HSANHE 7652

HSANHE Tree House Building Set Model 7652 Instruction Manual

Brand: HSANHE | Model: 7652

1. Important Safety Information

WARNING: This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly and play.

2. Product Overview

The HSANHE Tree House Building Set, Model 7652, is a creative construction toy designed for children aged 6-12 years. This 504-piece set allows for the assembly of a detailed tree house model, encouraging imaginative play and development of fine motor skills. The set features various elements including a tree, a house structure, balconies, ladders, and small accessory pieces.

3. Package Contents

Before beginning assembly, please verify that all components are present. The package should contain:

- 504 Building Pieces (various shapes and colors)
- 1 Instruction Manual

If any pieces are missing or damaged, please contact customer support for assistance.

4. Assembly Instructions

Follow the detailed, step-by-step instructions provided in the included instruction manual. Organize pieces by color and shape before starting to facilitate the building process.

1. **Preparation:** Unpack all building pieces and sort them. It is recommended to use a flat, clean surface for assembly.
2. **Step-by-Step Building:** Refer to the separate instruction booklet for visual guidance. Each step illustrates the

pieces required and their placement.

3. **Secure Connections:** Ensure each piece is firmly pressed into place to create a stable structure.
4. **Verification:** After completing each major section, compare your build with the images in the manual to ensure accuracy.

Figure 4.2: Children engaging in imaginative play with the completed tree house model.

5. Operation and Play

Once assembled, the HSANHE Tree House Building Set provides a platform for creative play.

- **Imaginative Scenarios:** Encourage children to create their own stories and adventures within the tree house setting.
- **Interactive Elements:** The set may include movable parts such as a swing or opening doors. Handle these elements gently to prevent damage.
- **Combination Play:** This set can be combined with other building block sets to expand play possibilities.

6. Maintenance and Storage

Proper care ensures the longevity of your building set.

- **Cleaning:** Wipe pieces with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse in water or use harsh chemicals.
- **Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Disassembly:** If disassembling, keep all pieces together in a container to prevent loss.

7. Troubleshooting

Issue	Possible Cause	Solution

Issue	Possible Cause	Solution
Missing pieces	Manufacturing error or pieces lost during unpacking.	Carefully check all packaging materials. If still missing, contact customer support with the specific piece number (if available in the manual).
Pieces do not fit together securely	Incorrect piece orientation or insufficient pressure during assembly.	Ensure pieces are aligned correctly and apply firm, even pressure. Refer to the instruction manual for correct placement.
Assembled model is unstable	Pieces not fully connected or incorrect assembly step.	Review previous assembly steps to ensure all connections are secure and correct.

8. Product Specifications
