SETUP

1. Attaching the iPad to the Case

1. Align your iPad with the protective back case.
2. Gently press the iPad into the case until it is securely seated. The magnetic design will help align and hold the iPad in place.

3. Ensure all ports, buttons, and the camera are unobstructed.

The back case is magnetically detachable from the keyboard base, allowing you to use the iPad independently while still protected.

2. Bluetooth Pairing

1. Ensure the keyboard is charged using the provided USB cable.

2. Turn on the keyboard using the power button (location may vary, refer to keyboard layout).
3. On your iPad, go to **Settings > Bluetooth**.
4. Enable Bluetooth. The iPad will search for nearby devices.
5. Select "ESR Keyboard" from the list of available devices to pair.
6. Once paired, the keyboard is ready for use.

OPERATING INSTRUCTIONS

1. Adjustable Stand and Viewing Modes

The case features a fully adjustable stand, allowing you to set your iPad at any angle between 15° and 180° for optimal viewing and typing comfort. The magnetic design also supports easy switching between portrait and landscape modes.

- **Landscape Mode:** Ideal for typing, browsing, and watching videos.
- **Portrait Mode:** Suitable for reading documents, FaceTime calls, or specific app usage.

Work Your Way

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to wipe the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.
- **Charging:** Charge the keyboard using the provided USB-C cable. The keyboard's battery life is approximately 1 year standby, 3 months with daytime use (backlit keys off), and 2 weeks with nighttime use (backlit keys on).

- **Storage:** When not in use, ensure the iPad is securely closed within the case to protect both the screen and keyboard.

TROUBLESHOOTING

- **Keyboard not connecting:** Ensure Bluetooth is enabled on your iPad and the keyboard is powered on. Re-pair the keyboard if necessary.

- **Trackpad not responding:** Check Bluetooth connection. Some users report that turning Bluetooth off and on, then pressing the keyboard's power key again, can resolve this.
- **Incorrect size/fit:** Verify your iPad model number against the compatibility list in this manual. If you have purchased the wrong size, please contact customer support for assistance.
- **Keys not responding:** Ensure the keyboard is charged. If individual keys are unresponsive, contact customer support.

For issues related to incorrect sizing or fit, please watch the following video for guidance on contacting customer service:
