HAPPYGRILL HG1631New

HAPPYGRILL 360° Swivel Hunting Chair Instruction Manual

Model: HG1631New

Brand: HAPPYGRILL

1. INTRODUCTION

Thank you for choosing the HAPPYGRILL 360° Swivel Hunting Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your chair. Designed for outdoor enthusiasts, this chair features a 360-degree swivel base, adjustable height legs, and all-terrain foot pads, making it suitable for various outdoor activities such as hunting, fishing, and shooting.

The HAPPYGRILL 360° Swivel Hunting Chair provides comfort and stability in outdoor settings.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 330 lbs (150 kg). Overloading can cause injury or damage to the chair.
- **Stable Surface:** Always ensure the chair is placed on a stable, level surface before use. The all-terrain foot pads are designed for uneven ground, but extreme slopes should be avoided.
- **Proper Assembly:** Follow all assembly instructions carefully. Ensure all parts are securely fastened before sitting on the chair.
- **Moving Parts:** Be cautious of pinch points when folding or unfolding the chair and adjusting leg heights.
- **Children:** Keep children away from the chair during assembly and ensure they are supervised if using the chair.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Chair Seat and Backrest Assembly
- Swivel Base with Telescopic Legs (pre-attached)
- All-Terrain Foot Pads (pre-attached to legs)
- Armrests (2)
- Hardware Pack (screws, washers, etc.)
- Instruction Manual

4. SETUP AND ASSEMBLY

The HAPPYGRILL hunting chair is designed for easy assembly and quick folding for transport. Follow these steps:

1. **Unfold the Chair:** Carefully unfold the main chair frame.
2. **Attach Armrests:** Secure the armrests to the chair frame using the provided hardware. Ensure they are tightened firmly with the side screws.
3. **Adjust Leg Height:** The telescopic legs allow for height adjustment. Locate the lock system on each leg. Unlock, extend or retract the leg to the desired height, and then securely lock it in place. There are 5 adjustable height settings.
4. **Position Foot Pads:** Ensure the large 4-inch flat rotating duck feet (all-terrain foot pads) are properly oriented for maximum stability on your chosen surface.

Swivel Hunting Chair with 5 Adjustable Heights

Keep an eye on all directions and prevent disturbing animals

Rotate Base

Telescopic Legs

Lock System

Silent

Flexible

Smooth

The chair features a smooth rotating base, sturdy telescopic legs, and a reliable lock system for height adjustment.

5. OPERATING INSTRUCTIONS

- **360° Swivel Function:** The chair's base allows for a full 360-degree rotation. This feature operates smoothly and silently, enabling you to observe your surroundings without disturbing wildlife. Simply rotate the seat to your desired direction.
- **Adjustable Height:** The telescopic legs provide approximately 8.5 inches of height adjustment (from 17 to 25.5 inches). Adjust the height before sitting to ensure a comfortable and stable position for your activity. Always ensure all legs are locked at the same height for stability.
- **All-Terrain Stability:** The large, flat foot pads are designed to prevent the chair from sinking into soft ground and provide enhanced grip on various terrains, including gravel roads, sand, and uneven mountain surfaces. Adjust the foot pads as needed to conform to the ground for optimal stability.

Upgraded All-terrain Foot Pads

Larger contact area and stronger grip
Adapt to a variety of grounds

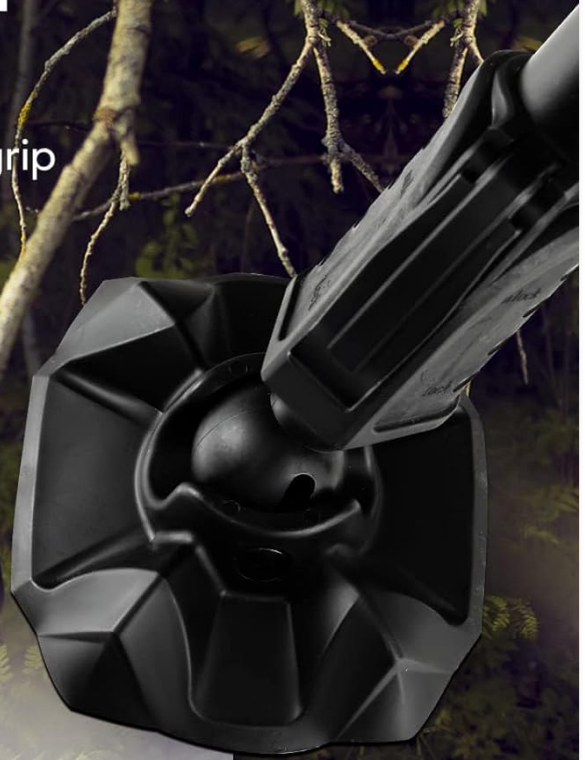

Mountain

Gravel Road

Sand

The upgraded all-terrain foot pads provide superior stability on diverse outdoor surfaces.

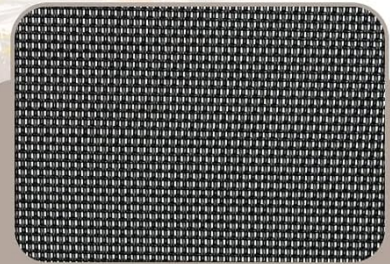

6. MAINTENANCE

- **Cleaning:** Wipe down the chair with a damp cloth after each use to remove dirt and debris. For stubborn stains, use mild soap and water. Avoid harsh chemicals that may damage the materials.
- **Inspection:** Regularly inspect all bolts, screws, and moving parts to ensure they are tight and functioning correctly. Tighten any loose fasteners.
- **Storage:** When not in use, fold the chair into its two separate parts for compact storage. Store in a dry place to protect the rust-resistant finish and extend the product's lifespan.
- **Material Care:** The breathable mesh backrest and robust steel frame are designed for durability. Avoid prolonged exposure to extreme weather conditions to maintain material integrity.

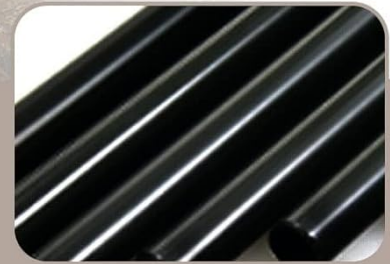

Excellent Durability & Stability

- High Strength
- Waterproof
- Wear-resistant
- Rust-resistant

Breathable Mesh

Robust Steel Frame

The chair is constructed with high-quality, durable, and rust-resistant materials for long-lasting performance.

7. TROUBLESHOOTING

- **Chair feels unstable:** Ensure all legs are extended to the same height and the lock systems are fully engaged. Verify that the chair is on a relatively level surface and the foot pads are making full contact with the ground.
- **Swivel mechanism is stiff or noisy:** Check for any obstructions around the swivel base. Ensure no dirt or debris has accumulated. A small amount of silicone-based lubricant can be applied to the swivel mechanism if needed, avoiding contact with fabric.
- **Difficulty folding/unfolding:** Ensure no parts are jammed or misaligned. Follow the assembly/disassembly steps carefully. Do not force components.

8. SPECIFICATIONS

Feature	Detail
Model Number	HG1631New
