Tribesigns CS-NY176-US Two-Person Desk Instruction Manual

Model: CS-NY176-US

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Tribesigns CS-NY176-US Two-Person Desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

This image displays the Tribesigns Two-Person Desk, highlighting its spacious design suitable for two users. It features two computer monitors, keyboards, and mice, along with a CPU tower placed on the lower shelf and items stored in the central drawers.

Headphone hooks are visible on the side.

2. SAFETY INFORMATION

- Keep small children away during assembly to prevent accidental ingestion of small parts.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the desk or shelves beyond the recommended weight capacity.
- Place the desk on a level surface to prevent instability.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the included assembly manual are present. The package typically includes:

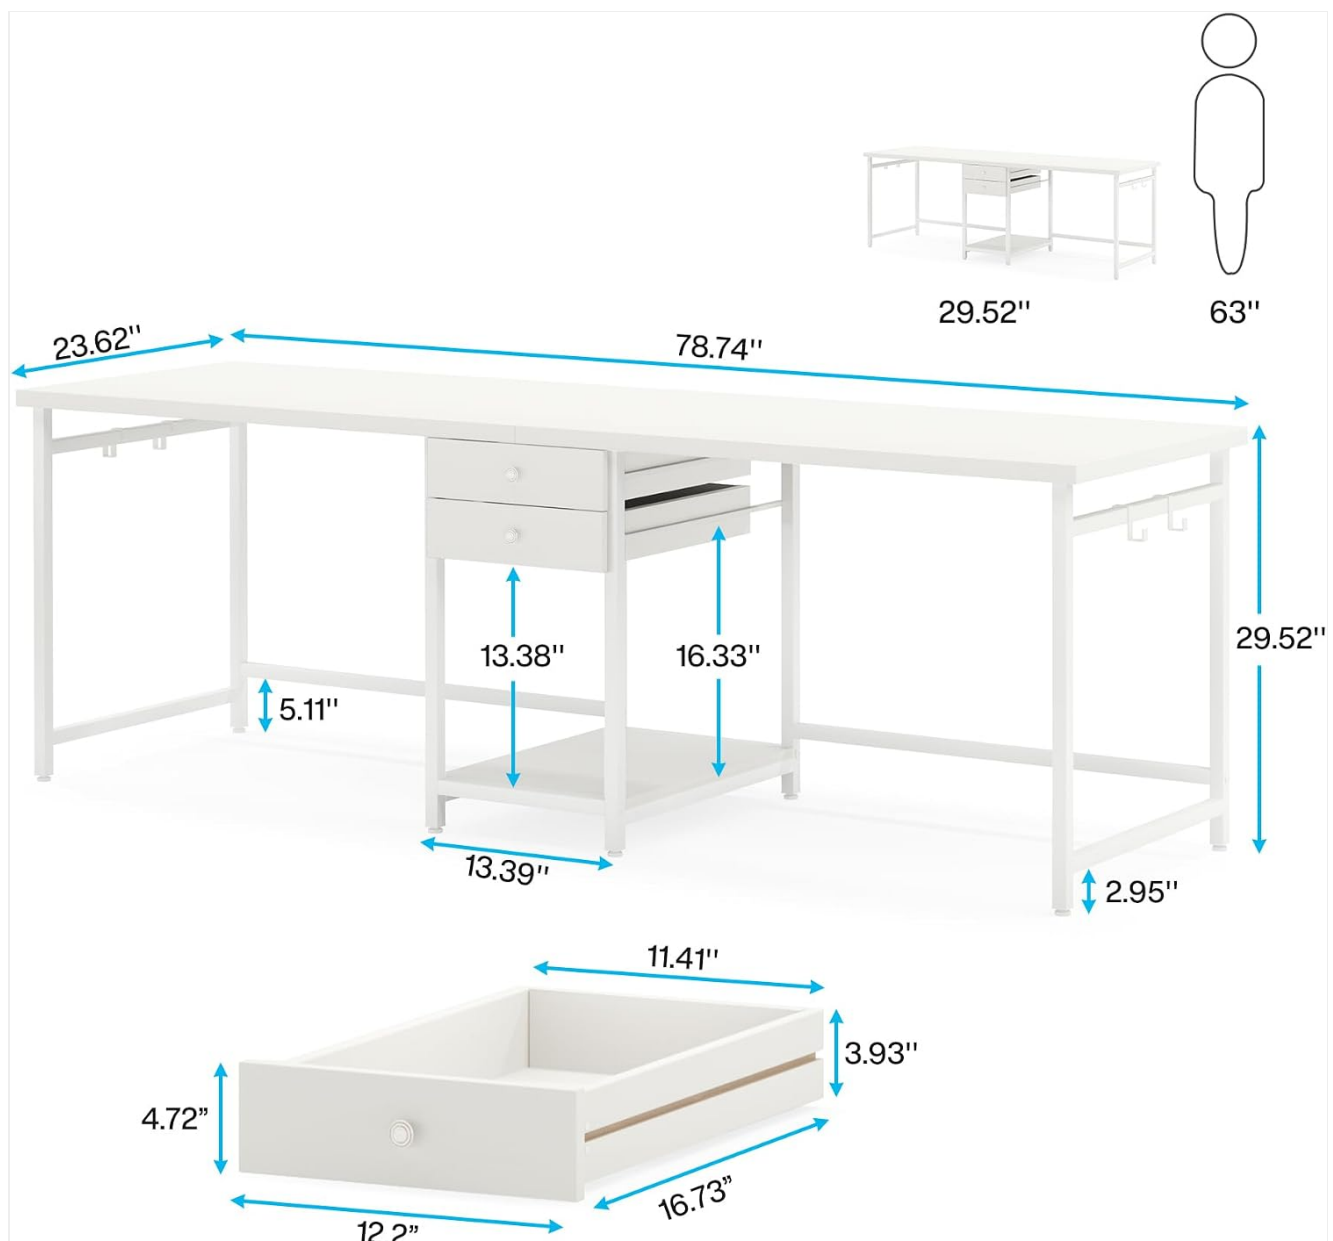

- Desk tabletop components (E1 Class Particle Board)

- Metal frame components
- Drawer components and hardware
- Adjustable leg pads
- Headphone hooks
- Assembly accessories (screws, bolts, tools)
- Assembly Manual

4. SETUP AND ASSEMBLY

Assembly is estimated to take less than 30 minutes with two people. Follow the step-by-step instructions provided in your separate assembly manual. Ensure you have adequate space and the necessary tools (usually included).

4.1 Key Components and Dimensions

This diagram provides key measurements of the desk, including its length (78.74 inches), depth (23.62 inches), and height (29.52 inches). It also shows the dimensions of the drawers and the height of the lower storage shelf, crucial for assembly and space planning.

4.2 Construction Features

1

Two Drawers with
Knob Handles

2

Bottom
Storage Shelf

3

Removable
Holders

This image details the construction materials and features of the desk. It shows the E1 Particle Board tabletop, the robust iron metal frame, and the adjustable leg pads designed to ensure stability on uneven surfaces.

4.3 Storage Features

