Glocusent A19

Glocusent 38 LED Clip On Light (Model A19) Instruction Manual

Brand: Glocusent | Model: A19

Introduction

Thank you for choosing the Glocusent 38 LED Clip On Light. This versatile lamp is designed to provide optimal illumination for various activities such as reading, studying, and working, while prioritizing eye comfort. Featuring 38 premium LEDs, multiple lighting modes, adjustable brightness and color temperatures, and convenient control options, this clip-on light is engineered for enhanced user experience.

Package Contents

- 1 x Multi-Purpose Clip-On Light
- 1 x Remote Control
- 1 x User Manual (this document)

- 1 x Bookmark
- 1 x USB AC Adapter (2-prong 5V/2A)

Setup

1. **Attach the Clip:** Securely attach the sturdy clamp to any surface up to 2.36 inches (6 cm) thick, such as a bed frame, desk, or shelf. Ensure the clamp is firmly in place to prevent wobbling.
2. **Position the Light:** Adjust the 360° flexible gooseneck to direct the light precisely where needed. The gooseneck is designed to maintain its position without bounce-back.
3. **Connect Power:** Plug the USB cable into the light and connect the USB AC adapter to a power outlet. The 59-inch cord provides ample length for most setups.
4. **Remote Control Setup:** If using the remote control, ensure the battery insulating pull tab is removed before first use.

Operating Instructions

Control Options: Remote and Touch Buttons

The Glocusent Clip On Light offers two convenient ways to control its functions: a remote control for distant operation and intuitive touch buttons located on the lamp head.

Lighting Modes and Color Temperatures

The lamp features three distinct lighting modes, each optimized for specific activities, and allows for full customization of color temperature (1800K-6000K) and brightness (5-220 lumens).

- **Reading Mode (3200K):** Provides a comfortable light for extended reading sessions.
- **Focus Mode (6000K):** Offers a bright, cool light ideal for studying or detailed work.

- **Sleep Mode (1800K):** An eye-caring amber light that reduces eye strain and promotes relaxation before sleep.

Stepless Dimming

Adjust the brightness from 5 lumens to 220 lumens to suit your environment and preference. This stepless dimming feature allows for precise control over the light intensity.

30-Minute Auto-Off Timer

Activate the 30-minute auto-off timer for convenience, especially when using the light for bedtime reading. The light will automatically turn off after 30 minutes.

Maintenance

- **Cleaning:** Use a soft, dry cloth to wipe the lamp. Avoid using abrasive cleaners or solvents that may damage the finish.
- **Storage:** When not in use for extended periods, store the lamp in a cool, dry place.
- **Cable Care:** Do not bend or crimp the power cable excessively to prevent damage.

Troubleshooting

Problem	Solution
Light does not turn on.	Ensure the USB cable is securely connected to both the lamp and the power adapter. Verify the power adapter is properly plugged into a working electrical outlet. If using the remote, check if the battery insulating pull tab has been removed.
Remote control is unresponsive.	Check the remote control battery and replace if necessary. Ensure there are no obstructions between the remote and the lamp's sensor.
Light flickers or is unstable.	Ensure the power connection is stable and the adapter is providing sufficient power (5V/2A recommended). Avoid using the lamp in environments with extreme temperature fluctuations.

Specifications

Feature	Detail
Brand	Glocusent
Model Name	Multi-Purpose Clip On Light (A19)
Light Source Type	LED (38 Premium LEDs)
Wattage	3.2 watts
Brightness	5 - 220 Lumens
Color Temperature	1800K - 6000K (Warm White, Cool White)
Control Method	Remote, Push Button
Special Features	Adjustable Arm, Dimmable, 30-Min Auto-Off Timer
Mounting Type	Tabletop (Clip-On)
Product Dimensions	3.94"D x 3.94"W x 3.94"H
Item Weight	10 ounces (283 Grams)
Power Source	Corded Electric (USB AC adapter included)
Material	Acrylonitrile Butadiene Styrene, Metal
Certifications	FCC, CE, RoHS, PSE, C-TICK certified
