**CAPHAUS FBDD-CHF1102-DKGY@CH**

# CAPHAUS 11-Drawer Fabric Storage Tower Instruction Manual

Model: FBDD-CHF1102-DKGY@CH

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** For safety, it is highly recommended to install the included anti-tipping device on the wall to prevent accidental tipping, especially in households with children or pets.
- **Weight Capacity:** The P2 board top has a maximum weight capacity of 55 lbs (25 kg). Each fabric drawer can support up to 15 lbs (6.8 kg). Do not exceed these limits.
- **Stable Placement:** Place the storage tower on a flat, level surface. Ensure all leveling feet are properly adjusted for maximum stability.
- **Children's Safety:** Do not allow children to climb on or play with the storage tower. Keep small parts away from children during assembly.

# STURDY STEEL FRAME

**+** PLUS ANTI-TIP DESIGN

**NO WOBBLE , NO WORRY !**

**Figure 1: Sturdy Steel Frame and Anti-Tip Design.** This image highlights the robust steel frame construction and the recommended anti-tip mechanism for enhanced stability and safety. The anti-tip device should be securely fastened to a wall.

## PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- P2 Board Top
- Fabric Drawers (3 small, 8 large)
- Adjustable Leveling Feet
- Anti-Tipping Accessories
- Assembly Hardware (screws, wrench, etc.)
- Instruction Manual

## ASSEMBLY INSTRUCTIONS (SETUP)

Assembly typically takes approximately 30 minutes. A screwdriver may be required (not always included).

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Frame:** Follow the detailed diagrams in the included instruction booklet to connect the steel frame components using the provided hardware. Ensure all connections are secure.
3. **Attach P2 Board Top:** Secure the P2 board top to the assembled steel frame.
4. **Install Leveling Feet:** Screw the adjustable leveling feet into the bottom of the frame. Adjust them to ensure the unit is stable and level on your chosen surface.
5. **Prepare Fabric Drawers:** Unfold each fabric bin and insert the bottom support panel to create a rigid structure.
6. **Insert Drawers:** Place the prepared fabric drawers into their designated slots within the frame. The unit includes 3 small fabric bins (11.8"W x 10.8"D x 8.3"H) and 8 large fabric bins (18.1"W x 10.8"D x 8.3"H).
7. **Install Anti-Tipping Device:** For maximum safety, attach the anti-tipping device to the back of the storage tower and secure it to a wall stud according to the instructions.

## USAGE (OPERATING)

---

The CAPHAUS 11-Drawer Fabric Storage Tower is designed for versatile organization in various settings.

- **Storage:** Utilize the multi-sized fabric drawers for organizing clothes, toys, linens, office supplies, or other household items.
- **Top Surface:** The P2 board top can be used to display decorative items, lamps, or store frequently accessed items, adhering to the 55 lb weight limit.
- **Drawer Operation:** The fabric drawers feature user-friendly handles for effortless pulling and closing.

# EFFICIENT ORGANIZATION

SIMPLIFY DAILY ROUTINES AND OPTIMIZE SPACE EFFICIENTLY

Multi-Sized Drawers

Perfect for Versatile Organization

Easy Access to Your Things

**Figure 2: Efficient Organization.** This image illustrates the storage tower's capacity for organizing various items, such as folded clothes, books, and decorative elements, within its multi-sized drawers.

**Figure 3: Versatile Functionality.** This collage demonstrates the storage tower's adaptability, showcasing its use in a living room, dressing room, bedroom, and hallway, complementing various decor styles.

## MAINTENANCE

- **Cleaning:** Wipe the P2 board top with a damp cloth. The fabric drawers can be spot cleaned with a mild detergent and air-dried. Do not machine wash.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Fabric Care:** The non-woven fabric drawers are designed to be wear-resistant. Avoid overloading drawers to maintain their shape and longevity.

**Figure 4: Product Features for Durability and Convenience.** This image highlights key features such as the waterproof P2 board top, easy-to-pull handles on the drawers, wear-resistant fabric, and adjustable leveling feet for stability.

## TROUBLESHOOTING

- **Unit is Wobbly:**
  - Ensure all frame connections are securely tightened.
  - Adjust the leveling feet on the bottom of the unit until it is stable on the floor.
  - Verify the anti-tipping device is properly installed and secured to the wall.
- **Drawers Do Not Slide Smoothly:**
  - Check if the drawers are overloaded. Reduce the weight if necessary.
  - Ensure the bottom support panel is correctly inserted and fully extended within each fabric bin.
  - Verify the frame is not warped or bent.
- **Missing Parts:** If any parts are missing upon arrival, please refer to the "Customer Support" section for assistance.

## SPECIFICATIONS

<b>Feature</b>	<b>Detail</b>
Model Number	FBDD-CHF1102-DKGY@CH
Product Dimensions	39.4"W x 11.8"D x 48"H (100cm W x 30cm D x 122cm H)
Small Fabric Bin Dimensions (x3)	11.8"W x 10.8"D x 8.3"H (30cm W x 27.4cm D x 21cm H)
