RESHABLE Industrial Salon Station RS-B0CTHJYYFP

Industrial Wall Mount Salon Barber Station Instruction Manual

Brand: RESHABLE | Model: Industrial Salon Station RS-B0CTHJYYFP

1. PRODUCT OVERVIEW

This RESHABLE Industrial Wall Mount Salon Barber Station is designed to provide a functional and stylish workspace for salons, barbershops, and beauty spas. It features a robust construction with ample storage solutions, including drawers, a cabinet, and shelves, along with integrated hair dryer holes for convenience. Its rustic brown finish and industrial design complement various interior styles.

Figure 1.3: Multiple salon stations arranged in a barbershop, demonstrating their cohesive aesthetic and space utilization.

Key Features:

- **Versatile Salon Addition:** This salon station is a stunning piece of furniture that really adds class and professionalism to your salon. Provide your workspace, organize your tools and store everything else you need to produce your very best results.
- **Durable Material:** Constructed of high quality MDF and sturdy iron tubes, this salon barber station can withstand daily use. The cabinet and tabletop can respectively hold up to 66 lbs, the shelf each up to 44 lbs and the drawer each up to 22 lbs.
- **Utility Storage Equipment:** For storage, there are 3 drawers for you to tuck away your valuables. On the bottom is a cabinet and up top, you have got two tall shelves, a perfect shape for product bottles. The countertop has 3 heat-resistant tool holders built into the right side.
- **Considerate Design:** The adjustable metal foot mats not only increase the overall stability, but protect your floor from scratches. The spacious drawers with handles (measuring 3.94" in length) can be pulled out easier for convenient storage.
- **Space-Saving Option:** This salon barber station will add a clean and modern touch to almost any salon, spa, or barbershop, which can be used as single against a wall without taking up a large footprint in your working space.

2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use of this product. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully.
- Do not exceed the weight capacity of the shelves, drawers, and cabinet to prevent tip-over or structural failure.
- Keep the area around the station clear of obstacles to prevent accidents.
- Ensure the station is placed on a stable, level surface.
- Avoid placing hot items directly on the wooden surfaces without protective mats.

3. COMPONENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included parts list in your packaging for specific component identification.

- **Main Frame:** Sturdy iron tubes forming the structural support.
- **Shelves:** Two tall shelves with mesh sides for display and storage.
- **Drawers:** Three spacious drawers for organized storage of tools and supplies.
- **Cabinet:** A large storage cabinet with a door for larger items.
- **Countertop:** A durable surface for styling work, featuring integrated hair dryer holes.
- **Adjustable Foot Pads:** For stability and floor protection.

4. SETUP AND ASSEMBLY

Assembly of the RESHABLE Industrial Salon Station is required. Please follow the step-by-step instructions provided in the separate assembly manual included with your product packaging. Ensure you have all necessary tools before starting.

1. Unpack all components and verify against the parts list.
2. Identify the main frame pieces and begin assembling the base structure.
3. Attach the cabinet and shelf units according to the diagrams.
4. Install the drawers and their sliding mechanisms.
5. Secure the countertop and ensure all connections are tight.
6. Adjust the metal foot pads to level the station and protect your floor.

Adjustable Metal Foot Pads

Adjusting the height while protecting the floor

Figure 4.1: Close-up of the adjustable metal foot pads, which allow for height adjustment and floor protection.

For optimal stability, ensure all screws and fasteners are securely tightened. Do not overtighten.

5. OPERATING INSTRUCTIONS

The RESHABLE Salon Station is designed for intuitive use in a professional or home salon environment.

- **Storage Utilization:** Use the three drawers for smaller tools, accessories, or personal items. The large cabinet provides ample space for bulkier supplies or equipment. The open shelves are ideal for displaying products or keeping frequently used items within easy reach.
- **Work Surface:** The spacious countertop serves as your primary work area for styling, cutting, or other beauty treatments.
- **Hair Dryer Holders:** Utilize the three heat-resistant holes on the right side of the countertop to securely hold hair dryers or other hot styling tools, keeping them organized and preventing damage to the surface.

3 Hair Holders

3 different sizes of hair dryer holes to meet different needs

Figure 5.1: The three integrated hair dryer holders on the countertop, designed to accommodate different sizes of styling tools.

6. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your RESHABLE Salon Station.

- **Cleaning:** Wipe surfaces with a dry cloth regularly to remove dust and debris. For spills or stains, use a slightly damp cloth and mild cleaner, then dry immediately. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Protection:** The station is designed to be wear-resisting and waterproof, but it is recommended to promptly clean up any liquid spills to prevent long-term damage. Use heat-resistant mats under hot tools when not placed in the designated holders.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.

Figure 6.1: Visual representation of the station's easy-to-clean, waterproof, and wear-resisting properties.

7. TROUBLESHOOTING

If you encounter any issues with your RESHABLE Salon Station, please refer to the following common solutions:

Problem	Possible Cause	Solution
Station is wobbly or unstable.	Uneven floor; loose fasteners.	Adjust the metal foot pads to level the station. Check and tighten all assembly fasteners.
Drawers do not slide smoothly.	Misalignment during assembly; debris in tracks.	Ensure drawer slides are correctly aligned and free of obstructions. Refer to assembly manual for proper installation.
Damage to surface.	Impact; excessive weight; prolonged moisture exposure.	Avoid dropping heavy objects. Do not exceed weight limits. Clean spills immediately.

If the issue persists after attempting these solutions, please contact customer support.
