## SHW OD-91C-R

# SHW 40-Inch Height Adjustable Claire Electric Standing Desk with Drawer Instruction Manual

Model: OD-91C-R

## 1. INTRODUCTION

---

Thank you for choosing the SHW 40-Inch Height Adjustable Claire Electric Standing Desk with Drawer. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read all instructions carefully before use and retain this manual for future reference.

This electric standing desk is designed to offer a versatile workspace, allowing you to easily switch between sitting and standing positions. Its compact design and integrated storage solutions make it ideal for various home and office environments.

## 2. IMPORTANT SAFETY WARNINGS

---

- **Weight Caution:** Use caution when moving or assembling the desk due to its item weight of 58 pounds. It is recommended that two people assemble the desk.
- **Cable Management:** Secure all cables and cords to prevent tripping hazards and ensure smooth operation of the height adjustment mechanism.
- **Assembly:** Follow the assembly instructions carefully to ensure stability and prevent tipping. Incorrect assembly can lead to instability and potential injury.
- **Anchoring:** If recommended by the manufacturer or local regulations, anchor the desk to the wall to ensure stability, especially in households with children or pets.
- **Clearance:** Ensure there is adequate clearance around the desk when adjusting its height to avoid obstructions or pinching hazards.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

## 4. SETUP AND ASSEMBLY

---

The SHW Claire Electric Standing Desk requires assembly. It is recommended that two people assemble the desk to ensure safety and ease of installation. All necessary tools for assembly are included in the package.

1. **Unpack Components:** Carefully remove all components from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Legs:** Securely attach the desk legs to the underside of the desktop using the provided hardware. Ensure all screws are tightened.
3. **Install Foot Pads:** Attach the foot pads to the bottom of the desk legs for stability and floor protection.
4. **Connect Power:** Connect the power adapter to the desk's control unit and then plug it into a standard electrical outlet.
5. **Cable Management:** Utilize the integrated cable tray to route and conceal wires, maintaining a clean and organized workspace.
6. **Final Check:** Before first use, ensure all connections are secure and the desk is stable.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Electric Height Adjustment

The desk features an electric motorized lift system for effortless height adjustment. The height can be smoothly adjusted from 32 inches (sitting position) to 45 inches (standing position).

- **To Raise the Desk:** Press and hold the 'Up' arrow button on the control panel located under the desktop. Release the button when the desired height is reached.
- **To Lower the Desk:** Press and hold the 'Down' arrow button on the control panel. Release the button when the desired height is reached.

### 5.2. Storage Drawer and Compartment

The desk includes a slim integrated drawer and an open compartment for organizing your workspace.

- **Drawer:** The pull-out drawer is ideal for storing stationery, small devices, or office accessories. It features metal drawer glides for smooth operation.
- **Open Compartment:** Use the open compartment for quick access items like notebooks, tablets, or other essentials.

## 6. MAINTENANCE

---

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Electrical Components:** Keep the control panel and power cables dry and free from dust. Do not attempt to service electrical components yourself.

## 7. TROUBLESHOOTING

---

### 7.1. Desk Not Adjusting Height / Blinking Lights

If the desk's control buttons are blinking or the desk is not responding to height adjustments, it may require a reset.

- **Solution:** Unplug the desk from the power outlet for at least 10 seconds. Plug it back in. If the issue persists, hold down the 'Down' arrow button for approximately 5 seconds until the blinking stops and the desk resets to its lowest position.

## 7.2. Uneven Height Adjustment

If the desk appears to be uneven during adjustment or at a set height:

- **Solution:** Ensure the desk is placed on a level surface. Check that all leg connections are securely tightened. Perform a full reset as described above.
