EltaMD yqx-391

EltaMD UV Clear Face Sunscreen SPF 46 User Manual

Model: yqx-391

Product Overview

EltaMD UV Clear Face Sunscreen SPF 46 is an oil-free facial sunscreen formulated with Zinc Oxide. It is designed to be lightweight and silky, helping to calm and protect sensitive skin types prone to acne, rosacea, and discoloration. This product provides broad-spectrum protection against harmful UVA and UVB rays.

Key Features

- **Broad-Spectrum SPF 46:** Provides comprehensive protection against UVA (aging) and UVB (burning) rays.
- **Oil-Free & Lightweight:** Designed for comfortable wear without feeling heavy or greasy.
- **Calms Sensitive Skin:** Helps to soothe and protect skin prone to acne, rosacea, and discoloration.
- **Non-Comedogenic:** Will not clog pores or cause breakouts.
- **Formulated with Niacinamide (Vitamin B3):** Helps to reduce redness and restore skin suppleness.
- **Transparent Zinc Oxide Finish:** Leaves no white cast on the skin.
- **Free From:** Oxybenzone, parabens, fragrances, and dyes.
- **Hypoallergenic:** Suitable for sensitive skin.
- **Versatile Use:** Can be worn alone or perfectly under makeup.

Ingredients

EltaMD UV Clear Face Sunscreen SPF 46 features a carefully selected blend of active and inactive ingredients to provide effective sun protection and skin benefits.

Active Ingredients:

- **Zinc Oxide 9.0%:** A natural mineral compound that works by reflecting and scattering UVA and UVB rays.
- **Octinoxate 7.5%:** An organic sunscreen filter that absorbs UVB rays.

Key Inactive Ingredients:

- **Niacinamide (Vitamin B3):** Known for its ability to reduce redness, minimize the appearance of blemishes, and restore skin suppleness.

Directions for Use (Operating)

For optimal sun protection, follow these application instructions:

1. **Prime the Pump (Initial Use or if pump stops working):**With the cap cover in place over the pump, turn the container upside down and tap firmly 8-10 times. This helps to bring the product to the pump mechanism.
2. **Apply Liberally:** Apply the sunscreen liberally to your face and neck 15 minutes before sun exposure.
3. **Reapplication:** Reapply at least every 2 hours. If swimming or sweating, reapply after 80 minutes. Reapply immediately after towel drying.

Storage and Handling (Maintenance)

To maintain the efficacy and integrity of your EltaMD UV Clear Face Sunscreen, please observe the following:

- **Storage:** Store at room temperature. Avoid excessive heat or direct sunlight.
- **Container Integrity:** Keep the cap securely closed when not in use to prevent contamination and drying.
- **Pump Priming:** If the pump mechanism becomes unresponsive, refer to the "Directions for Use" section for instructions on how to prime the pump.

Troubleshooting

If you encounter any issues with your EltaMD UV Clear Face Sunscreen, please refer to the following common solutions:

- **Pump Not Dispensing Product:** This is often due to air in the airless pump system. With the cap cover in place, turn the bottle upside down and tap firmly 8-10 times on a hard surface. This should help to bring the product up and restore pump function.
- **Skin Irritation or Rash:** Discontinue use immediately. If symptoms persist, consult a physician.
- **Product Stinging Eyes:** While formulated to be gentle, if product gets into eyes, rinse thoroughly with water.

Safety Information

Please read and adhere to the following safety guidelines:

- **External Use Only:** This product is intended for external use on the skin only.
- **Avoid Damaged Skin:** Do not use on damaged or broken skin.
- **Eye Contact:** Keep out of eyes. If contact occurs, rinse with water to remove.
- **Discontinue Use:** Stop use and ask a physician if rash occurs.
- **Keep Out of Reach of Children:** Store this product safely away from children.
- **Accidental Ingestion:** If product is swallowed, get medical help or contact a Poison Control Center right away.
- **Children Under 6 Months:** Consult a physician before use on children younger than 6 months.
