Jojoka U desk

Jojoka U Shaped Computer Gaming Desk Instruction Manual

Model: U desk | Brand: Jojoka

1. INTRODUCTION

Thank you for choosing the Jojoka U Shaped Computer Gaming Desk. This desk is designed to provide a versatile and functional workspace for gaming, office, or creative tasks. It features a reversible U-shape or straight configuration, integrated power outlets, an RGB LED strip, and a full monitor stand for ergonomic comfort. Please read this manual carefully before assembly and use to ensure proper setup and safe operation.

Image 1.1: Overview of the Jojoka U Shaped Computer Gaming Desk in a U-shaped configuration.

2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Do not exceed a weight limit of 500 pounds on the desk surface.
- Ensure the desk is properly assembled and stable before placing any items on it or using it.
- Do not overload the integrated power strip. Ensure it is properly grounded and connected to a suitable power source.
- Keep all electrical components away from liquids.
- Assembly should be performed by at least two adults to prevent injury.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desk Panels (various sizes for U-shape/straight configuration)

- Metal Frame Legs and Support Bars
- Full Monitor Stand Components
- Integrated Power Strip (4 AC outlets, 2 USB ports)
- RGB LED Strip Light with Controller (App and IR remote compatible)
- Hardware Pack (screws, bolts, Allen wrench)
- Side Storage Bag
- Headphone Hook
- Adjustable Foot Pads

4. SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

4.1 Choose Your Configuration

The Jojoka desk offers reversible U-shaped and straight (I-shaped) configurations. Plan your desired layout before starting assembly.

Image 4.1: Desk dimensions and configuration options (U-shaped and Long Straight).

4.2 Frame Assembly

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the metal frame sections according to the chosen configuration (U-shape or straight). Ensure all screws are tightened securely but do not overtighten until all parts are aligned.
3. Attach the X-brace reinforcements to the back of the frame for added stability.
4. Install the adjustable foot pads onto the bottom of each leg. These can be adjusted to level the desk on uneven floors.

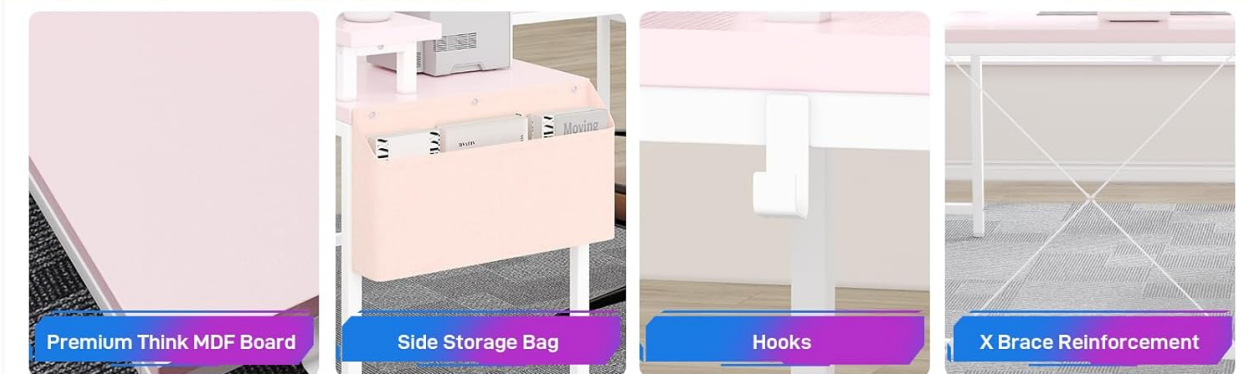

Image 4.2: Details of desk features including MDF board, storage bag, hooks, and X-brace.

4.3 Desktop Panel Installation

1. Carefully place the desktop panels onto the assembled metal frame. Align the pre-drilled holes.
2. Secure the desktop panels to the frame using the provided screws.

4.4 Monitor Stand Assembly

1. Assemble the monitor stand sections and attach them to the designated areas on the desktop. The monitor stand is designed to provide an ergonomic viewing height.

Image 4.3: Detail of the monitor stand and integrated power outlets.

4.5 Power Outlets and LED Strip Installation

1. Insert the integrated power strip into its recessed slot on the desktop. Connect its power cord to a wall outlet.
2. Attach the RGB LED strip light to the underside of the monitor stand or desired locations using its adhesive backing. Connect the LED strip to its controller and power source.

5. OPERATING INSTRUCTIONS

5.1 Using the Integrated Power Outlets

The desk includes a built-in power strip with 4 AC outlets and 2 USB charging ports. Simply plug your devices into these ports for convenient power access. Ensure the main power cord of the desk is plugged into a grounded wall outlet.

