height for a level sleeping surface.

MAXIMUM SAFETY

SLEEP SOUNDLY KNOWING THAT YOUR BABY IS
SAFELY NESTLED IN THE BEDSIDE SLEEPER.

Adjustable height for seamless integration with various bed heights.

MAINTENANCE

To ensure the longevity and hygiene of your Baby Delight Beside Me Dreamer Bassinet, regular cleaning is recommended.

- **Fabric Cover:** The bassinet's fabric cover is removable and machine washable. Please refer to the care label on the fabric for specific washing instructions (typically machine wash cold on a gentle cycle). Air dry or tumble dry on low heat. Do not bleach.
- **Mattress:** The mattress cover can be wiped clean with a damp cloth and mild soap. Ensure it is completely dry before reinserting into the bassinet.
- **Frame:** Wipe down the metal and plastic components of the frame with a damp cloth and mild soap. Dry thoroughly to prevent rust or damage.
- **Mesh:** The breathable mesh can be gently wiped clean. For deeper cleaning, the fabric can be removed and machine washed.

TROUBLESHOOTING

If you encounter any issues with your Baby Delight Beside Me Dreamer Bassinet, please refer to the common solutions below.

- **Bassinet feels unstable or wobbly:** Ensure all frame components are securely clicked into place during assembly. Double-check that the height adjustment dials on both sides are set to the same number. If using in bedside sleeper

mode, confirm that the attachment straps are tightly secured to your adult bed.

- **Mattress feels too firm or cold:** The bassinet mattress is designed to be firm for infant safety. For added comfort, consider purchasing a soft-feeling fitted sheet and a waterproof mattress protector (sold separately) to place over the existing mattress.
- **Side panel zipper is difficult to operate or comes undone:** Ensure the fabric is not caught in the zipper. If the zipper mechanism feels loose, inspect the track for any obstructions. For the drop-down side, ensure the top bar lock levers are fully disengaged before attempting to lower.
- **Legs do not fit under bed frame:** The bassinet legs are designed to extend under most bed frames. If your bed frame extends all the way to the floor or has a unique design, the bassinet may not fit flush. Verify your bed frame type against the acceptable bed frame diagrams in the setup video.
- **Loose pole within the drop-down piece:** Ensure the pole is correctly inserted and secured. If it continues to be loose, contact customer support.
