## YITAHOME MAYIHumjLV

# YITAHOME Wood File Cabinet with LED Light, 2 Drawer Mobile Lateral Filing Cabinet, Storage Cabinet Printer Stand with Shelves (Model: MAYIHumjLV) User Manual

Brand: YITAHOME

## 1. IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Use caution when moving the cabinet on casters.
- Keep fingers away from the lock mechanism when closing the drawer.
- Always unplug the cabinet from the power source before moving or cleaning.
- Ensure all connections for the LED light and charging ports are secure before use.
- Do not overload drawers or shelves to prevent tipping or damage.

## 2. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly.

- 1 x YITAHOME Wood File Cabinet
- 1 x Accessory Kit (hardware, tools)
- 1 x Instructions (this manual)
- 1 x Remote Control for LED Light

Image 1: Overview of the YITAHOME Wood File Cabinet. This image displays the complete assembled cabinet, highlighting its grey wood finish, two drawers (one lockable), a cabinet door, open shelves, and the integrated LED light and charging ports.

### 3. SETUP AND ASSEMBLY

---

This cabinet requires assembly. Follow the included accessory kit instructions for detailed step-by-step guidance. Ensure all parts are correctly oriented and securely fastened.

#### 3.1 General Assembly Tips

- Lay out all components and hardware before starting.
- Use a soft surface to prevent scratching the cabinet parts during assembly.
- Do not overtighten screws to avoid damaging the wood.
- Two people are recommended for easier and safer assembly.

Image 2: Product dimensions of the YITAHOME File Cabinet. This diagram illustrates the overall width (38.0 inches / 96.6 cm), depth (13.4 inches / 34 cm), and height (25.9 inches / 66 cm), along with internal measurements for shelves and drawers.

## 4. OPERATING INSTRUCTIONS

### 4.1 LED Light Operation

The cabinet features a color-changing LED strip to enhance ambiance. The LED strip is controlled via a remote control.

- **Power On/Off:** Use the power button on the remote control.
- **Color Selection:** Choose from over 15 colors using the color buttons on the remote.
- **Brightness Adjustment:** Increase or decrease light intensity.
- **Mode Selection:** Cycle through various lighting modes (e.g., flash, strobe, fade, smooth) for dynamic effects.

Image 3: Illustration of the multi-color RGB light strip and its remote control. This image demonstrates the various color options and modes available for the integrated LED lighting system, controlled by a remote or app.

#### 4.2 Charging Ports

The cabinet is equipped with UL-Listed outlets and USB ports for convenient device charging.

- **AC Outlets:** Two 120V/12A UL-Listed outlets are provided for standard electrical devices.
- **USB Ports:** Two 5V/2A USB ports are available for charging mobile devices.
- **Power Cord:** A 6.5-foot power cord connects the charging station to a wall outlet.
- Ensure the cabinet is plugged into a functional wall outlet for the charging features to work.

Image 4: Close-up view of the integrated charging station. This image highlights the two UL-Listed AC outlets and two USB ports, along with their electrical specifications, for convenient device charging.

### 4.3 File Drawers and Storage

The cabinet offers versatile storage options for office organization.

- **Lockable Top Drawer:** Provides security for personal items and sensitive documents. Use the provided keys to lock and unlock.
- **Bottom File Drawer:** Designed to accommodate A4, letter, and legal-sized files. Features smooth sliders for easy access.
- **Open Shelves:** Three open shelves are suitable for storing office machinery, books, or decorative items.
- **Enclosed Storage:** One roomy enclosed storage area behind a door for additional items.