5.2 Controlling the RGB LED Strip Lights

The RGB LED strip lights can be controlled via a smart app on your smartphone or the included IR remote control.

- **Smart App Control:** Download the recommended app (refer to LED strip packaging for details). Pair your device with the LED strip via Bluetooth. The app allows access to over 60,000 colors, multiple dynamic modes, and a music sync function.
- **IR Remote Control:** Use the provided remote to change colors, adjust brightness, and select various lighting modes. Point the remote directly at the LED strip's receiver for optimal functionality.
- **Music Sync Function:** When activated, the LED lights will change color and rhythm in sync with music playing in the room, creating an immersive atmosphere.

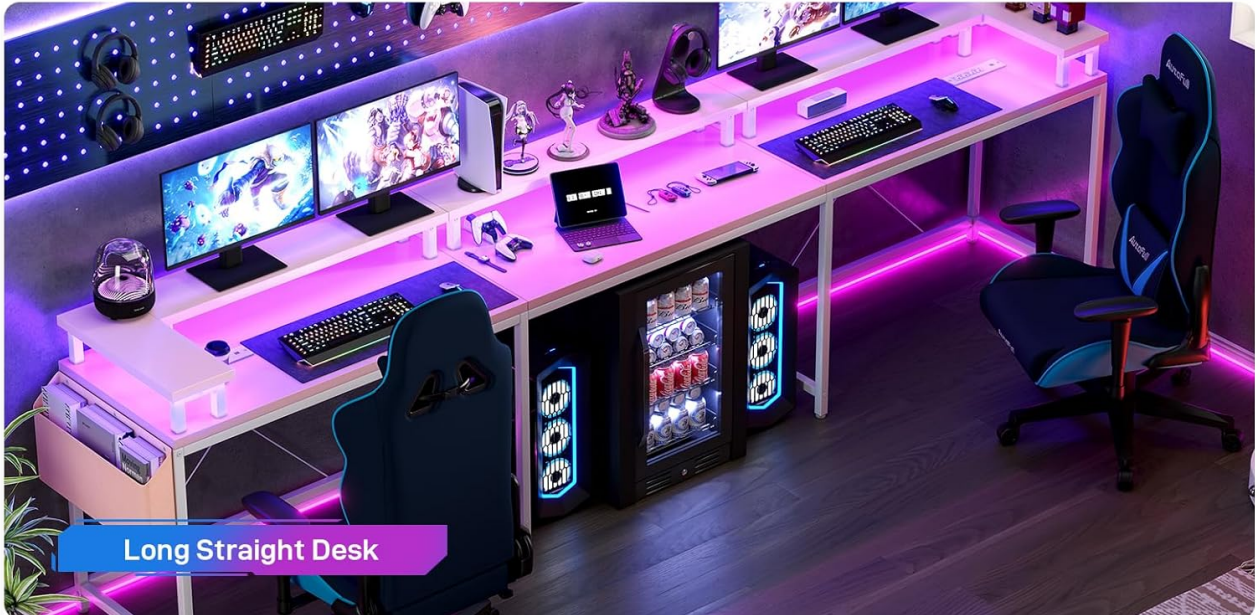

Image 5.1: Features of the RGB LED strip lights and control options.

5.3 Utilizing Storage and Ergonomics

- **Monitor Stand:** Position your monitors on the elevated stand to achieve an ergonomic eye level, reducing neck and back strain.
- **Storage Shelves:** Use the integrated shelves for books, documents, or decorative items.
- **Side Storage Bag & Headphone Hook:** Attach the fabric storage bag for magazines or small accessories, and use the headphone hook to keep your headphones organized and within reach.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure all power cords and LED strip connections are secure and free from damage.

7. TROUBLESHOOTING

If you encounter any issues with your Jojoka desk, refer to the following common troubleshooting tips:

- **Desk is Wobbly:** Check all assembly screws and tighten them. Ensure the adjustable foot pads are properly leveled on the floor.
- **Power Outlets Not Working:** Verify that the desk's main power cord is securely plugged into a functional wall outlet. Check if the power strip's circuit breaker (if present) has tripped.
- **LED Strip Not Lighting Up:** Ensure the LED strip is correctly connected to its controller and power source. Check if the power adapter is plugged in. Try using both the app and IR remote to rule out a control issue.
- **Missing Parts During Assembly:** Double-check the package contents against the list in Section 3. If parts are genuinely missing, contact Jojoka customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	Jojoka
Model Number	U desk
Product Dimensions (D x W x H)	43.3"D x 79"W x 34.3"H