This image highlights the functional storage components of the desk, including two pull-out drawers for organizing small items, a spacious bottom shelf ideal for a CPU tower, and convenient removable hooks for headphones or bags.

5. OPERATING INSTRUCTIONS

The Tribesigns Two-Person Desk is designed for versatile use in home and office environments.

- **Desktop Usage:** The expansive 78.74-inch desktop provides ample space for two users to work side-by-side, accommodating multiple monitors, laptops, and other office essentials.
- **Drawers:** Utilize the two central drawers for organized storage of documents, stationery, and personal items, reducing desktop clutter.
- **Bottom Storage Shelf:** The open bottom shelf is ideal for placing a CPU tower, printer, or other electronic devices, keeping them off the main desktop surface.
- **Headphone Hooks:** Attach headphones, backpacks, or other accessories to the integrated hooks on the side frames for easy access and to maximize workspace.

6. MAINTENANCE

Proper care will extend the life and appearance of your desk.

- **Cleaning:** The tabletop is anti-scratch and waterproof. Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining.
- **Stability:** Periodically check all screws and fasteners to ensure they remain tight. Adjust the leg pads as needed to maintain a level and stable surface.
- **Environment:** Keep the desk in a dry environment. Avoid prolonged exposure to direct sunlight or extreme temperature changes.

7. TROUBLESHOOTING

- **Desk is wobbly:** Ensure all assembly screws are tightened. Adjust the leveling feet on the bottom of the desk legs to compensate for uneven flooring.
- **Drawers do not slide smoothly:** Check that the drawer slides are correctly installed and free of obstructions. Ensure the drawer components are assembled correctly.
- **Missing parts:** Refer to the package contents list in your assembly manual. If parts are missing, contact customer support immediately.

8. SPECIFICATIONS

Brand	Tribesigns
Model Number	CS-NY176-US
Product Dimensions (D x W x H)	23.62" x 78.74" x 29.53"
Color	White
Top Material Type	Engineered Wood (E1 Class Particle Board)
