MAINTENANCE

To maintain the quality and appearance of your SEDETA L Shaped Desk, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the engineered wood and powder-coated steel finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the desktop.
- **Stability:** Periodically check and tighten all screws and connections to ensure the desk remains stable.
- **Weight Distribution:** Distribute weight evenly across the desk surfaces and shelves to prevent warping or structural stress.
- **LED Lights:** Ensure the LED light strip and power connections are free from dust and moisture.

TROUBLESHOOTING

If you encounter any issues with your SEDETA L Shaped Desk, consider the following common solutions:

- **Desk Wobbles:** Ensure all assembly screws are fully tightened. Check that the adjustable feet are properly leveled on uneven floors.
- **LED Lights Not Working:** Verify that the power outlet switch is on and the LED strip is securely plugged into the power source. Check the mobile application settings and ensure proper Bluetooth connection if applicable.

- **Drawers Not Sliding Smoothly:** Ensure the fabric drawers are correctly assembled and inserted. Check for any obstructions in the drawer slots.
- **Missing Parts:** Refer to the "After-sales Service" section for assistance with missing components.