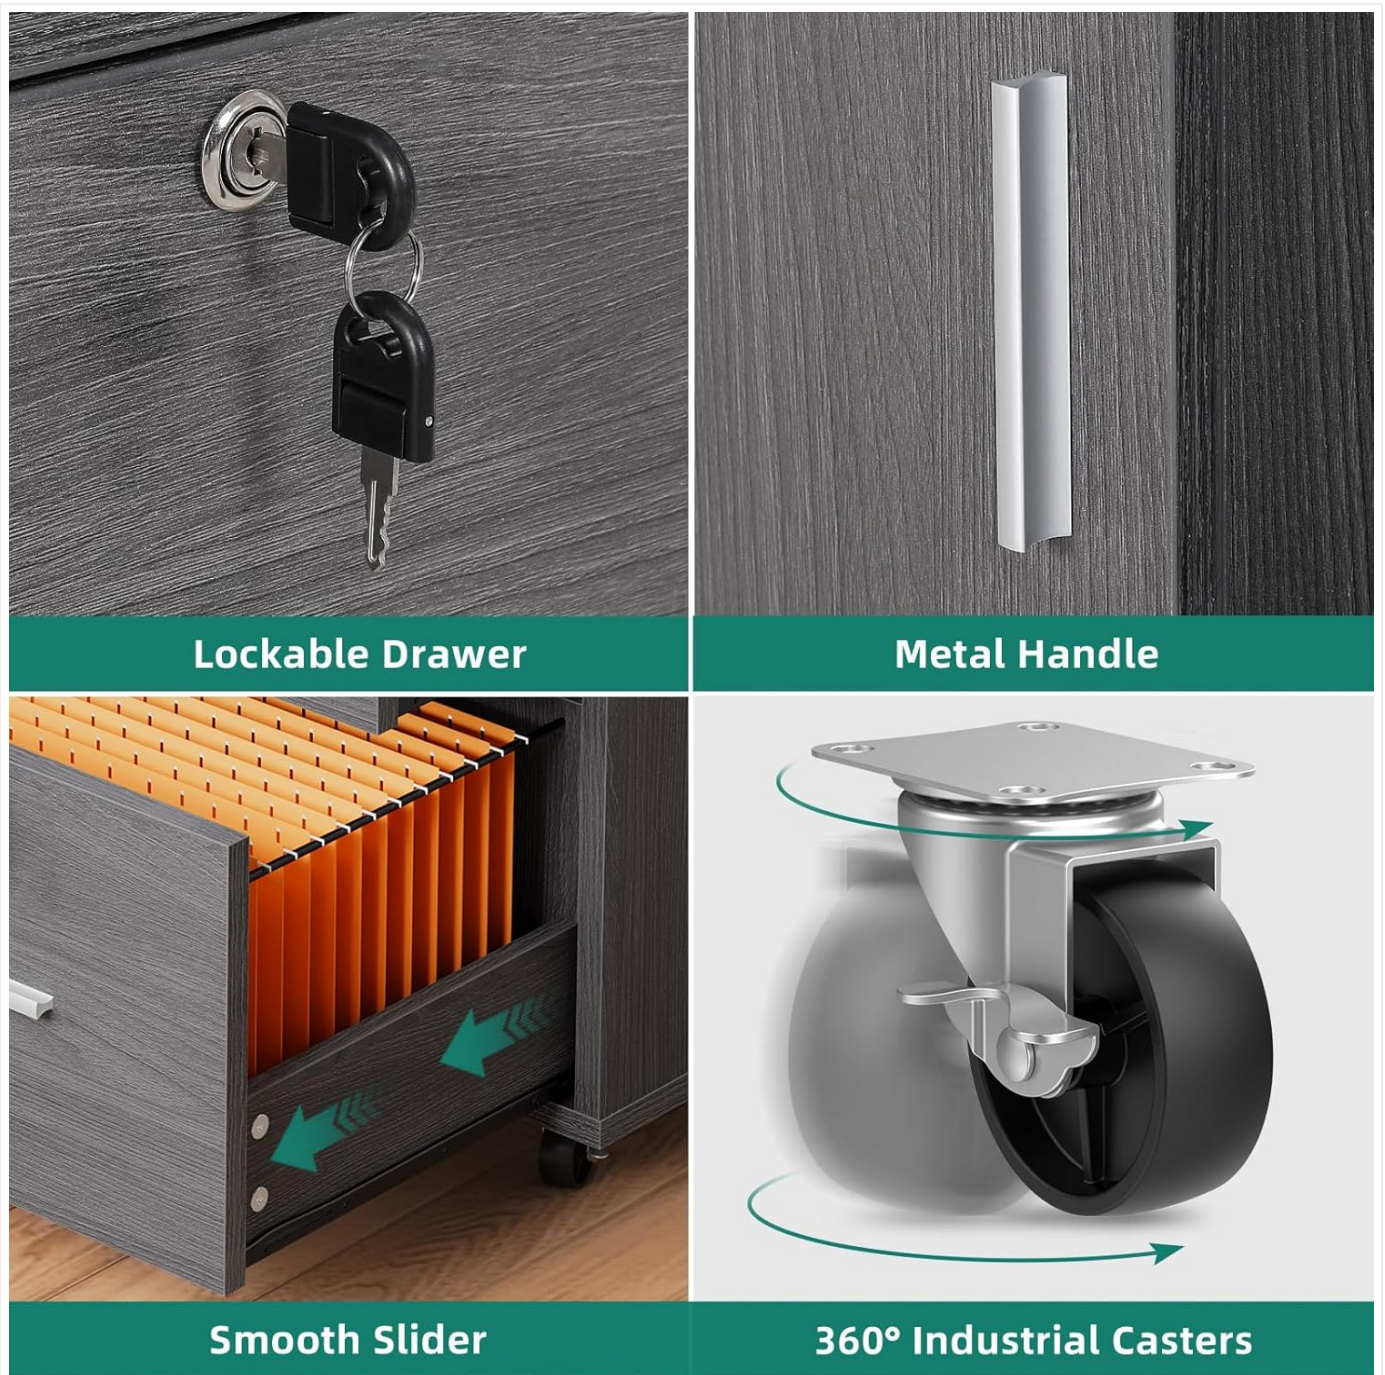

Image 5: Detailed view of the file drawers. This image shows the top drawer and the bottom file drawer, illustrating how files can be organized and highlighting the lockable feature of the top drawer.

#### 4.4 Mobility and Stability

The cabinet is equipped with casters for easy movement and brakes for stability.

- **Industrial Casters:** Five robust casters allow for smooth relocation of the cabinet.
- **Locking Brakes:** Two casters include brakes. Press down the lever on the brake-equipped casters to lock the cabinet in place. Lift the lever to unlock.
- **Center Wheel:** A central caster provides additional support and stability, especially when the cabinet is loaded.

Image 6: Close-up details of the cabinet's features. This composite image shows the lockable drawer mechanism with keys, a metal handle, smooth drawer sliders, and the 360° industrial casters with a brake mechanism.

## 5. MAINTENANCE

---

Proper care will extend the life of your YITAHOME file cabinet.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Caster Care:** Periodically check casters for debris and ensure they roll smoothly.
- **Electrical Components:** Ensure the power cord and outlets are free from damage. Do not attempt to repair electrical components yourself.

## 6. TROUBLESHOOTING

---

If you encounter issues with your YITAHOME file cabinet, refer to the following common solutions:

- **LED Light Not Working:**

- Ensure the cabinet is plugged into a live power outlet.
- Check the connection of the LED strip to its power source.
- Verify the remote control battery is functional.

- **Charging Ports Not Functioning:**

- Confirm the cabinet's power cord is securely plugged into a working wall outlet.
- Test with a different device or cable to rule out device-specific issues.

- **Drawers Sticking or Not Closing Smoothly:**

- Check for obstructions within the drawer or along the sliders.
- Ensure the cabinet is on a level surface.
- Verify that the drawer sliders were installed correctly during assembly.

- **Cabinet Not Stable:**

- Ensure the locking brakes on the casters are engaged.
- Verify that all assembly hardware is tightened securely.
- Place the cabinet on a flat, even surface.

For further assistance, please contact YITAHOME customer support.
