## Carhartt GL0831-M

# Carhartt Men's GL0831M Storm Defender Insulated Gauntlet Glove

## USER MANUAL

### Introduction

This manual provides essential information for the proper use, care, and maintenance of your Carhartt Men's GL0831M Storm Defender Insulated Gauntlet Gloves. Designed for cold and wet conditions, these gloves offer protection and warmth. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

### Key Features

- **Storm Defender™ Technology:** Features a waterproof, windproof, and breathable insert to keep hands dry and comfortable.
- **Durable Construction:** Made with a robust polyester shell and softshell materials for long-lasting wear.
- **Enhanced Grip:** Synthetic palm, fingers, thumb, and wrap caps provide improved dexterity and grip.
- **FastDry® Lining:** Wicks away sweat to maintain dryness and comfort inside the glove.
- **Gauntlet Cuffs:** Extended cuffs offer additional protection from snow and cold, designed to be worn over jacket sleeves.

### Usage Instructions

To ensure maximum comfort and protection, follow these steps when wearing your gloves:

1. **Donning the Gloves:** Slide your hand into the glove, ensuring fingers are fully seated in each digit.
2. **Adjusting the Gauntlet:** Pull the gauntlet cuff over the sleeve of your jacket to create a seal against snow and cold air.
3. **Securing the Strap:** Use the adjustable strap around the wrist to achieve a snug and secure fit, preventing heat loss and entry of elements.

## Care and Maintenance

---

Proper care will extend the life and maintain the performance of your gloves:

- **Cleaning:** Hand wash only. Spot clean as needed.
- **Drying:** Air dry thoroughly. Do not machine wash or tumble dry, as this can damage the waterproof insert and insulation.
- **Storage:** Store in a dry, well-ventilated area away from direct sunlight and extreme temperatures.
- **Avoid Harsh Chemicals:** Do not use bleach, fabric softeners, or strong detergents, as these can compromise the glove's materials and waterproof properties.

## Product Specifications

Specification	Detail
Model Number	GL0831-M
Department	Men's
Outer Shell Fabric	100% Polyester
Trim/Cuff Fabric	91% Polyester, 9% Elastane On 100% Polyester Back
Palm Fabric	100% Polyurethane On 100% Polyester
Lining Fabric	100% Polyester

Insulation	100% Polyester
Insert	100% Polyurethane (Storm Defender™ waterproof, windproof, breathable)
Care Instructions	Hand Wash Only
Origin	Imported

## Size Guide (US Gloves)

Brand Size	Hand Circumference (in)
Small	7.5 - 8
Medium	8.5
Large	9 - 9.5
X - Large	10 - 10.5
2X - Large	11 - 12

## Troubleshooting

If you encounter issues with your gloves, consider the following:

- **Gloves feel cold:** Ensure the gauntlet cuffs are properly sealed over your jacket sleeves and the wrist straps are snug. Layering appropriately under your jacket can also help.
- **Hands feel damp:** While the gloves are breathable, intense activity can still lead to moisture buildup. Ensure the FastDry® lining is clean and dry before use. If the dampness persists, check for any damage to the waterproof insert.
- **Reduced grip:** Ensure the synthetic palm is clean and free of debris. If the grip material is worn, it may indicate extensive use.

## Warranty and Support

For information regarding product warranty, returns, or additional support, please refer to the official Carhartt website or contact Carhartt customer service directly. Keep your purchase receipt as proof of purchase.
