## 6. MAINTENANCE

---

Proper care will ensure the longevity and appearance of your Sluban RV M38-B1193 model.

- **Cleaning:** To clean the blocks or the assembled model, gently wipe with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation. If disassembling for storage, keep all parts in a sealed container to prevent loss.
- **Avoid Extreme Temperatures:** Do not expose the model to extreme heat or cold, as this can affect the plastic's integrity.

## 7. TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following:

- **Missing Parts:** Double-check all packaging and sorting areas. If a part is genuinely missing, contact Sluban customer support with the part number (usually found in the pictorial instructions).
