4. SETUP INSTRUCTIONS

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Use the provided Type-C cable to connect the charging case to a power source.

- A full charge takes approximately 100 minutes.
- 10 minutes of charging provides approximately 100 minutes of playtime.
- The charging case provides up to 48 hours of total playtime.

4.2 Pairing with a Device

The K40 earbuds utilize Bluetooth 5.3 for a stable and efficient connection.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "GOBOULT K40" (or similar name).
4. Once selected, the earbuds will connect, and you will hear an audio confirmation.

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The GOBOULT K40 earbuds feature intuitive touch controls for managing audio playback, calls, and voice assistant activation. Specific touch gestures are detailed in the included quick start guide or on the product packaging.

5.2 Audio Playback

The earbuds are equipped with 13mm Bass Drivers and BoomX Technology for enhanced sound quality and powerful bass.

6. MAINTENANCE

6.1 Water Resistance

The earbuds are rated IPX5 water resistant, protecting them from splashes and sweat. This makes them suitable for workouts and outdoor activities. Avoid submerging the earbuds in water.

IPX5 Water Resistant

Just Wipe it Off, or Don't

Image: The GOBOULT K40 earbuds and charging case, with an icon indicating IPX5 water resistance, suitable for splashes and sweat.

6.2 Cleaning

Gently wipe the earbuds and charging case with a soft, dry cloth. Do not use abrasive cleaners or solvents. Ensure the charging contacts are clean and dry before placing earbuds back into the case.

7. TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume.
- **Pairing Issues:** Turn off Bluetooth on your device, then turn it back on. Reset earbuds by placing them in the case, closing, and reopening.
- **Intermittent Connection:** Ensure no obstructions between earbuds and device. Stay within the 10-meter Bluetooth range.
- **Charging Problems:** Verify the Type-C cable is securely connected to both the case and power source. Clean charging contacts on earbuds and case.

- **Microphone Not Working:** Ensure earbuds are connected. Check device settings for microphone input.
