

JBL JBLT720BTBLKAM

JBL Tune 720BT Wireless Over-Ear Headphones

INSTRUCTION MANUAL

Product Overview

The JBL Tune 720BT headphones are designed to deliver powerful JBL Pure Bass sound with the convenience of wireless Bluetooth 5.3 technology. Enjoy extended listening sessions with up to 76 hours of battery life and quick charge capabilities. Customize your audio experience with the JBL Headphones App and manage calls effortlessly with integrated earcup controls. Their lightweight and foldable design makes them perfect for on-the-go use.

JBL Tune 720BT Wireless Over-Ear Headphones in Black.

What's Included

- JBL Tune 720BT Headphones
- Charging Cable (USB-C)
- User Manual

Initial Setup

1. Charging the Headphones

Before first use, fully charge your JBL Tune 720BT headphones.

1. Connect the provided USB-C charging cable to the charging port on the earcup.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status. It will turn off when fully charged.

Speed Charge: A 5-minute charge provides approximately 3 hours of playback.

2. Bluetooth Pairing

Pair your headphones with your Bluetooth-enabled device for wireless audio.

1. Power on the headphones by pressing and holding the Power button on the earcup until the LED indicator flashes blue.
2. On your device, enable Bluetooth and search for available devices.
3. Select "JBL Tune 720BT" from the list to connect.
4. Once connected, the LED indicator will turn solid blue.

Operating Instructions

Controls

The headphones feature intuitive buttons on the earcup for easy control of your audio and calls.

- **Power Button:** Press and hold to power on/off.
- **Volume Up/Down:** Press to adjust volume.
- **Multi-function Button:**
 - Press once to Play/Pause music.
 - Press twice to skip forward.
 - Press three times to skip backward.
 - Press once to Answer/End a call.
 - Press and hold to reject a call.

JBL Headphones App

Download the free JBL Headphones App to unlock full customization options for your listening experience.

- **EQ Customization:** Tailor the sound to your preference with adjustable equalizer settings or pre-set modes.
- **Voice Prompts:** Receive audio guidance through headphone features in your desired language.

Hands-Free Calls with Voice Aware

The Voice Aware feature allows you to hear your own voice while talking on calls, enhancing the call experience.

- Manage calls directly from the earcup buttons.
- Seamlessly switch between devices if a call comes in while watching a video on another paired device.

Enjoy up to 76 hours of battery life with Speed Charge capability.

Care and Maintenance

- Clean the headphones regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Store the headphones in a cool, dry place when not in use. The foldable design allows for compact storage.

Troubleshooting

If you encounter issues with your JBL Tune 720BT headphones, try the following:

- **No Power:** Ensure the headphones are fully charged.
- **No Sound:** Check the volume levels on both the headphones and your connected device. Ensure

the headphones are properly paired.

- **Pairing Issues:** Turn off and on Bluetooth on your device. Power cycle the headphones. If issues persist, try forgetting the device in your Bluetooth settings and re-pairing.
- **Poor Call Quality:** Ensure you are in an area with good signal strength. Background noise can sometimes interfere.
