12x18inch(30x45cm) Unframe-style

Instruction Manual

Airgun Colt M4A1 Carbine AEG Room Aesthetics Posters Canvas Posters

PRODUCT OVERVIEW

This document provides essential information for the proper handling, display, and care of your new canvas poster. This product is a high-quality canvas print designed for aesthetic enhancement of various indoor spaces.

The poster features an image of an Airgun Colt M4A1 Carbine AEG, suitable for room aesthetics, bedroom decoration, sports-themed offices, or as a gift item. It is a printed art piece and not a functional airgun.

PACKAGE CONTENTS

- One (1) Airgun Colt M4A1 Carbine AEG Canvas Poster (12x18inch / 30x45cm, Unframe-style)
- *Note: Mounting hardware is not included and must be purchased separately.*

SETUP AND DISPLAY

Proper setup ensures the longevity and visual appeal of your canvas poster. Consider the environment and mounting method carefully.

Choosing a Location

- Select an indoor location away from direct sunlight to prevent fading.
- Avoid areas with high humidity or extreme temperature fluctuations, such as bathrooms or directly above heat sources.
- Ensure the wall surface is clean, dry, and structurally sound to support the poster.

Mounting Instructions (Unframed Style)

For unframed canvas posters, various mounting options are available. The following are common methods:

1. **Adhesive Strips/Tabs:** For lightweight posters, use high-quality, removable adhesive strips or tabs designed for wall art. Apply them evenly to the back corners and edges of the poster.
2. **Spray Adhesive:** For a more permanent mount, apply a light, even coat of acid-free spray adhesive to the back of the poster or directly to the wall. Carefully position the poster and smooth it from the center outwards to remove air bubbles.
3. **Frame Mounting:** Although "Unframe-style," the poster can be mounted within a standard picture frame. Ensure the frame size matches the poster dimensions (12x18 inches or 30x45 cm).

Always ensure the poster is level before securing it permanently.

CARE AND MAINTENANCE

Proper care will help maintain the vibrancy and integrity of your canvas poster over time.

- **Cleaning:** Gently dust the surface with a soft, dry cloth or a feather duster. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the print.
- **Handling:** When handling the poster, especially before mounting, hold it by the edges to avoid transferring oils from your hands to the printed surface.
- **Storage:** If storing the poster, roll it loosely with the printed side facing outwards, or lay it flat. Store in a cool, dry place away from direct light and extreme temperatures. Use acid-free paper or tissue between prints if stacking.

TROUBLESHOOTING

Common issues and their solutions for your canvas poster.

Problem	Possible Cause	Solution
Fading Colors	Exposure to direct sunlight or strong artificial light.	Relocate the poster to an area with indirect light. Consider UV-protective glazing if framing.
Warping/Wrinkling	High humidity, extreme temperature changes, or improper mounting.	Ensure the environment is stable. Re-mount using a more secure method or flatten carefully under weight if not yet mounted.
Dust/Dirt Accumulation	Lack of regular cleaning.	Gently dust with a soft, dry cloth. Avoid rubbing vigorously.
