VBESTLIFE Y113 Language Translator Earbuds User Manual

MODEL: VBESTLIFEfy40MERZUG-11

1. INTRODUCTION

Welcome to the user manual for your VBESTLIFE Y113 Language Translator Earbuds. These earbuds are designed to provide seamless two-way translation in up to 144 languages, powered by advanced translation engines, ensuring high accuracy. Beyond translation, they also function as high-quality audio headsets for music playback and hands-free calling. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new device, helping you maximize its potential for communication and entertainment.

Please read this manual thoroughly before using the earbuds to ensure proper operation and to maintain the device's longevity.

2. SAFETY INFORMATION

To ensure safe and optimal use of your VBESTLIFE Y113 earbuds, please observe the following safety guidelines:

- **Hearing Protection:** Avoid listening at high volume levels for extended periods to prevent hearing damage.
- **Driving Safety:** Do not use the earbuds while driving or operating machinery where the inability to hear ambient sounds could pose a danger.
- **Water Resistance:** These earbuds are **not water resistant**. Avoid exposure to liquids, moisture, or extreme humidity.
- **Temperature:** Do not expose the earbuds or charging case to extreme temperatures (hot or cold).
- **Children:** Keep out of reach of small children. Small parts may pose a choking hazard.
- **Disposal:** Dispose of the device and its components responsibly according to local regulations. Do not dispose of batteries in fire.

- **Cleaning:** Use a soft, dry cloth for cleaning. Do not use harsh chemicals or abrasive materials.

3. PACKAGE CONTENTS

Upon opening your VBESTLIFE Y113 package, please verify that all the following items are included:

- VBESTLIFE Y113 Language Translator Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

4. PRODUCT OVERVIEW

Familiarize yourself with the components of your VBESTLIFE Y113 Language Translator Earbuds:

Earbuds

- **Touch Control Area:** Located on the outer surface of each earbud for managing playback, calls, and translation modes.
- **Microphone:** Integrated into each earbud for voice input during calls and translation.
- **LED Indicator:** Provides status information (e.g., pairing, charging, battery).
- **Charging Contacts:** Located at the bottom of the earbud stem, for charging within the case.

Charging Case

- **Earbud Slots:** Designated slots for the left and right earbuds.
- **Charging Port:** USB port on the case for external charging.
- **Case LED Indicator:** Shows the charging status of the case.

5. SETUP

5.1 Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case.

1. Place the earbuds into their respective slots in the charging case. Ensure the charging contacts align.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The LED indicators on the earbuds and case will illuminate to show charging status. They will turn off or change color when fully charged.
4. A full charge provides approximately 3 hours of earbud use, and the charging case extends total usage time significantly, allowing for a full day of use.

5.2 Bluetooth Pairing

To use the earbuds for music, calls, or translation, they must be paired with your smartphone or Bluetooth-enabled device.

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case lid. The earbuds will automatically enter pairing mode, and their LED indicators will flash.
3. On your device, go to Bluetooth settings and enable Bluetooth.
4. Search for available devices and select "VBESTLIFE Y113" (or similar name) from the list.
5. Once connected, the earbud LED indicators will stop flashing or change to a solid light.

5.3 Companion App Installation

For full access to the translation features and language selection, you will need to download and install the dedicated companion application on your smartphone. Refer to the packaging or a QR code provided with the product for app download instructions.

6. OPERATING INSTRUCTIONS

6.1 Power On/Off

- **Power On:** Open the charging case lid, and the earbuds will automatically power on and attempt to connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

6.2 Music Playback and Call Management

Use the touch control area on the earbuds for the following functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold on either earbud during an incoming call.

6.3 Translation Modes

The VBESTLIFE Y113 earbuds offer three distinct translation modes:

- **Touch Mode:** Ideal for one-on-one conversations. Each person holds an earbud and taps it when they want to speak. The app translates and plays the audio through the other person's earbud.
- **Speaker Mode:** Suitable for small groups. One person wears an earbud, and the app translates their speech, playing it aloud through the phone's speaker. Others can speak into the phone's microphone for translation back to the earbud wearer.
- **Talk Mode:** For continuous, real-time translation. Both users wear an earbud, and the conversation is translated and played back in near real-time.

Support for online translation in 84 languages

Powered by 6 top translation engines
Achieves 99 percent translation accuracy

6.4 Using Translation Features

1. Ensure your earbuds are paired with your smartphone and the companion app is open.
2. In the app, select the desired source and target languages for translation.
3. Choose the appropriate translation mode (Touch, Speaker, or Talk) based on your conversation scenario.
4. Follow the on-screen prompts within the app for each mode to initiate and manage the translation process.
5. Speak clearly into the earbud's microphone for optimal translation accuracy.

7. MAINTENANCE

Proper maintenance ensures the longevity and performance of your earbuds:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use liquids or sprays. Gently clean the charging contacts with a dry cotton swab if necessary.

- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds or case frequently. Charge them regularly, even if not in constant use.

8. TROUBLESHOOTING

If you encounter issues with your VBESTLIFE Y113 earbuds, refer to the following table for common problems and solutions:

| Problem | Possible Solution |
|----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Earbuds not pairing/connecting. | <ul style="list-style-type: none"> • Ensure earbuds are charged. • Turn off and on Bluetooth on your device. • Forget the device in your phone's Bluetooth settings and re-pair. • Ensure earbuds are in pairing mode (open case lid). |
| No sound from earbuds. | <ul style="list-style-type: none"> • Check device volume and earbud volume. • Ensure earbuds are properly connected to your device. • Try playing different audio sources. |
| Translation not working or inaccurate. | <ul style="list-style-type: none"> • Ensure you have an active internet connection. • Verify correct source and target languages are selected in the app. • Speak clearly and at a moderate pace. • Update the companion app to the latest version. |
| Earbuds not charging. | <ul style="list-style-type: none"> • Ensure the charging cable is securely connected. • Try a different USB port or power adapter. • Clean the charging contacts on the earbuds and inside the case. |

If the problem persists after trying these solutions, please contact customer support.
